The Weavers of Trautenau Janine Holc, 2023-10-16 A sympathetic history that focuses on the experiences of women and girls during the Holocaust and draws on new archival sources. Beginning in late 1940 over three thousand Jewish girls and young women were forced from their family homes in Sosnowiec Poland and its surrounding towns to worksites in Germany. Believing that they were helping their families to survive these young people were thrust into a world where they labored at textile work for twelve hours a day lived in barracks with little food and received only periodic news of events back home. By late 1943 their barracks had been transformed into concentration camps where they were held until liberation in 1945. Using a fresh approach to testimony collections Janine P. Holc reconstructs the forced labor experiences of young Jewish females as told by the women who survived and shared their testimony. Incorporating new source material the book carefully constructs survivors' stories while also taking a theoretical approach, one alert to socially constructed intersectional systems of exploitation and harm. The Weavers of Trautenau elucidates the limits and possibilities of social relations inside camps and the challenges of moral and emotional repair in the face of indescribable loss during the Holocaust.

Life Through the Seasons John Comer, 2009-02 There was a time when life seemed simple and not so complicated. In Life through the Seasons author John Comer reflects on those times. In this personal memoir he describes life through the eyes of a farm boy growing up in rural Missouri during the 1940s and 1950s. His family of eight two parents and six children lived from season to season always preparing for the next. Comer tells of life before electricity running water and television while describing his family's relationships traditions and values. Most importantly he recounts how his modest upbringing contained all of the essential experiences for life health and happiness which included Christian spirituality honesty respect and hard work. In this evocative narrative Comer has captured the flavor of the time and has brought it to life. Sometimes tried and tested his family learned to value the troubling times as well as the good. Faith and determination formed the foundation of his being. Life through the Seasons illustrates those simpler times. This book has been enjoyed by people who grew up in the 40s and 50s. It makes a great gift at Christmas birthdays and on Mother's and Father's Day.
