Secrets To Real Estate Success Increase Your Efficiency And Profits In 90 Days Or Less:

Secrets to Real Estate Success Jerry Pujals, 2006-02 70% of all real estate agents quit the business within 18 months. It's true. Yet only 3% of all agents ever reach the ranks of the top producers. What about you? What are your thoughts about your career as a real estate agent? Are you satisfied with your sales performance? Do you wish you could do better? Do you watch one or two star performers in your community and wonder how they do it? If you are a new agent, how would you like to avoid the bad habits that slow people down and shorten your learning curve to success? If you are a veteran agent, how would you like to enhance your current success and bring your real estate career to a whole new level? Now you can. **Secrets to Real Estate Success** shows you how to develop the mindset and hone the high impact habits that will propel you to the top. Are you ready for your new life? We know you're busy. We know you have lots of clients to take care of and you have a family too. That's why Jerry designed this book so it's a quick and easy read. He purposely kept each chapter short so you can quickly read it while you're in your car, in between appointments, or waiting for your client to arrive. Each chapter covers one key area you need to improve upon to reach that top 3%. Where appropriate, you will find action items, exercises, and scripts so you can embark on your new journey prepared and confident. By utilizing the information in this book and practicing it consistently, you will reach that elusive 3%. Whether you're a real estate pro looking to reach the next level or a newbie fresh out of school and looking for reliable information, this book will give you the edge you need. You'll sell more homes, work fewer hours, and have more fun in the process. Sure, it will take some work on your part initially, but the rewards will be worth it. *Kick It Up a Notch Marketing*, Al Latenslager, Al Lautenslager, Jerry Pujals, 2006 *California Real Estate*, 2001 **System**, 1917
