Longing For Munich:

Longing for Munich Elfriede Gams,Hans Gottanka,1978 **Longing** J. D. Landis,2014-12-16 Longing tells the story of the greatest artistic couple in history Robert Schumann and Clara Wieck They met when she was eight years old and he was seventeen drawn together first by music and then by their passion for each other Drawing on their letters and remarkably frank journals J D Landis writes of Clara and Robert s enforced separations their marriage their artistic triumphs and failures and finally their shared devotion to and love for a young genius who both came between them and brought them together for the last time Longing was a New York Times Notable Book It was also named by The Guardian London as the second finest novel about music the first being Thomas Bernhard s *Loser* a judgment with which Mr Landis is delighted to concur **The Making of Jew Clubs** Pavel Brunssen,2025-09-02 Why do non Jewish football fans chant Yid Army or wave Super Jews banners especially in support of clubs that are not Jewish The Making of Jew Clubs explores how four major European football clubs FC Bayern Munich FK Austria Vienna Ajax Amsterdam and Tottenham Hotspur came to be seen as Jew Clubs even though they have never officially identified as Jewish In this transnational study Pavel Brunssen traces how both Jewish and non Jewish actors perform Jewishness antisemitism and philosemitism within European football cultures over the 20th and 21st centuries Drawing on a wide array of primary sources from fan chants and matchday rituals to media portrayals and club histories the book reveals how football stadiums have become unexpected stages for negotiating memory identity and historical trauma Offering a new approach to Holocaust memory sports history and Jewish studies The Making of Jew Clubs shows how football cultures reflect and reshape Europe s conflicted relationship with its Jewish past The Herkomers Sir Hubert von Herkomer,1910 *Football, Fandom and Collective Memory* Przemysław Nosal,Radosław Kossakowski,Wojciech Woźniak,2024-06-18 This book examines the topic of identity and collective memory in football fandom Drawing on global research in history sociology and political science the book looks at how where and why football fans and supporters groups introduce particular role models into their self identity and performative narratives The book presents original cutting edge research that illustrates the complex multidimensional nature of the re formulation of collective memory and the elevation of role models It looks at the processes by which some supporters groups celebrate historical and contemporary figures including political leaders warriors revolutionaries or armed resistance groups that they believe embody patriotic regional or nationalist virtues as well as supporters groups who define their patriotism in opposition to these figures The book presents cases ranging from Ukrainian football ultras in the shadow of Russian aggression and Jewish role models in Germany s collective football memory to the symbology of Che Guevara and Diego Maradona in Brazilian and Argentinian football to hero formation and the myths of national identity in Australian football This is fascinating reading for anybody with an interest in the sociology culture or politics of sport or in fandom identity nationalism more broadly in sociology political science or history **SAUNTERINGS** Charles D. Paradox, Aphorism and Desire in Novalis and Derrida Clare Kennedy, 2008 Building on recent investigations into affinities between early German Romanticism and French post structuralism this study brings together the work of Jacques Derrida with the writings of one of early Romanticisms most important theorists Friedrich von Hardenberg 1772 1801 better known as Novalis In contrast to recent criticism which traces the historical path from Romanticism to modern theory in broad strokes this book undertakes comparative readings of Novalis and Derridas texts on literature and philosophy The book focuses on the significance both writers accord to paradox and argues that readings which are attuned to paradox can better appreciate the proximity of Romanticism and post structuralism As well as their affirmation of paradox the texts of Novalis and Derrida testify to a profound respect for the Other and the close readings of selected texts reveal remarkable similarities in their thinking on literature philosophy and representation and on the intricate interrelation between language identity and desire

Reading the Modern European Novel since 1900 Daniel R. Schwarz, 2018-03-14 An exploration of the modern European novel from a renowned English literature scholar Reading the Modern European Novel since 1900 is an engaging in depth examination of the evolution of the modern European novel Written in Daniel R Schwarz s precise and highly readable style this critical study offers compelling discussions on a wide range of major works since 1900 and examines recurring themes within the context of significant historical events including both World Wars and the Holocaust The author cites important developments in the evolution of the modern novel and explores how these paradigmatic works of fiction reflect intellectual and cultural history including developments in painting and cinema Schwarz focuses on narrative complexity thematic subtlety and formal originality as well as how novels render historical events and cultural developments Discussing major works by Proust Camus Mann Kafka Grass di Lampedusa Bassani Kertesz Pamuk Kundera Saramago Muller and Ferrante Schwarz explores how these often experimental masterworks pay homage to their major predecessors discussed in Schwarz s ground breaking Reading the European Novel to 1900 even while proposing radical departures from realism in their approach to time and space their testing the limits of language and their innovative ways of rendering the human psyche Written for teachers and students by a highly acclaimed scholar and including valuable study questions Reading the Modern European Novel since 1900 offers a guide for a deeper understanding of how these original modern masters respond to both the past and present
