Secret Societies And Subversive Movements:

Secret Societies and Subversive Movements Nesta Helen Webster, 1924 *Secret Societies and Subversive Movements* Nesta Webster, 2010-05 The object of the present book is in the tracing the course secret societies I shall rely as far as possible on the documents and admissions of their members on which point I have been able to collect a great deal of fresh data entirely corroborating my former thesis It should be understood that I do not propose to give a complete history of secret societies but only of secret societies in their relation to the revolutionary movement I shall therefore not attempt to describe the theories of occultism nor to enquire into the secrets of Freemasonry but simply to relate the history of these systems in order to show the manner in which they have been utilized for a subversive purpose If I then fail to convince the incredulous that secret forces of revolution exist it will not be for want of evidence **Secret Societies and Subversive Movements** Nesta H. Webster, 2000 One of the best books on secret societies ever written Webster was an historical writer who wrote a number of books on the French Revolution After World War I she was intrigued with the Marxist revolt so wrote World Revolution examining how and why people continue to revolt As her search went deeper clear meanings surfaced behind our revolutions and they involved an agenda by secret societies This book lays out in historical perspective how these secret societies and subversive movements have operated from behind the scenes Not all of them aspire to rule the world or manipulate politics or world currency but there are some major ones according to Webster that are As a respected writer and world historian she provides proof from within these pages *Secret Societies and Subversive Movements* Nesta Helen Webster, 1969 Secret Societies and Subversive Movements H. Nesta Webster, 2008-09-01 **The Dark Underground** Nesta Webster, 2018-07-26 Widely accepted as one of the best books on secret societies ever written and a must have for all scholarly collections on secret societies and occultism Nesta Webster was an historical writer who wrote a number of books on the French Revolution After World War I she was intrigued with the Marxist revolt resulting in the book World Revolution examining how and why people continue to revolt As she went deeper in her research Webster discovered a secret agenda which appears to have been instrumental in the formation of various revolutions around the world This book lays it all out in historical perspective how these secret societies and subversive movements have operated from behind the scenes Not all of them aspire to rule the world or manipulate politics or world currency but there are some major ones according to Webster that are As a respected writer and world historian she provides proof from within this powerful book **Secret Societies And Subversive Movement** Nesta H. Goldwag,2009-08-11 Did you know Freemasonry s first American lodge included a young Benjamin Franklin among its members The Knights Templar began as impoverished warrior monks then evolved into bankers Groom Lake Dreamland Homey Airport Paradise Ranch The Farm Watertown Strip Red Square The Box are all names for Area 51 An indispensable guide Cults Conspiracies and Secret Societies connects the dots and sets the record straight on a host of greedy gurus and murderous messiahs crepuscular cabals and suspicious coincidences Some topics are familiar the Kennedy assassinations the Bilderberg Group the Illuminati the People s Temple and Heaven s Gate and some surprising like Oulipo a select group of intellectuals who created wild formulas for creating literary masterpieces and the Chauffeurs an eighteenth century society of French home invaders who set fire to their victims feet

Secret Societies John Lawrence Reynolds,2011-09-01 They generate fear suspicion and above all fascination Secret societies thrive among us yet they remain shrouded in mystery Their secrecy suggests to many sacrilege or crime and their loyalties are often accused of undermining governments and tipping the scales of justice The Freemasons for example hold more seats of power in the U S government than any other organization No fewer than sixteen presidents have declared their Masonic affiliation and there may have been more Secret societies have infiltrated pop culture as well Celebrity members of Kabbalah include Madonna Demi Moore and Elizabeth Taylor among others From the Mafia and the Yakuza to the Priory of Sion Skull and Bones and the Templars Reynolds offers an illuminating and entertaining exploration of the stories confirmed and fabricated that surround these societies as well as provides detailed information on their origins initiations rituals and secret signs Dispelling myths and providing gripping revelations such as a direct historical link between the Assassins of the Middle Ages and today s Al Qaeda Secret Societies gives us a smart surprising look at the best known and often least understood covert organizations

Founding Fathers, Secret Societies Robert Hieronimus,2005-12-28 An exploration of the influence of secret societies on the formative documents and symbols of the United States Reveals the Founding Fathers spiritual vision for America as encoded in the Great Seal Traces the influence of the Iroquois League of Nations upon the Constitution Exposes the deep connections the Founding Fathers had with the Freemasons and other secret societies All children growing up in America learn who the Founding Fathers were Most however never learn of the founders connections to the Freemasons the Rosicrucians and other esoteric orders In Founding Fathers Secret Societies Robert Hieronimus investigates these important connections and how their influence can be traced throughout our most significant national documents and symbols especially the Great Seal He reveals in detail how the reverse of the Great Seal which appears on the back of the one dollar bill is a blueprint that conveys the secret destiny of America By understanding the kabbalistic meaning of the Great Seal s reverse he shows how our current era presents unique opportunities for the fulfillment of our Founding Fathers spiritual vision

are growing like plagues in the Western world These phenomena have baffled modern educators and conventional rationalists since such activities seem to be completely opposed to everything that the public schools have taught for over a hundred years Worst of all in the minds of conventional secularists all this discussion of demonic forces may lead to an even more appalling conclusion the idea that God also a supernatural force may reappear in the modern post Christian world At all costs a God who can make himself felt in time and on earth must be avoided Mysticism is one thing totally internalized but supernatural forces are not supposed to have any impact on external so called phenomenal affairs Occultism is another form of humanism It is the product of the quest for power apart from God and His law order It was not a major force in the so called Dark Ages Not until the fifteenth century did witchcraft become a serious problem in Europe and it was the Renaissance not medievalism which sparked the great explosion of demonism and magic in the sixteenth century During the period of the early Middle Ages A D 500 1000 there were practically no signs of witchcraft in Europe Only with the revival of ancient Gnosticism and the invasion of Middle Eastern dualism did signs of widespread witchcraft reappear Occultism and humanism are not sworn enemies they are first cousins It was only the influence of Christian principles which laid such stress on the orderliness of God s universe that made possible the confidence of modern rationalists in denying the influence of supernatural forces As the confidence in creation law has waned in this century rational humanism has become increasingly unsuccessful in retarding the expansion of occult humanism This Journal of Christian Reconstruction offers readers the necessary evidence for a refutation of the familiar charge that occultism and religion necessarily go together and that only a hard headed rationalism can restrain the forces of spiritual anarchy Far from retarding occultism modern rationalism s blindness to the reality of occult forces is now creating a perverse inquisitiveness on the part of modernism s children who have learned to be critical of everything including old fashioned rationalism The philosophy of the open universe closed to God has produced the new occult experimentalism If anything except Christian orthodoxy might be true why not find out through personal observation and experiment Since 1965 the Western world has faced the greatest explosion of occultism that it has seen in three hundred years This time no one can blame orthodox Christianity it has been the secularists who have wielded the power
