Carroll Shelby Art Evans,2016-09-15 Art Evans was a sports car racer in the 1950s on the West Coast who raced against and became close friends with Carroll Shelby Their intense competition on the track became a lifelong friendship off the track He and Shelby collaborated on many business projects over the years including books marketing projects projects for the Shelby Foundation and so on In his later years Shelby loved the books about his cars and similar topics but his eyesight was failing to the point where he had difficulty reading and really preferred the books that were heavy with photos It was from that realization that Shelby and Evans decided to work on one last book together They both combed through the Shelby archives and selected Shelby s favorite images from his racing career That is almost the entirety of this book It is packed with photos selected by Shelby himself and the captions are quotes from Shelby s commentary on the action in the photo as well as his memories Unfortunately Carroll Shelby passed away before the book was fully completed but Evans following Shelby s instructions carried this final project through to completion Filled with images that have never been seen in print as well as images not published since the 1950s and 1960s this final work from Shelby is a personally curated collection by the legend himself If you are a sports car racing fan Ford fan Shelby fan or any combination of the three this book is a perfect addition to your automotive library
