

An abstract glass sculpture with a complex, organic form. The surface is highly reflective and features a series of wavy, concentric bands of color. The primary colors are deep red and black, which form the outer layers. In the center, there are horizontal bands of white and black, creating a zebra-like pattern. The sculpture is set against a dark, gradient background that transitions from a lighter grey at the top to a darker brown at the bottom. The lighting is dramatic, highlighting the glossy texture and the intricate patterns of the glass.
