Yad Vashem Studies, 2001 **The Politics of Eurasianism** Mark Bassin, Gonzalo Pozo, 2017-01-12 In the course of Vladimir Putin's third presidential term many of the doctrines and ideas associated with Eurasianism have moved to the center of public political discourses in Russia Eurasianism both Russian and non Russian is politically active influential and contested in debates about identity popular culture or foreign policy narratives Deploying a variety of theoretical frameworks and perspectives the essays in this volume work together to shed light on both Eurasianism's plasticity and contemporary weight and examine how its tropes and discourses are appropriated interpreted modulated and deployed politically by national groups oppositional forces left or right prominent intellectuals artists and last but not least government elites In doing so this collection addresses essential themes and questions currently shaping the Post Soviet world and beyond

Images of Otherness in Russia, 1547-1917 Kati Parppei, Bulat Rakhimzianov, 2023-04-25 Defining the Others them in relation to one's own reference group has been an essential phase in the formation of collective identities in any given country or region In the case of Russia the formulation of these binary definitions sometimes taking a form of enemy images can be traced all the way to medieval texts in which religion represented the dividing line Further the ongoing expansion of the empire transferred numerous external others into internal minorities The chapters of this edited volume examine the development and contexts of various images perceptions and categories of the Others in Russia from the 16th century Muscovy to the collapse of the Russian empire

Late Stalinist Russia Juliane Fürst, 2006-09-27 With cutting edge research and contributions from top scholars the late Stalinist period is thoroughly explored in this impressive work It explores a wide range of aspects of late Stalinist society focusing on the experience of the Soviet people and their interaction with ideology state policy and national and international politics

Journal of Soviet and Post-Soviet Politics and Society Julie Fedor, Andriy Portnov, Andreas Umland, 2014-04-01 The Russian war in Ukraine has been accompanied fuelled and legitimized by a Russian information war campaign that is unprecedented in its scope and nature This Russian state media propaganda campaign has been surprisingly successful in disguising and distorting the nature of the war and shaping the way it is perceived and understood both in Russia and beyond This special inaugural issue of JSPPS sets out to launch an interdisciplinary discussion on the Russian information warfare being waged in parallel with the military war in Ukraine The JOURNAL OF SOVIET AND POST SOVIET POLITICS AND SOCIETY JSPPS is a new bi annual journal about to be launched as a companion journal to the Soviet and Post Soviet Politics and Society SPPS book series founded 2004 and edited by Andreas Umland Dr phil PhD

Russian Pulp Anthony Olcott, 2001 The detektiv Russia's version of the murder mystery has conquered what in Soviet days loved to call itself the most reading nation on earth Most Russians don't read much Tolstoy but they devour the lurid covers and cheap paper of the detektivs by the millions Serials based on the works of two of the most popular authors Andrei Kivinov and Aleksandra Marinina have been hits of the last few TV seasons their characters now

a part of Russian everyday life The ubiquity of the detektiv may puzzle Westerners who may conclude that this is a post Soviet import like McDonalds Not so Russia sprouted its own versions of penny dreadfuls as soon as peasants came off the land and learned to read The guardians of Russia s high culture however were enraged by this pulpy popular genre and so contrived under the Soviets to suppress it making everyone read improving and uplifting literature instead Russia s junk readers hung on though snatching up the few detektivs that made their way through censorship until in the Gorbachev era the genre blossomed as the perfect vehicle for social criticism the detektiv talked about social problems in a way that was exciting enough that people wanted to read it When the Soviet Union finally collapsed one of the few things left standing in the rubble was the detektiv which now is sold on every street corner and read on every bus The first full length study of the genre Russian Pulp demonstrates that the detektiv is no knock off Summarizing and quoting extensively from scores of novels this study shows that Russians understand law breaking and crime policemen and criminals in ways wholly different from those of the West After explaining why solving a crime is always a social function in Russia Russian Pulp examines the staples of crime fiction sex theft and murder to demonstrate that Russians see police officer and criminal thief and victim as part of a single continuum To the Russians both chased and chaser are products of human imperfection separated from one another only by the imperfect laws of human creation What both criminal and policeman seek but seldom find is the much rarer quality of justice Russian Pulp is intended for all students of Russia from those making first acquaintance to those who have worked for years to understand this puzzling country and its people Using the detektiv and its counterpart the many mysteries and thrillers set in Russia but written by Westerners as evidence Russian Pulp demonstrates that Russians and Westerners view the basic issues of crime guilt justice law and redemption in such fundamentally different ways as to make each people incomprehensible to the other At the same time however Russian Pulp also demonstrates that Westerners and Russians alike share a passion for literary gore pulp fiction thrills and the deep furtive pleasures of junk fiction

