Later—Looking Backward, Looking Forward Whitman T. Browne PhD, 2013-04-23 On a sunny afternoon in August of 1970 the Eastern Caribbean was without warning confronted with a terrible and tragic event The Christena a well used ferry that regularly crossed the eleven mile expanse between the twin islands of St Kitts and Nevis sank The two British colonial societies were suddenly thrown into turmoil finding themselves unprepared to deal with such sudden tragedy The ferry was registered to carry 155 passengers but it was severely overloaded While ninety nine people survived that afternoon nearly 250 other passengers perished disaster As if their struggle to heal after the tragedy was not taxing enough the islands had yet more adversity to conquer However both societies were determined to overcome that terrible event even as they fought to achieve greater political independence Told from the perspective of Whitman T Browne PhD a native of Nevis who lived on

the island at the time of the tragedy The Christena Disaster Forty Two Years Later is a moving firsthand account of how these sister communities banded together not only to win their political autonomy but also to overcome their emotional suffering as a result of greater tragedy [Something to Look Forward To Fannie Flagg,2025-08-19](#) A tapestry of joyful and startling interconnected stories that celebrate how people from all across America cope with adversity and unexpected changes in a confusing world from the beloved New York Times bestselling author of Fried Green Tomatoes at the Whistle Stop Cafe Fannie Flagg once said that what the world needs now is a good laugh And that is what she gives us in these warmhearted always surprising stories about people who are finding clever ways to deal with the curveballs life sometimes throws at us Velma in Kansas a loving great grandmother struggles to bridge generational gaps with her family We cheer for Helen in Ithaca New York who takes an audacious course of action when her husband leaves her for a younger woman In Bent Fork Wyoming in Milwaukee Wisconsin in Tucson Arizona and in towns and cities all across America people figure out inventive ways to overcome obstacles to happiness And in Fort Wayne Indiana Special Agent Frawley is studying the mysteries of being human from an original perspective With her imagination humor and great understanding of the human heart Fannie Flagg holds a mirror up to the foibles ingenuity and imagination of people inspiring us to laugh at the sometimes eccentric sometimes brilliant ways people cope with and ultimately prevail over the challenges of modern life
