Looking For George:

The Valley Robert Hammond,2016-07-25 Stay close to the river and you cant go far wrong These were the words that woke Molly from her sleep They came from the next room and the voice was strange to her She crept out of bed and went to the door which was partly open Through the gap she could see her mother huddled over the fading light from the fire in the hearth She had a shawl wrapped around her shoulders and was listening to someone who had their back to the bedroom door Molly could tell it was the voice of an old man he sounded friendly but cautious It may take a week by foot in this weather so here is some money to provide food and lodgings along the way With that the stranger stood up and wished Mollys mother Godspeed and may your prayers be answered **George** Jarrod Tatom,2021-07-21 George Took the right steps to have a comfortable life unfortunately his path became a bumpy road of many hardships that beat him down mentally Eventually the demons became more than he could bare He sadly sent his body and heart to heaven but left his soul and knowledge for a young boy s conscience to make it through life without self harm Illustrated Catalogue of Stereopticons, Sciopticons, Dissolving View Apparatus, Microscopes, Solar Microscope and Stereopticon Combination McIntosh Battery & Optical Co,1895 **Journal and Proceedings** ,1920 **The Majesty...
