Looking For Mozart:

Mozart and Magdalena Gabriella Bianco,2010-12-27 Concert for Magdalena novel Mozart and Magdalena screenplay With Mozart's brilliant music career and performances in the background 1789-1791 the story deals with the passionate love between W. A. MOZART 35 and MAGDALENA POKORNY 25 which ends in a tragedy causing MOZART'S death FRANZ HOFDEMEL 35 MAGDALENA'S husband attacks and kills MOZART takes his own life and leaves MAGDALENA horribly disfigured MAGDALENA gives birth to MOZART'S child in 1792 and the child dies in 1804 **Mozart's Così Fan Tutte** Ian Woodfield,2008 A groundbreaking new approach proposes answers to many of the opera's unresolved questions WINNER of the Mozart Society of America Marjorie Weston Emerson Award for 2008 This study proposes a hypothesis to account for some of the opera's long standing problems It suggests that Mozart considered the idea that the pairings in Act II should not be crossed that each of the two disguised officers should seek to seduce his own woman Although this alternative plot structure was rejected signs of it may remain in the final score in the uneasy co-existence of dramatic duplicity and musical sincerity and in the ending in which the easy restitution of the original couples seems not to take account of the new passions that have been aroused Evidence that several of the singers were re-cast is also presented In addition to these radically new ideas about the conceptual genesis of *Così fan tutte* the book also provides a full account of the work's compositional history based on early Viennese and Bohemian copies Four different versions are identified including a significant revision in which Mozart removed the Act II finale canon The composer's probable involvement in the 1791 Prague production is also discussed IAN WOODFIELD is Professor of Historical Musicology School of Music and Sonic Arts Queen's University Belfast **Mozart's Journey to Prague** Eduard Morike,2018-01-01 While on a journey to Prague with his wife for the opening night of *Don Giovanni* Mozart is caught picking an orange on the grounds of a stately home But when the resident family finds out who they are dealing with they are delighted to be in the presence of the celebrated composer and invite him to their daughter's wedding This vivid and imaginative depiction captures both the humorous and the more pensive side of the genius composer
