Longwalkers Child

Debra Webb

Longwalkers Child:

Longwalker's Child Debra Webb,2010-07-17 Lauren Whitmore had heard the wild rumors about the man on her doorstep But none of them prepared her for Gray Longwalker His proud Native American features stole her breath but it was his eyes that stopped Lauren s heart Deep honest and gray as his name an exact match to those of the little girl Lauren loved and was to adopt as her own As soon as he learned she existed Gray rushed to claim his child Except he hadn t expected a long limbed vixen to stand in his way And as tension between him and Lauren heated to a dangerous attraction the lone warrior faced his greatest fear forgetting the beauty before him was the enemy **The Bride Said, "Surprise!"** Cathy Gillen

Thacker,2010-09-01 Meg had always been the dependable big sister rearingher kin since she was a girl herself But one reckless nightshe had abandoned duty and responsibility and surrenderedherself to the passion Luke Carrigan offered She became awoman in his bed a mother in nine months Now the man Meg had tried desperately to forget was stillsexy single and only a stone s throw away from her fromtheir secret son It seemed so easy to become one withLuke again forever But would Meg s surprise sendLuke packing The Pregnant Ms. Potter Millie Criswell,2025-02-11 Place this quilt upon your bed and in one month you shall be wed Pregnant and alone Maddy Potter knew marriage wasn t in her near future certainly not to Pete Taggart The rude arrogant and she d admit protectively sexy rancher would never ask her Just because the handsome widower rescued her from a blizzard and she d slept under his heirloom quilt for two nights did not mean anything would happen between them Surely the quilt s legend wasn t real Pete had reasons for maintaining his status as one of Sweetheart Colorado s most eligible bachelors But seeing Maddy blossom with pregnancy shook him to the soul A woman shouldn t be alone at a time like that And he didn t have to love her to give her his name did he **Prescription for**

Seduction Darlene Scalera,2025-02-11 WHAT S THE SEXY DOCTOR DOING WITH THE TOWN VIRGIN Studly Brady Spencer and shy Eden Frazier a preposterous pair you say How else do you explain the good doctor making late night house calls at Eden s flower shop The self proclaimed last maiden in America denies a dalliance saying I m still wilting away like yesterday s roses but this reporter suspects that Doc Brady s got the cure for what ails her There s only one problem Like a hothouse flower Eden s saved herself for one man forever but Brady s vowed to remain Tyler s last standing bachelor

Urban Sensation Debra Webb,2010-07-17 Detective Rowen O Connor never expected she d come face to face with Evan Hunter the enigmatic man who d broken her heart years ago especially not while working a murder investigation that left the city of Boston overrun with panic With no clues and a string of strange sinister killings suddenly Rowen became a madman s next target And it was crystal clear she and Evan had become pawns in a very deadly game Now with only each other to trust Evan and Rowen had to overcome danger and their long buried desire before their chances for a future were destroyed forever **Protective Custody** Debra Webb,2010-07-17 Ian Michaels was one of the best investigators at the Colby Agency also one of the most gorgeous Nicole Reed knew all too well Together they had worked to protect a federal witness In close

quarters desire erupted and distracted and caused the death of their client Or so Ian thought But it was Nicole who had been sent to see that Ian the best protector money could buy failed and that the witness was secreted into hiding Losing her heart to Ian wasn't part of the assignment Now Nicole needs the help of the man she had once betrayed in order to stay alive Only this time would that all consuming passion cause Nicole and Ian's demise *Solitary Soldier* Debra Webb,2010-07-17

THERE IS ONLY ONE MAN WHO CAN HELP YOU IF HE'LL TAKE YOUR CASE Victoria Colby of the Colby Agency to Rachel Larson desperate mother She'd heard his heart was as hard as his honed body and as cold as the steel of his gun But the man called Sloan was Rachel Larson's last hope She had nowhere left to hide from her son's father a cold blooded assassin and Sloan's deadliest enemy So she would face this lone wolf in his lair and plead for his help Ex agent Sloan lived only to take down the man who'd killed all he loved Now a desperate desirable woman offered him that chance on a silver platter Vengeance was his if he could keep Rachel and her son from invading the fortress around his heart Executive Bodyguard Debra Webb,2010-07-01

Her husband returns from the dead with superhuman strength Second in the series featuring operatives who have been made smarter stronger and sexier Caroline Winters the first woman elected president knew her term wouldn't be easy Then months into her office her husband tragically died in a plane crash and she began receiving bone chilling phone calls Now suddenly Justin Winters had returned And when the threats on her life began like an executive bodyguard Justin performed feats of superhuman skill to protect her And as the danger escalated around them it seemed less daunting than facing the feelings provoked by the tender touch of the stranger with her husband's face *The Doctor Wore Boots* Debra Webb,2010-07-17

Ty Cooper had never been anything more than a big brother to Leanne Watley Until he returned from his business trip One look and pow Leanne's heart couldn't stop pounding One kiss and swoon she was floored with desire Who was this man who claimed to be Ty Cooper Dex Montgomery hadn't planned to fall in love Especially not with his twin brother's beautiful neighbor The sweetest young woman in Montana was a breath of fresh air to the big city doctor But Leanne thought she was falling for the man she was expected to marry Could Dex stop himself before he lost his heart forever **Full Exposure** Debra Webb,2010-07-01

Specialist Cole Danes's investigation revealed the unthinkable a trusted longtime personal assistant to Victoria Colby had been the source leaking highly sensitive information that could have resulted in the agency's destruction But it soon became clear that a secondary party was the real culprit Single mom Angel Parker was being manipulated and controlled by a sinister mercenary driven to destroy the Colby Agency using any means necessary Only that was about to stop dead Cole was determined to complete his mission and he needed Angel to accomplish that end But he didn't expect to need Angel He had every intention of being as ruthless as his adversaries and using Angel as his pawn but spending time in seclusion with her wore away his emotional armor Now he was more concerned with protection than retribution which could prove fatal for them both *Longwalker's Journey* Beatrice Orcutt Harrell,1999

When the government removes their tribe from their sacred homeland in 1831 ten year old Minko and his father endure

terrible hardships on their journey from Mississippi to Oklahoma where Minko receives the name Longwalker

What Do I Read Next? 2002 Neil Barron, Gale Group, 2002-10-22 By identifying similarities in various books this annual selection guide helps readers to independently choose titles of interest published in the last year Each entry describes a separate book listing everything readers need to know to make selections Arranged by author within six genre sections detailed entries provide Title Publisher and publication date Series Names and descriptions of characters Time period and geographical setting Review citations Story types Brief plot summary Selected other books by the author Similar books by different authors Author title series character name character description time period geographic setting and genre sub genre indexes are included to facilitate research

Children and Childhood in the Works of Stephen King Debbie Olson, 2020-10-06 This unique and timely collection examines childhood and the child character throughout Stephen King's works from his early novels and short stories through film adaptations to his most recent publications King's use of child characters within the framework of horror or of horrific childhood raises questions about adult expectations of children childhood the American family child agency and the nature of fear and terror for or by children The ways in which King presents complicates challenges or terrorizes children and notions of childhood provide a unique lens through which to examine American culture including both adult and social anxieties about children and childhood across the decades of King's works
