The Publishers Weekly, 2000 *YESHUA, THE CRUCIFIED SERPENT* Rowland Stenrud, 2012-11-29 It was the atheist Jean Paul Sartre who once said that Hell is other people Rowland Stenrud s Yeshua the Crucified Serpent is about how mankind s savior Jesus of Nazareth has saved men and women from this hell by making it possible and indeed inevitable for human beings to love one another and their Creator Father Yahweh God This book is about the concept and practice of

human and divine love The words of Paul in 1 Corinthians 13 1-13 the Bible as a whole and the reader's life experience will help in defining this The author reviews what he knows about the concept and its related precepts and brings them to bear in this book God himself is love which should tell us how mysterious a thing love is To acquire this ability to love one must suffer in union with the suffering Christ Salvation pure and simple is God delivering each one from the inability to love other human beings and the Creator Himself The obstacle to this perfect love is the serpent of human wisdom and pride that existed even in Jesus In his loving obedience to the Father Jesus nailed this serpent to the cross Yeshua the Crucified Serpent attempts to show that the question of evil and suffering in the world is answered by Yahweh's eventual success in saving all of mankind The majority of Christians believe in a number of key doctrines that the biblical authors do not unequivocally teach A few verses may support these unbiblical doctrines but a greater number of verses whose meaning is clearer contradict the standard interpretation of these few verses Other doctrines that Christians mistakenly believe in find support in this or that section of the Bible but are denied by the general thrust of the Bible as a whole These unbiblical doctrines followed by the correct biblical teaching are 1 Sometime in the distant past a large number of God's angels rebelled against Him becoming what are called devils or demons whose leader is known as Satan or Lucifer The Bible teaches that the only agent of evil in the universe is man's heart 2 Adam and Eve possessed the perfection of Jesus Christ before they sinned If they had not sinned they would not have needed to be healed of any weakness The Bible teaches that Adam and Eve could not have had eternal life even before they sinned without the work of Jesus of Nazareth 3 Faith is an act of the free will of man The Bible teaches that faith does involve man putting his trust in God's promises and revelation but it is primarily a power given to man by God in order to enable him to see spiritual truth the natural man cannot see Without this gift of the Holy Spirit no human being can know God and be saved 4 Ultimately speaking we are saved by our faith On the contrary it is through Jesus's faith in and love for the Father that is the instrument of our salvation 5 Jesus saved us by paying the penalty due our sins and therefore saving us from the just wrath of God This is false No one had to pay any penalty for God to forgive the sins of the human race God relates to sinners on the basis of mercy and mercy is not mercy if the penalty for sin is paid By going to the cross Jesus healed our brokenness which forgiveness alone could not accomplish 6 Satan and the sins of men are ultimately responsible for human suffering False God is ultimately responsible for human suffering as it is a necessary part of God's work of saving human beings God Himself shares in all of our suffering physical emotional and spiritual even though He does not have a body or nervous system 7 Salvation is about our eternal destiny This is not correct Salvation is about being saved from the idolatries addictions corruption hatreds evil deeds that afflict the unsav

**Ke Garne?** Lani Kay Ackerman MD FAAFP, 2014-03-10 Ke Garne a common Nepali phrase which literally means What to do embodies the thinking of millions of people living in the Himalayas steeped in the belief that their karma has destined them to poverty and hopelessness In 1991 an enthusiastic young couple a medical doctor and an ecologist left

