## **Occupation Of Japan The Rhetoric And The Reality Of Anglo Australian Relations 1930 195:**

The Occupation of Japan George Neville Davies, 2001 George Davies was a member of the first contingent of New Zealanders who left Italy to join the British Commonwealth Occupation Force BCOF in Japan In this penetrating study he throws a searchlight into the shadowy origins and outcomes of BCOF He provides a unique analysis of the relative contributions of Australia New Zealand and the United Kingdom to World War II in the Middle East and the Pacific and of the tensions in Anglo Australasian relations before and during the occupation of Japan A well documented and realistic account of a rare experience in social engineering it charts the establishment of a working democratic constitutional monarchy in a country devastated by war and years of authoritarian rule Through recently accessed information from documents on behind the scenes activities this fascinating contribution to military history reconstructs a sense of the dynamics of the times
