most comprehensive photographic record of any fully functioning self supporting Aboriginal society that we will ever have. The one hundred and thirty images included in this book cover domestic life, subsistence, house types, material culture, and religious life, providing a uniquely privileged glimpse of life beyond the frontier. Thomson recorded his experiences in newspaper and academic articles, private papers, and extended reports to the government. Nicolas Peterson brings this material together as a compelling, highly personal narrative in Thomson's own words. It is a narrative that names all the Aboriginal people involved, presenting them as individuals in a way no other writings of the time do. Through it all, Thomson's passionate commitment to Aboriginal rights as defender, critic, and advocate shines through.
