Feeling lonely and neglected, Geneva bonds with Samuel Owens, a colleague who is having marital trouble of his own. Soon their relationship blossoms into an uncontrollable affair. Bored with her husband, Samuel is dead set against having a child with him. Vivana Owens is biding her time until she's ready to leave, and she's spending it with Johnny Mayfield. It's just a fling until Vivana becomes obsessed with Johnny, especially once he tries to win back his wife. But affairs don't end easy, and soon one of the unfaithfuls will end up dead, one will end up in jail, and one just might get away with murder. First love is an experience in the life of an author who fails, breaks up because of different opinions and habits, and the power within the mind's feelings does not tune into each other. The differences in views make me unhappy. There are always problems in my love. The author's first love was to be caused not by love but by fun, and since I did not choose to create a love for ourselves, I did not choose to match our personality. So love is unable to move on, must stop. The authors began to study the mind's energy, also known as psychic powers related to human life. It's a psychic within us, and it has tremendous strength to create our own lives. The authors began to study the power of the mind from many teachers and meditation. We are practicing to define ourselves to live with what felt good and happy so that inside we felt calm. The Law of Attraction in science is famous worldwide now, which is the law of truth. At heart, you're going to get through the crisis. Just understand these three rules: the law of nature, the Law of Life, and the Law of the Universe. Your life can be free from problems and change lives. The law of attraction is with humans and all things in this world that we call the law of cause and effect. Our lives are the ones that attract things into our own lives. All the things we get are born out of our minds attracting them all into our lives. Suppose we have problems or can't fix them. You're just conscious. We must first solve it from our inner psyche, and you will be the lucky one all the time. The authors studied the law of attraction rules. The authors found a second love with a foreign man. The author finds love a second time by the law of attraction, which the author creates deliberately. The author creates a second love to me. The author finds love with a foreign American USA man through online love media, helping connect media to meet, bringing us together.
