Collins, 1997 Monroe and the Modern Action Parratt and the Scope of Due Process Excessive Force Private Violence and Enforcing Federal Laws Under Municipal Liability State Sovereign Immunity Personal Immunities Damages and Injunctions and Declaratory Relief Attorney's Fees Choice of Law and Section 1983 in the State Courts Preclusion and Abstention and Related Doctrines Section 1983 and Habeas Corpus Bivens and Federal Officer Liability Jurisdiction and Procedure **Criminal Procedure** Matthew Lippman, 2010-01-20 Criminal Procedure is a comprehensive text that includes the most relevant and contemporary cases and is presented in a streamlined fashion that makes it more accessible for students. Students and instructors will also appreciate the full range of pedagogical and ancillary features that assist in the learning and understanding of the material. This textbook is primarily geared for a criminal procedure course in undergraduate criminal justice programs **Global Labor and Employment Law for the Practicing Lawyer** Andrew P. Morriss, Samuel Estreicher, 2010-01-01 In recognition of the growing importance of global labour and employment law the Center for Labor and Employment Law at New York University School of Law dedicated its 61st Annual Conference on Labor to an in-depth examination of issues arising in this area. This volume of the proceedings of the 2008 conference contains papers presented at that meeting all here updated to reflect recent developments as well as additional contributions from other practitioners and academics with extensive knowledge and experience in the field. Experts from both the practicing bar and academia twenty-seven in all use their unique strengths to address issues worthy of concern in each juridical realm. An unusual feature of this volume in the series is its in-depth attention to comparative law in the field with exploration of developments in China France and New Zealand as well as in European Union law. As always this annual conference captures valuable insights and syntheses of central labour and employment law issues and will be of great value to practitioners and academics in the field **The Law of Journalism and Mass Communication** Robert Trager, Susan Dente Ross, Amy Reynolds, 2017-10-25 The Law of Journalism and Mass Communication Sixth Edition by Robert Trager Susan Dente Ross and Amy Reynolds offers a clear and engaging introduction to media law with comprehensive coverage and analysis of key cases for future journalists and media professionals. You are introduced to key legal issues at the start of each chapter building your critical thinking skills before progressing to real-world landmark cases that demonstrate how media law is applied today. Contemporary examples emerging legal topics international issues and cutting-edge research all help you to retain and apply principles of media law in practice. The thoroughly revised Sixth Edition has been reorganized and shortened to 12 chapters streamlining the content and offering instructors more opportunities for classroom activities. This edition also goes beyond the judiciary including discussions of tweets and public protests alcohol ads in university newspapers global data privacy and cybersecurity libel on the internet and free speech on college campuses to show how the law affects the ways mass communication works and how people perceive and receive that work Constitutional Remedies

Michael Wells, Thomas A. Eaton, 2002-10-30 Understanding the impact of constitutional rights in the real world depends on understanding the law of constitutional remedies for their violation Integrating the history doctrine and policy of constitutional remedy Wells and Eaton explain how people go about trying to obtain redress for violations of their constitutional rights Diverse issues arise when persons seek to bring a lawsuit against governments officials or private individuals for violation of their constitutional rights Among them are whether the injury ought to be accorded constitutional status at all or instead should be treated as a routine wrong no different in principle from a traffic accident If the case warrants constitutional status the next issue is whether or not suit may be brought against the officer who committed the wrong or his government employer and so on On each of these and other issues the authors guide the reader through the complex body of doctrine the lively case law debates and the scholarly literature over the appropriate mix of policies and the means by which to achieve them

**Search and Seizure** Martha Bridegam, 2009 Provides divergent views on the Fourth Amendment to the United States Constitution The Law of Journalism and Mass Communication, Police Misconduct in Brooklyn Brian A. Maule, 2017-11-03 This Brief explores police misconduct through the lens of a 5 year study of civil liability cases against the New York Police Department in Kings County Brooklyn New York The confluence of police misconduct and civil liability is an issue of growing concern for many communities throughout the United States One measure of the severity of these concerns is the increase in the number of lawsuits alleging police misconduct and the civil liability resulting from these lawsuits Using Brooklyn New York as a case study the author of this Brief uses lawsuits that resulted in a settlement or jury award over a five year period as its measure of police misconduct Police misconduct has many tangible and intangible consequences for a community such as violations of the law police brutality social consequences and long term public trust of the police On a very practical level as the author demonstrates the up front financial costs of prevention training and support to curb police misconduct are less expensive than the costs of civil liability payments for lawsuits This perspective creates a strong argument for policymakers for enhancing police training and police misconduct prevention programs This work will be of interest to researchers in police studies as well sociology and public policy

*Searching the Law, 3d Edition* Frank Bae, Edward Bander, Francis Doyle, Joel Fishman, Paul Richert, 2021-12-13 Civil Liability in Criminal Justice Darrell L. Ross, 2014-09-19 Understanding case law in high liability areas and performing the job within a legal framework places a criminal justice agency in the best position to defend against a lawsuit This handbook addresses the problems confronting criminal justice practitioners and their agencies due to the ever increasing number of civil liability lawsuits It introduces the reader to civil liability generally and the federal law specifically while indicating the steps that can be taken to minimize the risk of litigation Civil Liability in Criminal Justice is one of very few texts on the subject that combines applicable case law and related liability research a valuable feature for current and future policy makers and managers Ross also provides an overview of current case law in high liability areas enhancing student knowledge and practitioner job performance