Socialist Fun Gleb Tsipursky, 2016-09-03 Most narratives depict Soviet Cold War cultural activities and youth groups as drab and dreary militant and politicized In this study Gleb Tsipursky challenges these stereotypes in a revealing portrayal of Soviet youth and state sponsored popular culture The primary local venues for Soviet culture were the tens of thousands of clubs where young people found entertainment leisure social life and romance Here sports dance film theater music lectures and political meetings became vehicles to disseminate a socialist version of modernity The Soviet way of life was dutifully presented and perceived as the most progressive and advanced in an attempt to stave off Western influences In effect socialist fun became very serious business As Tsipursky shows however Western culture did infiltrate these activities particularly at local levels where participants and organizers deceptively cloaked their offerings to appeal to their own audiences Thus Soviet modernity evolved as a complex and multivalent ideological device Tsipursky provides a fresh and original examination of the Kremlin s paramount effort to shape young lives consumption popular culture and to build an

emotional community all against the backdrop of Cold War struggles to win hearts and minds both at home and abroad

Czech Security Dilemma Jan Holzer, Miroslav Mareš, 2019-07-01 This volume examines the future directions of Czech international policy through an interdisciplinary analysis of both historical and current Russian Czech relations It analyses Czech relations with Russia based on their historical heritage underpinned by the superpower s behaviour and interests in the Central European region The book s central theme is the current Czech security dilemma in which the Czech political community perceives Russia as a security threat but also would prefer to cooperate with Russia to ensure its security The authors give a full overview and explanation of Czech Russian relations while also explaining the current dilemmas within the Czech Republic s political cultural and economic community Communism Unwrapped Paulina Bren, Mary

Neuburger, 2012-09-06 Communism Unwrapped reveals the complex world of consumption in Cold War Eastern Europe

exploring the ways people shopped ate drank smoked cooked acquired assessed and exchanged goods **The Near Abroad** Zbigniew Wojnowski, 2017-06-16 From the Soviet perspective Eastern Europe was the near abroad more accessible than the capitalist West yet also unambiguously foreign Observing their western neighbours citizens of the USSR developed new ideas about the role of states borders and national identities in the Soviet empire In The Near Abroad Zbigniew Wojnowski traces how Soviet Ukrainian identities developed in dialogue and confrontation with the USSR s neighbours in Eastern Europe The author aptly challenges the dominant chronologies of late Soviet history by arguing that patriotism framed heated debates about the future of the Soviet state even amongst the rising tide of cynicism and disengagement from public life Wojnowski s insightful analysis illuminates the mental geographies that continue to shape relations and conflicts between Russia Ukraine and Eastern Europe to this very day Unlike most other histories of Ukraine The Near Abroad does not reduce Ukrainian nationalism to anti Soviet views and behaviours Russian "Hybrid Warfare" Ofer Fridman, 2018-08-01 During the last

decade Hybrid Warfare has become a novel yet controversial term in academic political and professional military lexicons intended to suggest some sort of mix between different military and non military means and methods of confrontation Enthusiastic discussion of the notion has been undermined by conceptual vagueness and political manipulation particularly since the onset of the Ukrainian Crisis in early 2014 as ideas about Hybrid Warfare engulf Russia and the West especially in the media Western defense and political specialists analyzing Russian responses to the crisis have been quick to confirm that Hybrid Warfare is the Kremlin s main strategy in the twenty first century But many respected Russian strategists and political observers contend that it is the West that has been waging Hybrid War Gibrinaya Voyna since the end of the Cold War In this highly topical book Ofer Fridman offers a clear delineation of the conceptual debates about Hybrid Warfare What leads Russian experts to say that the West is conducting a Gibrinaya Voyna against Russia and what do they mean by it Why do Western observers claim that the Kremlin engages in Hybrid Warfare And beyond terminology is this something genuinely new **Late Stalinism** Evgeny Dobrenko, 2020-07-14 How the last years of Stalin s rule led to the formation of an imperial

