Secular Goldsmiths' Work in Medieval France a History R. W. Lightbown, 1978 **Secular Goldsmiths' Work in Medieval France** R. W. Lightbown, 1978 This study by Mr R W Lightbown is the product of considerable research and deals with the gold and silver secular plate of medieval France from the historical antiquarian artistic and iconographical standpoints It contains a corpus of all the surviving examples bringing out the central role played by France in the history of Gothic art and medieval social life **Secular Goldsmiths' Work in Medieval France** R. W. Lightbown, 1978-11-01 230p 80 illus 7 in colour Society of Antiquaries of London 1978 *Routledge Revivals: Medieval England (1998)* Paul E. Szarmach, M. Teresa Tavormina, Joel T. Rosenthal, 2017-07-05 First published in 1998 this valuable reference work offers concise expert answers to questions on all aspects of life and culture in Medieval England including art architecture law literature kings women music commerce technology warfare and religion This wide ranging text encompasses English social cultural and political life from the Anglo Saxon invasions in the fifth century to the turn of the sixteenth century as well as its ties to the Celtic world of Wales Scotland and Ireland the French and Anglo Norman world of the Continent and the Viking and Scandinavian world of the North Sea A range of topics are discussed from Bede to Skelton from Wulfstan of York to Reginald Pecock from Pictish art to Gothic sculpture and from the Vikings to the Black Death A subject and name index makes it easy to locate information and bibliographies direct users to essential primary and secondary sources as well as key scholarship With more than 700 entries by over 300 international scholars this work provides a detailed portrait of the English Middle Ages and will be of great value to students and scholars studying Medieval history in England and Europe as well as non specialist readers **Lost Artefacts from Medieval England and France** Katherine Baker, 2022 Contemporary descriptions of objects no longer extant examined to reconstruct these lost treasures Surviving accounts of the material culture of medieval Europe including buildings boats reliquaries wall paintings textiles ivory mirror cases book bindings and much more present a tantalising glimpse of medieval life hinting at the material richness of that era However students and scholars of the period will be all too familiar with the frustration of trying to piece together a picture of the past from a handful of fragments The material turn has put art architecture and other artefacts at the forefront of historical and cultural studies and the resulting spotlight on the material culture of the past has been illuminating for researchers in many fields Nevertheless the loss of so much of the physical remnants of the Middle Ages continues to thwart our understanding of the period and much of the knowledge we often take for granted is based on a series of arbitrary survivals The twelve essays in this book draw on a wide array of sources and disciplines to explore how textual records from the chronicles of John of Worcester and Matthew Paris and inventories of monastic treasuries and noble women to Beowulf and early English riddles when combined with archaeological and art historical evidence can expand our awareness of artistic and cultural environments Touching on a broad range of issues around how we imaginatively reconstruct the medieval past and a variety

of objects both precious and ephemeral this volume will be of fundamental interest to medieval scholars whatever their disciplinary field Contributors Katherine Baker Marian Bleeke Deirdre Carter Laura Cleaver Judith Collard Joshua Davies Kathryn Gerry Karl Kinsella Katherine A Rush Katherine Weikert Beth Whalley Victoria Yuskaitis *The Grove Encyclopedia of Medieval Art and Architecture* Colum Hourihane, 2012 This volume offers unparalleled coverage of all aspects of art and architecture from medieval Western Europe from the 6th century to the early 16th century Drawing upon the expansive scholarship in the celebrated Grove Dictionary of Art and adding hundreds of new entries it offers students researchers and the general public a reliable up to date and convenient resource covering this field of major importance in the development of Western history and international art and architecture 'A Marvel to Behold' Timothy Schroder, 2020 Bringing the existence and significance of the lost riches of Henry VIII back to life this book sheds new light on Henrician and Tudor court culture Henry VIII amassed the most spectacular collection of gold and silver of any British monarch Plate and jewels were hugely prominent in medieval and Renaissance courts and played an essential role in dynastic marriages and diplomacy as well as in cementing the bonds between king and court Ranging from plain domestic wares to extraordinary bejewelled works of art Henry's collection embraced virtuoso continental objects as well as vast quantities of plate commissioned from London goldsmiths or inherited from his father But nearly all of these holdings were destroyed over the following century and of the thousands that he owned no more than a handful have survived to modern times This book makes use of the wealth of surviving documentation inventories drawings lists of payments dispatches by foreign ambassadors and other records to explore this lost collection and the light it sheds on the monarchy Starting with an assessment of the young king's inheritance from his father the book considers the role of plate at state banquets in great church services and in the regular exchange of gifts between courtiers and ambassadors the role of plate and jewels as a potent symbol of power how the king used confiscation as an instrument of humiliation of those who fell from grace including Cardinal Wolsey and Katherine of Aragon and how Henry's avaricious seizure of church plate towards the end of his life throws light on his changing character While the focus is on plate and goldsmiths work the context ranges from court ceremonial to rivalry between princes the role of the church the vulnerability of persons and institutions with covetable assets and relations between the king and his own family Bringing the existence and significance of these lost riches back to life the book sheds new light on Henrician and Tudor court culture **A Feast for the Eyes** Christina Normore, 2015-05-01 To read accounts of late medieval banquets is to enter a fantastical world where live lions guard nude statues gilded stags burst into song and musicians play from within pies We can almost hear the clock sound from within a glass castle taste the fire breathing roast boar and smell the rose water cascading in a miniature fountain Such vivid works of art and performance required collaboration among artists in many fields as well as the participation of the audience A Feast for the Eyes is the first book length study of the court banquets of northwestern Europe in the fourteenth and fifteenth centuries Christina Normore draws on an array of artworks

