**Business Model Pioneers** Kai-Ingo Voigt, Oana Buliga, Kathrin Michl, 2016-07-28 Business model innovations are conceived and implemented by a special type of entrepreneur business model pioneers This book presents 14 compelling case studies of business model pioneers and their companies who have successfully introduced new business ideas to the market The examples range from industries such as retail media and entertainment to services and industrial projects For each example the book provides information on the market environment at the time of launch and illustrates the driving forces behind these business models Moreover current market developments are highlighted and linked to the evolution of the business models Lastly the authors present the profile of a typical business model pioneer      The Growth Director's Secret Andrew Brent, 2017-01-26 Shortlisted for the CMI's Management Book of the Year Award 2018 and the Business Book Awards 2018 Growth can be the most important attribute that any business can have and yet is commonly the least well managed area of a business operations Explaining why this is The Growth Director's Secret examines the structural cultural factors that hold many conventionally organized companies back The book explores important new insights from neurological research which reveal near universal misunderstandings about consumer motivations shopping behaviour and brand choice Andy Brent shows how these flaws lead many businesses to develop bland undifferentiated consumer propositions and wasteful commercial marketing plans which condemn them to year upon year of stagnant growth The book challenges much current commercial and marketing thinking and introduces important new ideas such as The Big Growth Mistake that almost all companies make Shopping on Auto pilot the crucial Moments of Maximum Emotional Impact MoMIs where all brand choice decisions are made and Marketing at Open Minds a challenging new way to think about building growth orientated marketing plans The Growth Director's Secret is essential reading for business owners and managers proposing a challenging and innovative Growth Paradigm for companies who want to break the constraints of conventional business thinking and set themselves up for significant sustained profitable growth      The Monster Michael W. Hudson, 2010-10-26 Who killed the economy A page turning true crime exposé of the subprime salesmen and Wall Street alchemists who produced the biggest financial scandal in American history It's hard to have a guilty conscience if you don't have a conscience Anything that benefited production that benefited me and benefited my wallet I'd do it The sales force at Ameriquest Mortgage took this philosophy to heart They watched the Hollywood white collar crime flick Boiler Room as a training tape studying how to pitch overpriced deals to unsuspecting home owners They learned how to forge signatures on mortgage paperwork and create fake documents in cut and paste operations they dubbed The Lab or The Art Department In this stunning narrative award winning reporter Michael W Hudson reveals the story of the rise and fall of the subprime mortgage business by chronicling the rise and fall of two corporate empires Ameriquest and Lehman Brothers As the biggest subprime lender and

Wall Street's biggest patron of subprime Ameriquest and Lehman did more than any other institutions to create the feeding frenzy that emboldened mortgage pros to flood the nation with high risk high profit home loans. It's a tale populated by a remarkable cast of characters: a shadowy billionaire who created the subprime industry out of the ashes of the 1980s; Wall Street executives with an insatiable desire for profit; struggling home owners ensnared in the most ingenious of traps; lawyers and investigators who tried to expose the fraud; politicians and bureaucrats who turned a blind eye; and most of all, the drug snorting high living salesmen who tell all about the money they made, the lies they told, the deals they closed. Provocative and gripping, *The Monster* is a searing exposé of the bottom feeding fraud and top down greed that fueled the financial collapse.
