

Look Out For The Elephant And Other Stories

Mark Twain

Look Out For The Elephant And Other Stories:

Look Out for the Elephant! and Other Stories Enid Blyton, 1993 **Rataplan, a Rogue Elephant; and Other Stories** Ellen Velvin, 2023-11-14 Ellen Velvin's book *Rataplan a Rogue Elephant and Other Stories* is a collection of captivating tales that seamlessly blend adventure, humor, and moral lessons. The literary style is characterized by vivid descriptions and memorable characters reminiscent of classic animal fables. Velvin skillfully weaves together narratives that appeal to both young and adult readers, offering a thought-provoking exploration of human nature through the lens of animal protagonists. Set in a fictional animal kingdom, the stories provide a rich tapestry of allegorical themes that invite readers to reflect on societal norms and personal values. As an accomplished wildlife conservationist, Ellen Velvin brings a unique perspective to *Rataplan a Rogue Elephant and Other Stories*. Her firsthand experiences working with animals have undoubtedly influenced the depth and authenticity of the book's animal characters. Velvin's passion for wildlife preservation shines through in her storytelling, making the book not only entertaining but also educational in its advocacy for animal welfare. I highly recommend *Rataplan a Rogue Elephant and Other Stories* to readers who appreciate allegorical fiction and insightful reflections on human behavior. Ellen Velvin's imaginative storytelling and commitment to conservation make this book a compelling read for anyone interested in the intersection of literature and environmentalism.

Three Elephant Power And Other Stories Andrew Barton, 2023-09-27 "Them things said Alfred the chauffeur tapping the speed indicator with his fingers, them things are all right for the police. But Lord, you can fix 'em up if you want to. Did you ever hear about Henery that used to drive for old John Bull about Henery and the elephant? Alfred was chauffeur to a friend of mine who owned a very powerful car. Alfred was part of that car. Weirdly intelligent of poor physique, he might have been any age from fifteen to eighty. His education had been somewhat hurried, but there was no doubt as to his mechanical ability. He took to a car like a young duck to water. He talked motor, thought motor, and would have accepted I won't say with enthusiasm for Alfred's motto was *Nil admirari*, but without hesitation, an offer to drive in the greatest race in the world. He could drive really well too, as for belief in himself after six months' apprenticeship in a garage, he was prepared to vivisection a six-cylinder engine with the confidence of a diplomaed bachelor of engineering. Barring a tendency to flash driving and a delight in persecuting slow cars by driving just in front of them and letting them come up and enjoy his dust, and then shooting away again, he was a respectable member of society. When his boss was in the car, he cloaked the natural ferocity of his instincts, but this day, with only myself on board and a clear run of a hundred and twenty miles up to the station before him, he let her loose, confident that if any trouble occurred, I would be held morally responsible."

Chronicles of Conan Volume 1: Tower of the Elephant and Other Stories Roy Thomas, 2003-10-07 In the early 1970s, Robert E. Howard's *Conan the Barbarian* exploded on to the comics scene. Writer Roy Thomas teamed with a young artist named Barry Smith, and together the two mapped out some of the most stirring and memorable Conan adventures to come along since those written by Howard himself. Over the

course of their 24 issue run together Thomas and Smith defined Conan for a generation of comics readers and now those stories are collected in this series Featuring completely remastered color and text corrections and containing material not available for nearly thirty years *Three Elephant Power, and Other Stories* Andrew Barton Paterson,2025-10-19