archival documents chroniclers accounts and cookbooks to re create these events and reassess the late medieval visual culture in which banquets were staged Feast participants she shows developed sophisticated ways of appreciating artistic skill and attending to their own processes of perception thereby forging a court culture that delighted in the exercise of fine aesthetic judgment Challenging modern assumptions about the nature of artistic production and reception A Feast for the Eyes yields fresh insight into the long history of multimedia work and the complex relationships between spectacle and spectators

Western Decorative Arts: Volume 1 National Gallery of Art (U.S.), Rudolf Distelberger, 1993 This volume is one of several that examines the National Gallery of Art s distinguished collection of decorative arts The second volume will be published in 1996 The group treated here is composed primarily of works acquired from the Widener Collection and amplified by holdings acquired from the Kress family Included are more than eighty Medieval Renaissance and later historic objects in a wide variety of media encompassing metalwork stained glass enamels ceramics and jewels Among the highlights are a Limoges reliquary chasse a Mosan lion aquamanile thirty eight pieces in a remarkable cohesive group of Italian maiolica three of the very rare pottery objects known as Saint Porchaire and the centerpiece of the collection the Suger chalice an ancient sardonyx cup to which the Abbot Suger added a bejewelled golden setting in the twelfth century Like other volumes in the Systematic Catalogue of the National Gallery of Art Collections Western Decorative Arts includes a thoroughly researched entry for each object together with an artist biography up to date bibliography and a technical analysis

Irish and Scottish Art, c. 900-1900 Heather Pulliam, Rachel Moss, 2024-11-30 As evidenced by the famed Book of Kells and monumental high crosses Scotland and Ireland have long shared a distinctive artistic tradition The story of how this tradition developed and flourished for another millennium through survival adaptation and revival is less well known Some works were preserved and repaired as relics objects of devotion believed to hold magical powers Respect for the past saw the creation of new artefacts through the assemblage of older parts or the creation of fakes and facsimiles Meanings and values attached to these objects and to places with strong early Christian associations changed over time but their Celtic and or Gaelic character has remained to the forefront of Scottish and Irish national expression Exploring themes of authenticity imitation heritage conservation and nationalism these interdisciplinary essays draw attention to a variety of understudied artworks and illustrate the enduring link that exists between Scottish and Irish cultures

The Clement Bible at the Medieval Courts of Naples and Avignon Cathleen A. Fleck, 2017-07-05 As a biography of the fourteenth century illustrated Bible of Clement VII an opposition pope in Avignon from 1378-94 this social history traces the Bible s production in Naples c 1330 through its changing ownership and meaning in Avignon c 1340-1405 to its presentation as a gift to Alfonso King of Aragon c 1424 The author s novel approach based on solid art historical and anthropological methodologies allows her to assess the object s evolving significance and the use of such a Bible to enhance the power and prestige of its princely and papal owners Through archival sources the author pinpoints the physical location and privileged treatment of the Clement

