Longer Stories From The Last Decade:

Shelby Foote C. Stuart Chapman, 2006 A biography that plumbs the ambiguous life of the gentlemanly novelist and historian

Longer Stories from the Last Decade Anton Pavlovich Chekhov, 1993 The short stories of Chekhov are an inexhaustible treasure of humanity and wisdom wrote Elizabeth Hardwick The whole of Russian life lies within them Some six hundred tales bear Chekhov's name not a few of which are the famous long short stories written during roughly the last decade of his brief life This volume gives us eleven of these in eminent translations by Constance Garnett and chosen by Shelby Foote Perhaps the most autobiographical is Three Years which offers a portrayal of mercantile greed and exploitation that was new to Russian literature The Duel is the story of Ivan Layevsky a self-styled St Petersburg Hamlet who filled with Tolstoyan ideas of a noble life of toil on the land escapes with another man's wife to the Caucasus The ensuing philosophical confrontations among the major characters clearly resemble those in Uncle Vanya And in the masterly Ward No 6 a doctor disgusted by the stupidity and misery of the world of normal men forms such a close relationship with an interesting lunatic that society declares the doctor a lunatic too and incarcerates him The story is devastatingly symbolic of the corruption and hopelessness in Russia toward the end of the autocracy Also included are The Black Monk An Anonymous Story A Woman's Kingdom The Wife In the Ravine Peasants The Murder and My Life Chekhov is not only a great writer but even rarer a liberating one said Susan Sontag Shelby Foote has provided an Introduction for this edition

Out of Print: Ten Years: An Anthology of Stories Indira Chandrasekhar, 2024-07-03 About the book Out of Print in print A decade ago in 2010 Indira Chandrasekhar set up Out of Print to address a need she felt as a writer a focused platform for the short story a space for robust editorial discussions as well as one that would serve as a platform for discoveries of newer facets of the form itself and of new writing This commemorative volume hopes to capture something of that adventure It is thus not a best of volume but one that speaks to the spirit of the magazine its diversity of literary voices its openness to experimentation its focus on Indian language publishing and its stand against mediocrity Most crucially of course this is an ode to the short story form its art of brevity and honesty

The Best Short Stories of O. Henry O. Henry, 2010-07-28 The more than 600 stories written by O Henry provided an embarrassment of riches for the compilers of this volume The final selection of the thirty-eight stories in this collection offers for the reader's delight those tales honored almost unanimously by anthologists and those that represent in variety and balance the best work of America's favorite storyteller They are tales in his most mellow humorous and ironic moods They give the full range and flavor of the man born William Sydney Porter but known throughout the world as O Henry one of the great masters of the short story

Russian Irrationalism from Pushkin to Brodsky Olga Tabachnikova, 2016-10-27 Russia once compared to a giant sphinx is often considered in the Anglophone world an alien culture often threatening and always enigmatic Although recognizably European Russian culture also has mystical features including the idiosyncratic phenomenon of Russian irrationalism Historically Russian irrationalism has been viewed with

caution in the West where it is often seen as antagonistic to and subversive of the rational foundations of Western speculative philosophy. Some of the remarkable achievements of the Russian irrationalist approach however especially in the artistic sphere have been recognized and even admired though not sufficiently investigated. Bridging the gap between intellectual cultures Olga Tabachnikova discusses such fundamental irrationalist themes as language and the linguistic underpinning of culture the power of illusion in national consciousness the changing relationship between love and morality the cultural roots of humour as well as the relevance of various individual writers and philosophers from Pushkin to Brodsky to the construction of Russian irrationalism.

Stories of Five Decades Hermann Hesse, 2013-01-22 A Literary Titan's Evolution Tracing Hermann Hesse's Development Through Rare and Captivating Short Stories This collection of twenty three stories twenty available in English for the first time spans nearly half a century of *Stories of Five Decades* offering a rare glimpse into the literary evolution of Nobel Prize winner Hermann Hesse. Arranged chronologically from 1899 to 1948 these tales showcase Hesse's journey from youthful aestheticism through the realism and surrealism of his middle years culminating in the classicism of his later works. Readers familiar with Hesse's major novels of the 1920s and 1930s will delight in discovering the author in a variety of new incarnations. Yet throughout these transformations Hesse remains faithful to his essential self consistently rejecting external reality in favor of an inner world born of imagination. At the heart of each story lie Hesse's own secret dreams and bitter anguish inviting readers to explore the depths of the human psyche. *Stories of Five Decades* is a testament to the enduring power of the short story form and its ability to capture the full range of an author's literary artistry.

The Long Road Home and Other Short Stories from the Silences in the Gospel of Mark

James S. Lowry, 2013-05-17 Borrowing from the ancient rabbinic use of midrash as a means of opening Scripture to students James Lowry has chosen six texts from among those in which he believes Mark deliberately left silences The author is convinced Mark hoped his readers would be encouraged to raise a variety of possibilities as to what the evangelist left unsaid Beginning with Mark choosing not to name the temptations of Jesus Mark 1 12 13 and concluding with Mark choosing to conclude his narrative with the women leaving the tomb of Jesus in stunned silence Mark 16 8 Lowry spins short stories that suggest several alternative ideas as to how the biblical narrative might have played In half of the tales Lowry enters the text and adds fictitious material to Mark's narrative In the other half his stories are set in the small textile town of Great Falls South Carolina where the author grew up in the 1950s The hope is these stories will encourage readers of Mark and groups of his readers to raise other possibilities

The Long and Winding Road: a collection of short stories Fairbanks, 2024-03-05 Long and Winding Road is a collection of eleven short stories Nine of the stories are prose one is a play and another is a narrative poem but all eleven are really stories just in different genres The value of a collection of short stories is that you can read just one story at a sitting or two sittings for the longer stories rest from it and then dip in for another treat next reading session Settings are primarily Australian though one story is set in a fictitious ancient kingdom and one in northern Mexico and parts of USA The short play is set in a nursing home of all places Readers will meet a range of interesting characters Miss Magnolia who has a secret Viv Black who uncovers a secret the trans gender Al Mara the young loom girl Therese who becomes Queen the boy wonder Agave who was born without vocal cords but is anything but mute Mohair Mary the talented and prescient Aboriginal woman Doreen teen Essie Esmerelda who discovers gold as she discovers her Self the former sex worker Penelope in a nursing home Master Nathaniel who dies by guillotine and dozens more Some stories border on the bawdy but nothing X rated some deal with tragedy and misadventure some with romance and strong personal bonds It's like life We trudge along life's path the winding road dragging life's burdens behind in the dust not knowing what lies around the next bend But always there are more stories to tell

Hunting Trips of a Ranchman and The Wilderness Hunter Theodore Roosevelt, 2000-10-31 Written during his days as a ranchman in the Dakota Bad Lands these two wilderness tales by Theodore Roosevelt endure today as part of the classic folklore of the West The narratives provide vivid portraits of the land as well as the people and animals that inhabited it ever underscoring the author's abiding concerns as a naturalist Originally published in 1885 Hunting Trips of a Ranchman chronicles Roosevelt's adventures tracking a twelve hundred pound grizzly bear in the pine forests of the Bighorn Mountains Yet some of the best sections are those in which Roosevelt muses on the beauty of the Bad Lands and the simple pleasures of ranch life The British Spectator said the book could claim an honourable place on the same shelf as Walton's Compleat Angler The Wilderness Hunter which came out in 1893 remains perhaps the most detailed account of the private life of the grizzly bear ever recorded This Modern Library edition contains an introduction by historian Stephen E Ambrose author of Undaunted Courage