their jobs and sold everything to take the good news of Christ to a remote area of the Himalayas closed to traditional missions God led them to establish and lead an organization Health Environmental and Learning Program H E L P which has combined the principles of the Bible and wholistic sustainable development following the model of Jesus's ministry Ke garne is the fruit from decades of boots on the ground sacrificial devotion Want to be guided and inspired by exemplary real life Christian community development It is here in your hands Nicholas Comninellis MD MPH DIM PH Pres CEO Institute for International Medicine The Ackermans are the proof that the Holy Spirit still anoints and empowers those He chooses to spread Christ's Gospel in the most effective ways in the places most needed If allowed God has no limits Lamar McNew MD Retired Professor Texas A M College of Medicine Chairman of H E L P board As I read these pages and re heard their story precious memories of trusting the Lord for direction and provisions flooded my soul Meet this special family and be challenged by their obedience to the Great Commission Dr Don Higginbotham Retired Pastor This is a book that 21st Century Christians must read In an age of toxic charity and misdirected mission efforts this is a book that issues a call for mission work that starts on the inside and moves outward Ive personally seen this ministry in action in Nepal and without a doubt the church needs to embrace this model Reverend Jerry House Pastor     The Non-Crucifixion of Jesus Ahmed Ismail,2008 The overemphasis for the importance of the crucifixion or death of Jesus on the cross was not put in place until the era of Constantine Historically the issue of whether Jesus was or was not on the cross and crucified was settled around 148 AC according to the Roman church's satisfaction In addition the idea of Jesus being crucified was believed by certain Jewish Christian sects for various reasons from the time of the actual crucifixion event Furthermore the declaration that Jesus rose from the dead was bound to cause trouble to those who lacked a deep comprehension in religious matters The reasons for this are varied It must not be forgotten however that during many decades the forming church and its multitudinous sects were undergoing excruciating turmoil within and outside its ranks and this caused a lot of confusion to enter into the mix Before the actual formation of Christianity as a distinct religious movement several ideas were floating around and one of them was that Jesus was not of the flesh but a spiritual being To counteract that idea the notion that Jesus was actually crucified took concrete shape as if to prove his real existence and that he was not just an angelic figure but a real person The truth concerning the crucifixion event is astounding but only when an honest approach to all of the scriptures and a truthful look at history is applied That is the truth but acceptance of this truth is quite another matter indeed     *Books in Print Supplement* ,2002     *Wrestling With God* Lydia B. Miller,2025-03-24 WRESTLING WITH GOD highlights the author's view of the pandemic years and the political and cultural upheaval that reared its ugly head simultaneously under the disastrous Biden administration The author recounts historical events chronologically through relatable stories and poetry to remind the reader what it was like to wake up and discover that the world they had grown up in was gone The rug was unceremoniously pulled out from beneath America and its citizens were left standing on a foundation of shifting sand looking upon an

unfamiliar landscape and wondering what had happened and what to do next It was a time of fear disbelief chaos and confusion While desperate for answers it became apparent all too soon that our leaders had forsaken us and that we were alone to navigate the new world order being ushered in on our own Many conservative Christians wondered where God was and why he didn't do something to stop the insanity Our safety livelihood family values and sovereignty as a nation were being threatened and we were in danger of losing the freedoms our forefathers fought and died for We were left wrestling with unwanted feelings of fear anger anguish hate contempt and distrust of our government with each threatening to become strongholds in our hearts and minds which were in direct conflict with the teachings of our faith We prayed to God to save us and each day waited for an answer that didn't come For some his silence was an indication that the end times were upon us While our innocence was painfully lost 4 years ago our eyes are wide open now It is only by remembering the mistakes of the past that we can ever hope to prevent such needless pain and suffering from reoccurring in the future *Christian*

**Death of Freedom of Expression** Richard Moon, 2024-07-05 In *The Life and Death of Freedom of Expression* Richard Moon argues that freedom of expression is valuable because human agency and identity emerge in discourse in the joint activity of creating meaning Moon recognizes that the social character of individual agency and identity is crucial to understanding not only the value of expression but also its potential for harm The book considers a range of issues including the regulation of advertising hate speech pornography blasphemy and public protest The book also considers the shift to social media as the principal platform for public engagement which has added to the ways in which speech can be harmful while undermining the effectiveness of traditional legal responses to harmful speech *The Life and Death of Freedom of Expression* makes the case that the principal threat to public discourse may no longer be censorship but it is rather the spread of disinformation which undermines public trust in traditional sources of information and makes engagement between different positions and groups increasingly difficult **Gospel Herald**, 1912 *The Jews in Christian Europe* Jacob R.