Soviet consciousness In this nuanced historical analysis of late Stalinism organized chronologically around the main events of the period beginning with Victory in May 1945 and concluding with the death of Stalin in March 1953 Evgeny Dobrenko analyzes key cultural texts to trace the emergence of an imperial Soviet consciousness that he argues still defines the political and cultural profile of modern Russia Being Soviet Timothy Johnston, 2011-08-18 *Being Soviet* adopts a refreshing and innovative approach to the crucial years between 1939 and 1953 in the USSR It examines how the language of Soviet identity evolved in this period and how ordinary citizens responded to that shift

Security Threats and Public Perception Elizaveta Gaufman, 2016-10-27 Countless attempts at analyzing Russia's actions focus on Putin to understand Russia's military imbroglio in Ukraine hostility towards America and disdain of Gayropa This book invites its readers to look beyond the man and delve into the online lives of millions of Russians It asks not the question of what the threats are to Russia's security but what they are perceived to be by digital Russia The author examines how enemy images are manufactured threats magnified stereotypes revived memories implanted and fears harnessed It looks at the legacy of the Soviet Union in shaping discussions ranging from the Ukraine crisis to the Pussy Riots trial and explores the complex inter relation between enemy images at the governmental level and their articulation by the general public By drawing on the fields of international relations memory studies visual studies and big data this book addresses the question of why securitization succeeds and why it fails Security theory meets the visual turn and goes to Russia where old tsarist and Soviet tropes are flooding the internet in support of Putin's neo tsarism A magical mystery tour that comes recommended Iver B Neumann author of *Russia and the Idea of Europe* The novelty of her approach is in going beyond the traditional top down perspective and capturing the receptivity and contribution of various social groups to securitized discourses Andrei P Tsygankov author of *Russia's Foreign Policy Change and Continuity in National Identity* When do scary proclamations of security threats attract an audience When does securitization work *Security Threats and Public Perception* combines in depth analysis of the Ukraine Crisis in the Russian digital media with discourse theory to make an innovative argument about how and when people believe that they are insecure A must read Laura Sjoberg Assistant Professor of Political Science University of Florida USA

Paganism, Traditionalism, Nationalism Kaarina Aitamurto, 2016-05-05 Rodnoverie was one of the first new religious movements to emerge following the collapse of the Soviet Union its development providing an important lens through which to view changes in post Soviet religious and political life Rodnovers view social and political issues as inseparably linked to their religiosity but do not reflect the liberal values dominant among Western Pagans Indeed among the conservative and nationalist movements often associated with Rodnoverie in Russia traditional anti Western and anti Semitic rhetoric has recently been overshadowed by anti Islam and anti migrant tendencies Providing a fascinating overview of the history organisations adherents beliefs and practices of Rodnoverie this book presents several different narratives as a revival of the native Russian or Slavic religion as a nature religion and as an alternative to modern values and lifestyles

Drawing upon primary sources documents and books this analysis is supplemented with extensive fieldwork carried out among Rodnoverie communities in Russia and will be of interest to scholars of post Soviet society new religious movements and contemporary Paganism in general

A Rhetorical Crime Anton Weiss-Wendt, 2018-05-10 No detailed description available for A Rhetorical Crime

The Post-Soviet Politics of Utopia Mikhail Suslov, Per-Arne Bodin, 2019-09-19 More than 700 utopian novels are published in Russia every year These utopias meaning here fantasy fiction science fiction space operas or alternative history do not set out merely to titillate instead they express very real Russian anxieties be they territorial right sizing loss of imperial status or turning into a colony of the West Contributors to this innovative collection use these narratives to re examine post Soviet Russian political culture and identity Interrogating the intersections of politics ideologies and fantasies chapters draw together the highbrow literary mainstream authors such as Vladimir Sorokin mass literature for entertainment and individuals who bridge the gap between fiction writers and intellectuals or ideologists Aleksandr Prokhanov for example the editor in chief of Russia s far right newspaper Zavtra In the process The Post Soviet Politics of Utopia sheds crucial light onto a variety of debates including the rise of nationalism right wing populism imperial revanchism the complicated presence of religion in the public sphere the function of language and is important reading for anyone interested in the heightened importance of ideas myths alternative histories and conspiracy theories in Russia today

