6 Seconds of Darkness Octavus Roy Cohen, 2022-05-17 In 6 Seconds of Darkness Octavus Roy Cohen weaves a web of deceit and intrigue encapsulating the essence of traditional whodunit novels with a unique twist Set against the backdrop of a city seething with political corruption the book follows the enigmatic murder of Edward Hamilton a reformist leader Cohen s narrative is steeped in the rich tapestry of classic detective fiction seamlessly blending suspense with a complex character study His style is crisp and evocative immersing readers in a bygone era while retaining timeless relevance within its exploration of morality and justice The author paints a vivid literary landscape revealing the entangled human motivations in the mire of the city s politics Octavus Roy Cohen known for his adroit storytelling and profound understanding of human character seemingly draws upon his extensive experience and societal observations in penning 6 Seconds of Darkness His insight into the psyche

of his characters suggests a familiarity with the shadowy corners of both the human heart and the political arena Infusing his tale with authenticity Cohen s background in crafting narratives that echo the complexities of human nature and societal discord is evident in this compelling murder mystery Cohen s *6 Seconds of Darkness* is a must read for aficionados of the genre merging classic detective tropes with a modern sensibility It challenges readers to unravel the tangled lies presenting a puzzle that delights in its complexity Crisp dialogue meticulous plotting and a gallery of multifaceted characters ensure this novel not only entertains but also holds a mirror to the perennial struggle against societal decay Cohen s tale is an exemplary piece for those who relish cerebral engagement wrapped within the comforts of a well told story *Six Seconds of Darkness*

Octavus Roy Cohen,2021-07-15 The leader of a reformist political movement to root out political corruption in the city Edward Hamilton is murdered and the local Police Department is mightily confused when three people turn themselves in as the killer and confess the murder First one is the victim s beautiful ward second one is an elderly loon who for years has been accusing the victim of swindling him and the third and final one is the fiancée of the beautiful ward Police Commissioner Hall pulls the atypical move and turns over this high interest murder investigation to a private investigator David Carroll believing he is the only one who can solve the mystery ***A Shot in the Dark: A History of the U.S. Army Asymmetric Warfare Group***

Paul J. Cook,2024-05-14 This book presents the U S Army Asymmetric Warfare Group AWG as an example of successful change by the Army in wartime It argues that creating the AWG required senior leaders to create a vision differing from the Army s self conceptualization change bureaucratic processes to turn the vision into an actual unit and then place the new unit in the hands of uniquely qualified leaders to build and sustain it In doing this it considers the forces influencing change within the Army and argues the two most significant are its self conceptualization and institutional bureaucracy The work explores three major subject areas that provide historical context The first is the Army s institutional history from the early 1950s through 2001 This period begins with the Army seeking to validate its place in America s national security strategy and ends with the Army trying to chart a path into the post Cold War future The Army s history is largely one of asymmetric warfare The work thus examines several campaigns that offered lessons for subsequent wars Some lessons the Army took to heart others it ignored As the AWG was a direct outgrowth of the failures and frustrations the Army experienced in Afghanistan and Iraq the book examines these campaigns and identifies the specific problems that led senior Army leaders to create the AWG Finally the work chronicles the AWG s creation in 2006 growth and re assignment from the Army staff to a fully fledged organization subordinate to the U S Army Training and Doctrine Command in 2011 to its deactivation This action resulted not from the unit s failure to adapt to a post insurgency Army focusing on modernization Rather it resulted from the Army failing to realize that while the AWG was a product of counterinsurgency it provided the capability to support the Army during a period of great strategic and institutional uncertainty ***Shot in the Dark*** Sum Saxworth,2013 *Shot in the Dark* first in the *Dark Steel* Novel series uncovers an explosive government connection arising out

of a sequence of sniper murders that lead directly to the presidential candidates for the 2012 elections This exciting crime and suspense thriller opens with a nail biting teaser that will fire up the reader s imagination As the story chillingly unfolds a psychotic killer dancing as a puppet on a string for the highest office in the country lets loose a reign of terror in the starry city of San Francisco Private detective Della Steel is sexy and unpredictable with a backbone of steel and an affinity with knives She s a strong and tech savvy sleuth who can play as dirty as the big boys But can she solve the most convoluted and high profile case of her career even with the help of handsome psycho analyst Darren Hunt who fires up her hormones Will their professional relationship develop into something more exciting or will the killer mark her first This fast paced suspense novel weaves intricate intrigue with a memorable cast of characters and cleverly reaches its climax with wit character and heart A long golden path yet to tread With pitfalls along the way The essence of life is out there somewhere Need just a whiff persevere you may *Shot in the Dark* Janet M. Shots in the Dark Shoji Yamada,2020-06-24 In the years after World War II Westerners and Japanese alike elevated Zen to the quintessence of spirituality in Japan Pursuing the sources of Zen as a Japanese ideal Shoji Yamada uncovers the surprising role of two cultural touchstones Eugen Herrigel s Zen in the Art of Archery and the Ryoanji dry landscape rock garden Yamada shows how both became facile conduits for exporting and importing Japanese culture First published in German in 1948 and translated into Japanese in 1956 Herrigel s book popularized ideas of Zen both in the West and in Japan Yamada traces the prewar history of Japanese archery reveals how Herrigel mistakenly came to understand it as a traditional practice and explains why the Japanese themselves embraced his interpretation as spiritual discipline Turning to Ryoanji Yamada argues that this epitome of Zen in fact bears little relation to Buddhism and is best understood in relation to Chinese myth For much of its modern history Ryoanji was a weedy neglected plot only after its allegorical role in a 1949 Ozu film was it popularly linked to Zen Westerners have had a part in redefining Ryoanji but as in the case of archery Yamada s interest is primarily in how the Japanese themselves have invested this cultural site with new value through a spurious association with Zen
