Escape or Die Paul Brickhill,2021-08-05 Extraordinary times Extraordinary courage Here from the bestselling author of The Great Escape are eight true and startling escape stories from the Second World War The heroism of the servicemen who dared to defy their captors in this volume is matched only by that of the underground movements and ordinary civilians who helped the escapees in these stories of daring invention and doggedness against the odds From the account of the Spitfire pilot left for dead by an execution squad in Sicily to the story of the air gunner forced to blag his way across the Baltic every one is an unputdownable classic As long as there are prisons men will try to escape from them and as long as there is an RAF it will bring to the problems of escape the qualities of high resource pure cussedness and that indefinable damnably annoying refusal to lie down when dead of which all the stories in this book are such excellent and I think such exciting examples H E Bates **God's Ex-Wife** David M. Woodland,Jessica Hernandez,2018-10-01 God s Ex Wife is a novoir part novel part memoir in which anecdotes from both authors lives are woven into a work of fiction though every character in the story was inspired at least in part by an actual person who left an impact on David Jessica or both We never stop learning and everyone who enters our life is a teacher of sorts though life itself is the ultimate teacher God s Ex Wife despite the name is not about religion It s about choice identity love education friendship and HOPE It has never been harder to be young in America especially as a misfit There is a whole country between New York and Los Angeles and much of that region is little more than

The MoFN Middle of F king Nowhere This book is offered as a beacon to the young people in those places who because of their sexuality their race or merely their independent spirit have never fit in We see you We appreciate you And we do NOT want you change But we do want you to leave You want it too and we want to empower you to do that The MoFN Middle of F king Nowhere is no kind of place for a big Jewish girl with strange clothes or her only friend a gay boy with even stranger clothes But for now that s exactly where Debbie and Phil are stuck Growing up in the 90 s in a cold New England town with nothing to do no exposure to the world beyond or experience with people of color who will eventually play a huge role in their lives and bullied on a daily basis they turn to their love of writing and performing initially as an escape from their monotone misery and an antidote to their boredom It is only through the efforts of Mrs Rosen Debbie s eccentric and sophisticated mentor that they realize how far their talents might actually take them But is there more to Debbie s weirdness than just punk rock and black nail polish Long since divorced from religion she is not exactly big on faith So how does Debbie know what she knows She can t even answer that herself
