Secrets Of Weather Hope:

Secrets of Weather and Hope Sue Sinclair, 2001 Cumulus These are the carriers Their large mild bodies make us think of domesticity of milk Mammalian they hold the rain in their bellies a generous temperament They too are susceptible to time but more graceful than us Unafraid they will let go when they must They breathe more deeply and know something of sadness Their bodies are sympathetic Rain is what they know best and least Sue Sinclair's poems speak from that precise place where our perception of the world and our capacity for language meet and embrace where our sense of experience goes to get sharpened and refreshed That experience might involve the inner lives of clouds the flourishing and passing of a tulip the evocative scent of wolf willow or the intricate arts of Bach and Virginia Woolf These poems are deft musical and quick in the moment alive to the sensuous surface and the meditative depth their antennae fully extended The Amish Christmas Secret and The Amish Widow's Christmas Hope Vannetta Chapman, Carrie Lighte, 2021-10-26 Can true love find a way The Amish Christmas Secret by Vannetta Chapman Becca Schwartz's curiosity is going to be a problem When Amish secret millionaire Daniel Glick moves to Shipshewana for seclusion he doesn't expect his pretty new neighbor to ask so many questions Or to be so generous despite her family's poverty As Daniel falls for Becca his secret looms between them This Christmas can he finally give her the truth and his heart The Amish Widow's Christmas Hope by Carrie Lighte After inheriting her uncle's house single mother Fern Glick returns to Serenity Ridge with the intention to sell and leave town quickly But her reluctance to settle so close to former love Walker Huyard the man who broke her heart begins to falter as their children forge a bond With Christmas approaching spending the holiday together might just be enough to reignite the love they once shared USA TODAY Bestselling Author Vannetta Chapman **Prophecy Phenomena Hope** Robert A. Powell, 2011-09 14 lectures Basel April 20 May 16 1920 CW 301 Following a lecture of November 27 1919 requested by the Basel Department of Education sixty members of the audience invited Rudolf Steiner to return and deliver a complete lecture course on his approach to education These lectures are the result Rudolf Steiner begins by outlining the gradual development of the child with the help of spiritual forces and enlightened educational practices which form the basis for Steiner's approach to education He describes the problems that modern educators face and provides practical solutions Steiner explains the effects of morality on real freedom and how the development of a child's will leads to a free flexible ability to think He describes the life long effects that teachers have on children through the ways they teach in the early grades The subjects of these lectures cover a broad range from the threefold nature of the human being to the teacher's responsibility toward their students future from arts such as music and eurythmy to the problems involved in training teachers from zoology and botany to language geography and history Like many of Steiner's lectures to public audiences these are accessible and practical and provide a real overview to his ideas for renewing modern education This book is a translation of the German edition Die Erneuerung der pädagogisch didaktischen Kunst durch Geisteswissenschaft Rudolf

Kaster,2016-05-02 The emotions have long been an interest for those studying ancient Greece and Rome But while the last few decades have produced excellent studies of individual emotions and the different approaches to them by the major philosophical schools the focus has been almost entirely on negative emotions This might give the impression that the Greeks and Romans had little to say about positive emotion something that would be misguided As the chapters in this collection indicate there are representations of positive emotions extending from archaic Greek poetry to Augustine and in both philosophical works and literary genres as wide ranging as lyric poetry forensic oratory comedy didactic poetry and the novel Nor is the evidence uniform while many of the literary representations give expression to positive emotion but also describe its loss the philosophers offer a more optimistic assessment of the possibilities of attaining joy or contentment in this life The positive emotions show some of the same features that all emotions do But unlike the negative emotions which we are able to describe and analyze in great detail because of our preoccupation with them positive emotions tend to be harder to articulate Hence the interest of the present study which considers how positive emotions are described their relationship to other emotions the ways in which they are provoked or upset by circumstances how they complicate and enrich our relationships with other people and which kinds of positive emotion we should seek to integrate The ancient works have a great deal to say about all of these topics and for that reason deserve more study both for our understanding of antiquity and for our understanding of the positive emotions in general **Silas Grey Religious Conspiracy Archaeological Thriller**