Informal Nationalism After Communism Abel Polese, Oleksandra Seliverstova, Emilia Pawlusz, Jeremy Morris, 2018-03-20 Since the collapse of the Soviet Union nation building and identity construction in the post socialist region have been the subject of extensive academic research The majority of these studies have taken a top down approach focusing on the variety of ways in which governments have sought to define the nascent nation states and in the process have often oversimplified the complex and overlapping processes at play across the region Drawing on research on the Balkans Central Asia the Caucasus and Eastern Europe this book focuses instead on the role of non traditional non politicised and non elite actors in the construction of identity Across topics as diverse as school textbooks turbofolk and home decoration contributors each an academic with extensive on the ground experience identify and analyse the ways that individuals living across the post socialist region redefine identity on a daily basis often by manipulating and adapting state policy In the process Nation Building in the Post Socialist Region demonstrates the necessity of holistic trans national and inter disciplinary approaches to national identity construction rather than studies limited to a single state territory This is important reading for all scholars and policymakers working on the post socialist region

Little Soldiers Olga Kucherenko, 2011-01-13 Germany s war against the Soviet Union raised a small army of child soldiers Thousands of those below the enlistment age served with regular and paramilitary formations even though they were not formally mobilised or allowed at the front For several decades after the war these youngsters played an important part in Soviet remembrance culture though their true experiences were obscured by the myth of the Great Patriotic War Situated at the crossroads of social cultural and military

history *Little Soldiers* is the first to tell the story of the Soviet Union's child soldiers in a critical and systematic fashion. Focusing on the mechanisms and psychological consequences of propaganda on Soviet children as well as their combat deployment, Kucherenko adopts a three-tier approach to writing the history of childhood: from above, from below, and from within. A wide variety of new sources provide insight into young soldiers' combat motivations and the roles they played in the field, as well as their routine experiences and relationship with older comrades. Far from being victims, Soviet child soldiers emerge as independent social actors capable of making choices about their behaviour. *Little Soldiers* interconnects with matters of increasing importance: the role of propaganda in military conflicts, the totalization of warfare, child soldiering, and social reflexivity.

Stalin's Last Generation Juliane Furst, 2010-09-30

Stalin's last generation was the last generation to come of age under Stalin, yet it was also the first generation to be socialized in the post-war period. Its young members grew up in a world that still carried many of the hallmarks of the Soviet Union's revolutionary period, yet their surroundings already showed the first signs of decay, stagnation, and disintegration. Stalin's last generation still knew how to speak Bolshevik; still believed in the power of Soviet heroes and still wished to construct socialism, yet they also liked to dance and dress in Western styles, they knew how to evade boring lectures and lessons in Marxism-Leninism, and they were keen to forge identities that were more individual than those offered by the state. In this book, Juliane Furst creates a detailed picture of late Stalinist youth and youth culture, looking at young people from a variety of perspectives: as children of the war, as recipients and creators of propaganda, as perpetrators of crime, as representatives of fledgling subcultures, as believers, as critics, and as drop-outs. In the process, she illuminates not only the complex relationship between the Soviet state and its youth, but also provides a new interpretative framework for understanding late Stalinism, the impact of which on Soviet society's subsequent development has hitherto been underestimated, including its role in the ultimate demise of the USSR.

The Top Books of the Year
Obraz Vraga
The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Let's delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year.

Obraz Vraga : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph.

Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Obraz Vraga : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Obraz Vraga Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to

historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Obraz Vraga free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Obraz Vraga free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Obraz Vraga free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Obraz Vraga. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Obraz Vraga any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Obraz Vraga Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including

classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Obraz Vraga is one of the best book in our library for free trial. We provide copy of Obraz Vraga in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Obraz Vraga. Where to download Obraz Vraga online for free? Are you looking for Obraz Vraga PDF? This is definitely going to save you time and cash in something you should think about.
