Croft,1995-02-22 Anne Tyler is one of America s most significant contemporary writers This book is a solid introduction to her life and work It includes the first biography of Tyler along with a record of her writings and the response to her work It incorporates source materials from the Anne Tyler Papers at Duke University and letters from Tyler to the author The volume lists all of Tyler s novels short stories articles and book reviews and provides an annotated bibliography of critical studies The first half of the book is a biography of Tyler The author describes her childhood in a North Carolina commune her high school years in Raleigh her college years at Duke and her earliest writing efforts The biography charts the development of her life and career through her marriage motherhood early novels and stories her life in Baltimore and career as a book reviewer her rise to fame and the themes of her major works The bibliography that follows lists her novels short stories nonfiction articles and essays poetry children s books book reviews and the manuscripts in her papers at Duke University along with an annotated secondary bibliography *Faith and Fiction* Anita Gandolfo,2007-08-30 In recent years there has been an explosion in the market for fiction on religious topics and themes most notably Dan Brown s *The Da Vinci Code* The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications it is emblematic of the contemporary American Zeitgeist Traditionally literature is both mirror and lamp reflecting the society that produces it and illuminating the values and interests of that society Recognizing both of those perspectives Gandolfo examines Christian literature s place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available The phenomenon surrounding Dan Brown s *The Da Vinci Code* has led to a cottage industry of interpretations attacks and commentaries but one thing is certain the book has had an enormous impact on American society culture and religious understanding not to mention the publishing industry which scrambles to find similar religious books to feed to an eager public But *The Da Vinci Code* is not the only book of its type on the market today In recent years there has been an explosion in the market for fiction on religious topics and themes with an entire series devoted to the impending Rapture as described in the *Left Behind* series Some fiction does not take an explicitly religious theme as these books do Instead writers like Andre Dubus and Ron Hansen imbue their creative work with spiritual and religious themes embedded in the everyday lives and concerns of their characters Regardless of the specific approach what is not in doubt is that American readers have made the authors of these works wealthy as bookstores cannot stock their shelves with enough copies Why the recent surge of interest in Christian fiction How does it reflect trends in our culture and our lives How has it changed our society and our understanding of spirituality and religion How accurate are these books in terms of the theology they espouse The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any

overt religious meaning and is significant in its political and social implications it is emblematic of the contemporary American Zeitgeist Traditionally literature is both mirror and lamp reflecting the society that produces it and illuminating the values and interests of that society Recognizing both of those perspectives Faith and Fiction examines Christian literature's place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available
