Sectarianism Analysis Of Religious And Non Religious Sects

Barry Shenker

Sectarianism Analysis Of Religious And Non Religious Sects:

Sectarianism Roy Wallis, 1975 One of the more extraordinary trends to have emerged in the West in the 1970s and one that has created considerable interest and curiosity particularly among sociologists is the proliferation of new religious sects. Their followers are often young people disenchanted with the drug culture but seeking a new spirituality in an intensely materialistic society. *Sectarianism* is a collection of essays studying this development. Edited by Roy Wallis, Lecturer in Sociology at the University of Stirling, it is written by leading sociologists from Britain, Canada and the USA and covers a wide range of sectarian movements in both the religious and the secular domains. Included are case studies of The Aetherius Society, a flying saucer cult, the Hare Krishna movement, the Jehovah's Witnesses and the United Family, an investigation of societal reaction to Scientology and a fascinating study contrasting modern communitarian movements with the Shakers, a once flourishing communitarian sect in the USA. In the secular domain, the book investigates organizations that though nonreligious exhibit characteristics of religious sects. These include the Concept Houses, one of the latest methods for rehabilitating drug addicts; two contemporary left wing political groups; and two ex-patient therapeutic groups, Neurotics Nomine and Recovery Inc. *Sectarianism* will be indispensable to the sociologists of religion; it should also prove of immense interest to the layman wishing to deepen his knowledge of this phenomenon beyond the superficial and often hysterical reporting in the press. Publisher

Sectarianism in Early Judaism David J. Chalcraft, 2014-12-05 *Sectarianism in Early Judaism* applies recent developments in sociological analysis to sect formation and development in early Judaism. The essays examine sectarianism in a wide range of different forms: the many layers of redaction in religious texts; the development arcs of sectarian groups; the role of sectarianism across Jewish history as well as in the time of the Second Temple and the relations within and between sects and between sects and wider society. The book aims to establish a conceptual framework for the analysis of sects and in doing so makes particular use of the work of Max Weber and Bryan Wilson, exploring the limits of their typologies and sociological theories.

Sects and Sectarianism in Jewish History Sacha Stern, 2011-04-21 Several Jewish groups from Antiquity until today have been traditionally identified as sects or as sectarian, most famously the Qumran community and the Qaraites. This volume questions the appropriateness of this interpretation of social and religious movements in Jewish history.

The Oxford Handbook of the Dead Sea Scrolls Timothy H. Lim, John J. Collins, 2012-10-11 In 1946 the first of the Dead Sea Scroll discoveries was made near the site of Qumran at the northern end of the Dead Sea. Despite the much publicized delays in the publication and editing of the Scrolls, practically all of them had been made public by the time of the fiftieth anniversary of the first discovery. That occasion was marked by a spate of major publications that attempted to sum up the state of scholarship at the end of the twentieth century, including *The Encyclopedia of the Dead Sea Scrolls* OUP 2000. These publications produced an authoritative synthesis to which the majority of scholars in the field subscribed, granted disagreements in detail. A decade or so later *The Oxford Handbook of the Dead Sea Scrolls* has a different

objective and character It seeks to probe the main disputed issues in the study of the Scrolls Lively debate continues over the archaeology and history of the site the nature and identity of the sect and its relation to the broader world of Second Temple Judaism and to later Jewish and Christian tradition It is the Handbook s intention here to reflect on diverse opinions and viewpoints highlight the points of disagreement and point to promising directions for future research Researching New Religious Movements Elisabeth Arweck,2006 This cutting edge analysis of American and European new religious movements explores the controversies between religious groups and the majority interests which oppose them It asks how modern societies can best respond to new religious movements **The Sociology of Religion** Malcolm B. Hamilton,2012-06-12

This clear introduction to the sociology of religion combines a discussion of key theorists with a modern emphasis on the diversity of religious beliefs and practices Malcolm Hamilton s expanded second edition brings the discussion fully up to date and extends its material on secularization and religious sects giving a broad comparative view Drawing on the insights of history anthropology and sociology he surveys classic and contemporary theory to give a full picture of the variety and scope of theoretical perspectives *Routledge Library Editions: Sociology of Religion* Various,2021-07-14 This set collects together in 19 volumes a wealth of texts on Sociology of Religion An invaluable reference resource it contains classic books on a wide range of topics including religion and violence religion and family life religion and society culture and class

The Origins of the Bahá'í Community of Canada, 1898-1948 Will C. van den Hoonaard,2010-10-30 What binds together Louis Riel s former secretary a railroad inventor a Montreal comedienne an early proponent of Canada s juvenile system and a prominent Canadian architect Socialists suffragists musicians artists from 1898 to 1948 these and some 550 other individual Canadian Bah s helped create a movement described as the second most widespread religion in the world Using diaries memoirs official reports private correspondence newspapers archives and interviews Will C van den Hoonaard has created the first historical account of Bah s in Canada In addition *The Origins of the Bah Community of Canada 1898 1948* clearly depicts the dynamics and the struggles of a new religion in a new country This is a story of modern spiritual heroes people who changed the lives of others through their devotion to the Bah ideals in particular to the belief that the earth is one country and all of humankind are its citizens Thirty nine original photographs effectively depict persons and events influencing the growth of the Bah movement in Canada *The Origins of the Bah Community of Canada 1898 1948* makes an original contribution to religious history in Canada and provides a major sociological reference tool as well as a narrative history that can be used by scholars and Bah s alike for many years to come **Women in the Damascus**

