John W. Cones

Securities Counseling For New And Developing Companies:

Securities Counseling for Small and Emerging Companies Stuart R. Cohn, 2020 *Investor Financing of Independent Film* John W. Cones, 2023-11-03 This book explains how to comply with the federal and states securities regulations when seeking to raise money from private investors for the development production and or distribution of a feature or documentary film Drawing from the experience and expertise of a securities and entertainment attorney who has worked with independent filmmakers for 30 plus years this resource explores securities law compliance in order to help readers comply with the law and avoid criminal and civil liability while successfully raising investor funds for their film projects Readers will gain an understanding of why the securities laws apply to most investor financing transactions what choices need to be made by the filmmaker what information needs to be disclosed to prospective investors how to comply with the SEC s policy regarding financial projections what is the appropriate investment vehicle for various forms of investor financing what limitations are imposed on the use of finders and how to handle the required federal and state notice filings It is an essential resource for any film student taking a film finance course or a production course with a film finance component as well as any independent film producers entertainment securities attorneys and film school instructors who want to be informed about the legal and practical aspects of investor financing of independent films **43 Ways to Finance Your Feature Film** John W. Cones, 2008-03-06 Author Cones breaks financing options down into six main areas gifts and grants investor financing domestic government subsidies and tax incentive programs lender financing international finance options and studio or industry financing Beginning with the forms of financing most likely to be accessible to independent feature film producers Cones proceeds to other forms that become increasingly available as the producer s career matures He provides specific concise information regarding the many possible strategies and lists the distinct pros and cons of each strategy Cones also counters much of the bad advice being provided by pseudoprofessional film finance consultants and points out scams that may separate unwary film producers from their money Although the book focuses on financing feature films much of its information is relevant to the financing of other kinds of projects such as short films documentaries videos and multimedia and theatrical endeavors From publisher description **SEC Docket** United States.
