Don't Touch! Heather Piper, Ian Stronach, 2008-03-07 This is the first book in the UK to explore the problems involved in touching children in an educational environment the book uses real life examples taken from Heather Piper's ground breaking research into the mentality of today's risk culture

Gossip and Organizations Kathryn Waddington, 2012 Gossip is a complex and ubiquitous phenomenon widely found and variously practiced *Gossip and Organizations* provides the reader with an analysis of gossip and informal knowledge across different national organizational and cultural contexts drawing upon empirical findings and the author's experiences of researching gossip in nursing and healthcare organizations and higher educational institutions Kathryn Waddington aims to dispel once and for all the myth that women gossip and men have conversations shattering the illusion that gossip at work is trivial talk This book challenges the assumption that gossip is a problem that should be discouraged While there is undoubtedly a dark side to gossip Kathryn Waddington argues that paying closer attention to gossip as organizational communication and knowledge enables exploration of other ways of seeing interpreting and understanding organizations Gossip is not merely an impediment of organizing it is a form of organizing which shapes perceptions and actions and can forewarn managers of future failure in

organizational systems The complexity of gossip is such that a of range inter disciplinary explanations is necessary in order to account for this form of communication and knowledge across multiple levels and spaces in and around organizations Waddington provides a new evidence based framework incorporating ethics emotion identity sensemaking and power as a guide future research theorizing and critical reflective and reflexive practice in the field of organizational gossip

Congress. House. Committee on Armed Services,1971 Hearings Before and Special Reports Made by Committee on Armed Services of the House of Representatives on Subjects Affecting the Naval and Military Establishments , **A Syntactic Study of Idioms** Anna Dąbrowska,2018-09-30 Since the general tendencies of present day English focus more on idiomatic usage it seems to be worth paying attention to the role phraseological units play in a language In the field of English phraseology linguists have shown a constant interest in idioms Undoubtedly not only are idioms an important part of the language and culture of the society but they also carry more impact than non idiomatic expressions because of their close identification with a particular language and culture It is difficult to speak or write English without using idioms especially while describing one s emotional or mental condition Therefore it is interesting and worthwhile to to analyse both the language of phraseological units and emotions In other words this book focuses not only on idioms but also on one s psychological condition However its purpose is neither to discuss the issues of idioms and emotions from the psychological point of view nor provide a conceptual analysis of emotional metaphors Instead the book analyses

idioms referring to psychological states in English from the perspective of syntax focusing particularly both on the syntactic structure of this specific set of verbal psych idioms and on the constraints on the way they are built Therefore the most current studies performed within the scope of the Phase Theory and the Idioms as Phases Hypothesis are chosen to address certain syntactic problems that idioms pose

A House Full of Secrets Zoe Miller, 2017-08-03 All she sees is the perfect man but what is he hiding An invitation to visit Niall's childhood home is too good an opportunity for Vikki to pass up This is the chance she's been waiting for to get closer to her friend and to meet the family he's always been so cryptic about But when Vikki arrives at the beautiful but remote Lynes Glen on Ireland's west coast and finally meets Niall's estranged brother Alex and his overbearing sister Lainey she realises that this reunion will be far from heart warming As Vikki fails to convince any of them that she saw a mysterious woman at the lake off limits since a tragic accident strange and sinister incidents begin to happen at the Blake family home What secrets are they keeping And why exactly did Niall ask Vikki to join him for the weekend