Document Cecilia Wassen,2005 **American Sociology of Religion** ,2007-08-31 This is a collection of histories of various aspects of American sociology of religion The contributions range from descriptions of early dissertations accounts of changes in theoretical conceptualization the evolution of studies of particular denominations to the rise of new areas of inquiry such as globalization feminism new religions and the study of the religious traditions of Latino a Americans Taken as

a whole the volume complements rather than duplicates commemorative issues of the relevant journals which focused on the scholarly organizations in the field It represents a first effort to develop an organized treatment of the fascinating history of the specialty in the U S A *Scriptures and Sectarianism* Collins,2016 Essays representing ten years of John J Collins s expert reflection on Scripture and the Qumran community are here collected in a volume that is sure to be of interest to students and scholars of Early Judaism and the Dead Sea Scrolls Collins opens with the introductory chapter What Have We Learned from the Dead Sea Scrolls before offering essays on the authority and interpretation of Scripture historiography and the emergence of the Qumran sect and specific aspects of the sectarian worldview covenant and dualism the angelic world the afterlife prayer and ritual and wisdom A concluding epilogue considers the account of the Suffering Servant and illustrates the relevance of the Dead Sea Scrolls for early Christianity **Social Science and the Cults** John A. Saliba,2019-03-20 This book first published in 1990 brings together descriptive comparative and theoretical materials on cults and sects in Western culture focusing on literature published since 1970 A historical section links the rise of the new movements to similar past phenomena in Western culture Other sections examine the methodology of studying religious movements and the various theories which have been brought to explain them current studies on traditional sects that are sometimes compared to the new religions and many studies of individual contemporary cults **Come Out from among Them, and Be Ye Separate, Saith the Lord** William H. Brackney,Evan L. Colford,2020-01-01 Believers Churches have their origin in the Radical Reformation of the sixteenth century Over the past 450 years the movement has included the Brethren Mennonites Hutterites various types of Baptists and the Restoration Movement While never a unified denominational structure the Believers Churches together have been characterized by a strong personal faith in Christ a call to discipleship and Christian activism a high view of the authority of Scripture and profession of faith in believers baptism The Believers Churches have represented their beliefs in various ecumenical settings missionary gatherings and theological conversations In the late 1950s representatives of the several Believers Churches began to meet in a series of conferences to explore their common views on doctrine history and ethics Topics at the conferences have included baptism Lord s Supper the nature of the church and religious voluntarism In 2016 the 17th Believers Church Conference was held at Acadia University and sponsored by Acadia Divinity College The theme was The Tendency Toward Separationism Among the Believers Churches a key recurring characteristic This volume includes the papers presented at the conference and examines the theme from an immediate post Reformation perspective including Baptists Black Baptists Restorationists including the Churches of Christ the Hutterites Pentecostals the role of women and significantly the separationist tendency as it occurs in New Religious Movements Typologies and analyses are provided by leading historians theologians and social science specialists *Religion in the Contemporary World* Alan Aldridge,2013-04-12 In the new edition of this widely praised text Alan Aldridge examines the complex realities of religious belief practice and institutions Religion is a powerful and

controversial force in the contemporary world even in supposedly secular societies Almost all societies seek to cultivate religions and faith communities as sources of social stability and engines of social progress They also try to combat real and imagined abuses and excess regulating cults that brainwash vulnerable people containing fundamentalism that threatens democracy and the progress of science and identifying terrorists who threaten atrocities in the name of religion The third edition has been carefully revised to make sure it is fully up to date with recent developments and debates Major themes in the revised edition include the recently erupted culture war between progressive secularists and conservative believers the diverse manifestations of fundamentalism and their impact on the wider society new individual forms of religious expression in opposition to traditional structures of authority and the backlash against multiculturalism with its controversial implications for the social integration of ethnic and religious minority communities Impressive in its scholarly analysis of a vibrant and challenging aspect of human societies the third edition will appeal strongly to students taking courses in the sociology of religion and religious studies as well as to everyone interested in the place of religion in the contemporary world