Bible over a century The author considers how the Bible's contexts in the collection of a bishop several popes and a king demonstrate the value of the Bible as an exchange commodity The Bible was undoubtedly valued for the aesthetic quality of its 200 luxurious images Additionally the author argues that its iconography especially Jerusalem and visionary scenes augments its worth as a reflection of contemporary political and religious issues Its images offered biblical precedents its style represented associations with certain artists and regions in Italy and its past provided links to important collections Fleck's examination of the art production around the Bible in Naples and Avignon further illuminates the manuscript's role as a reflection of the court cultures in those cities Adding to recent art historical scholarship focusing on the taste and signature styles in late medieval and Renaissance courts this study provides new information about workshop practices and techniques In these two court cities the author analyzes styles associated with different artists different patrons and even with different rooms of the rulers' palaces offering new findings relevant to current scholarship not only in art history but also in court and collection studies

The Representation of Working People in Britain and France Antoine Capet, 2009-10-02 It is a truism that History is about representation but then opinions will diverge as it should be between what is meant by representation Most of the chapters in this volume were first presented in November 2008 at an International Conference co-organised by the Society for the Study of Labour History and the University of Rouen The authors of all generations come from Britain France Germany and the United States and cover the field from the Middle Ages to the most recent developments The friendly confrontation of points of view and cross fertilisation which result from such undertakings can only add to our perception of the diversity of that elusive notion in History representation of working people in Britain and France in this particular instance Beyond the differences in periods places and situations the reader

will not fail however to see the bridges which recurrently link the various elements in the collection **Mother and Sons, Inc.** Kathryn Reyerson, 2018 In the late 1320s Martha de Cabanis was widowed with three young sons Mothers and Sons Inc shows how the widow Martha maneuvered within the legal constraints of her social economic and personal status and illuminates the opportunities and the limits of what was possible for elite mercantile women A Companion to the Great Western Schism (1378-1417) , 2009-09-30 The division of the Church or Schism that took place between 1378 and 1417 had no precedent in Christianity No conclave since the twelfth century had acted as had those in April and September 1378 electing two concurrent popes This crisis was neither an issue of the authority claimed by the pope and the Holy Roman Emperor nor an issue of authority and liturgy The Great Western Schism was unique because it forced upon Christianity a rethinking of the traditional medieval mental frame It raised question of personality authority human fallibility ecclesiastical jurisdiction and taxation and in the end responsibility in holding power and authority This collection presents the broadest range of experiences center and periphery clerical and lay male and female Christian and Muslim Theology including exegesis of Scripture diplomacy French literature reform art and finance all receive attention *Tristan and Isolde* Joan Tasker Grimbert, 2002 A substantial introduction traces the Tristan and Isolde legend from the twelfth century to the present emphasizing literary versions but also surveying the legend s sources and its appearance in the visual arts music and film The nineteen essays are a mix of new new English revised and classic It contains an extensive bibliography **Displaying Art in the Early Modern Period** Pamela Bianchi, 2022-08-23 From aesthetic promenades in noble palaces to the performativity of religious apparatus this edited volume reconsiders some of the events habits and spaces that contributed to defining exhibition practices and shaping the imagery of the exhibition space in the early modern period The contributors encourage connections between art history exhibition studies and architectural history and explore micro histories and long term changes in order to open new perspectives for studying these pioneering exhibition making practices Aiming to understand what spaces have done and still do to art the book explores an underdeveloped area in the field that has yet to trace its interdisciplinary nature and understand its place in the history of art The book will be of interest to scholars working in art history museum studies exhibition history and architectural history *Dictionary of Enamelling* Erika Speel, 2018-10-26 First Published in 1998 The Dictionary of Enamelling is the first book to provide a comprehensive guide to this most diverse of the decorative arts Indispensable for anyone interested in the evolution of enamelling technique the book includes some 400 entries covering every aspect of its history There are entries on key pieces individual enamellers designers schools techniques and the major achievements are described in every era The knowledge and insight of Erika Speel s account are supported and enhanced by a brilliantly researched collection of 200 illustrations 100 in colour portraying the most dazzling and important pieces a unique visual record of enamelling history The Dictionary of Enamelling will be invaluable to people who collect study create and enjoy enamels *Material Culture and Queenship in 14th-century*

France Marguerite Keane, 2016-05-18 In *Material Culture and Queenship in 14th century France* The Testament of Blanche of Navarre 1331-1398 Marguerite Keane considers the object collection of the long lived fourteenth century French queen Blanche of Navarre the wife of Philip VI d. 1350 This queen's ownership of works of art books jewelry reliquaries and textiles among others and her perceptions of these objects is well documented because she wrote detailed testaments in 1396 and 1398 in which she described her possessions and who she wished to receive them Keane connects the patronage of Blanche of Navarre to her interest in her status and reputation as a dowager queen as well as bringing to life the material adornment and devotional interests of a medieval queen and her household