Towards Religious Competence Hans-Günter Heimbrock, Christoph Th Scheilke, Peter Schreiner, 2001 In this book scholars around Europe reflect on the changing role of religious education in a time of growing pluralism in Europe and across the world The various contributions from different European countries England and Wales Germany Netherlands and Norway focus on the debate about the existing multicultural and multireligious situation in European societies Difference and diversity especially of religion is seen as a challenge for education in Europe The chapters mention trends and common challenges for religious education As a key term of religious education religious competence is introduced It includes the ability to deal with religious pluralism and differences in a constructive way It is argued that contextual religious education facilitates a new religious competence The book also contains detailed information about current developments in the field of religious education in some European countries *Echoes from the Caves: Qumran and the New Testament* Florentino García Martínez, 2010-01-01 In spite of the amount of literature on the relationship between the Dead Sea Scrolls and the New Testament no consensus among the scholars has emerged as yet on how to explain both the similarities and the differences among the two corpora of religious writings This volume contains a revised form of the contributions to an experts meeting held at the Catholic University of Leuven on December 2007 dedicated to explore the relationship among the two corpora and to understand both the commonalities and the differences between the two corpora from the perspective of the common ground from which both corpora have developed the Hebrew Bible *Terrorism Studies* John Horgan, Kurt Braddock, 2012 This comprehensive reader seeks to equip the aspiring student based anywhere in the world with a comprehensive introduction to the study of terrorism **Mormon Studies** Ronald Helfrich, Jr., 2021-12-30 Mormonism arose in early 19th century New York and has fired the imaginations of its devotees critics and students ever since Some intellectuals and academics read Mormonism as the product of economic change wrought by the Erie Canal in the Burned

over District of western New York State and upper north eastern Ohio Others read Mormonism as an authoritarian reaction to Jacksonian democracy Finally some including most of those who became Mormons in the early 19th century and most of those who are believing Mormons today read Mormonism as the intervention of God in human history This book engages with Mormon Studies from its beginnings in the early nineteenth century to the end of the 20th century It covers those who fought over Mormonism s truth or falsity on those who tried to understand Mormonism as a religious and sociological phenomenon and on those who explored the history of Mormonism from a more dispassionate perspective It concludes with an exploration of the culture war that erupted as Mormon Studies professionalized particularly after the 1960s **Intentional**

Communities (Routledge Revivals) Barry Shenker,2011-03-31 Some communities exist for tens even hundreds of years Others short lived What then makes for communal success Bary Shenker who lived on a Kibbutz for a number of years compares the Hutterites the Kibbutzim and therapeutic communities and argues that there is no simple formula Through historical and sociological analysis combined with personal experience and insight the author provides fresh thoughts on a form of a social life which fascinates us all First published in 1986 Controversial New Religions James R. Lewis,Jesper Aa. Petersen,2014-07-16 In terms of public opinion new religious movements are considered controversial for a variety of reasons Their social organization often runs counter to popular expectations by experimenting with communal living alternative leadership roles unusual economic dispositions and new political and ethical values As a result the general public views new religions with a mixture of curiosity amusement and anxiety sustained by lavish media emphasis on oddness and tragedy rather than familiarity and lived experience This updated and revised second edition of Controversial New Religions offers a scholarly dispassionate look at those groups that have generated the most attention including some very well known classical groups like The Family Unification Church Scientology and Jim Jones s People s Temple some relative newcomers such as the Kabbalah Centre the Order of the Solar Temple Branch Davidians Heaven s Gate and the Falun Gong and some interesting cases like contemporary Satanism the Raelians Black nationalism and various Pagan groups Each essay combines an overview of the history and beliefs of each organization or movement with original and insightful analysis By presenting decades of scholarly work on new religious movements written in an accessible form by established scholars as well as younger experts in the field this book will be an invaluable resource for all those who seek a view of new religions that is deeper than what can be found in sensationalistic media stories

As recognized, adventure as competently as experience roughly lesson, amusement, as skillfully as arrangement can be gotten by just checking out a ebook **Sectarianism Analysis Of Religious And Non Religious Sects** plus it is not directly done, you could receive even more all but this life, with reference to the world.

We allow you this proper as capably as easy exaggeration to get those all. Sectarianism Analysis Of Religious And Non Religious Sects Introduction

In today's digital age, the availability of Sectarianism Analysis Of Religious And Non Religious Sects books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sectarianism Analysis Of Religious And Non Religious Sects books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sectarianism Analysis Of Religious And Non Religious Sects books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sectarianism Analysis Of Religious And Non Religious Sects versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sectarianism Analysis Of Religious And Non Religious Sects books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sectarianism Analysis Of Religious And Non Religious Sects books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sectarianism Analysis Of Religious And Non Religious Sects books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both

public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sectarianism Analysis Of Religious And Non Religious Sects books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sectarianism Analysis Of Religious And Non Religious Sects books and manuals for download and embark on your journey of knowledge?

FAQs About Sectarianism Analysis Of Religious And Non Religious Sects Books

What is a Sectarianism Analysis Of Religious And Non Religious Sects PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sectarianism Analysis Of Religious And Non Religious Sects PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sectarianism Analysis Of Religious And Non Religious Sects PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sectarianism Analysis Of Religious And Non Religious Sects PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sectarianism Analysis Of Religious And Non Religious Sects PDF?** Most PDF editing software allows you to add password protection.

In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
