See Both Sides A Practical Guide To Gender Analysis For Quality Service Delivery:

See Both Sides Karen Richardson, 2004 This book provides invaluable strategy training exercises and impact assessment tools and shares examples from the experience of an organisation providing services to lone parents They successfully used gender analysis to widen their target group revitalise existing services and develop new ones What Men and Women Want Helen Buhaenko, 2004 Based on an actual gendered participatory appraisal in Wales this guide offers a thorough explanation of why looking at the differences in men's and women's life experiences is an essential part of any participatory work What Men and Women Want guides the user through the stages of a process which is gendered throughout in other words which takes account of the different perspectives of women and men It provides a range of accessible tools explains how to analyze and collate qualitative information with a gender perspective and shows how to move from action to bring about real and lasting changes in the lives of men and women Men in Contemporary Russia Rebecca Kay, 2016-12-05 Rebecca Kay assesses how men in post Soviet Russia are represented through media and popular discourses Using case studies she explores the challenges which have arisen for men since 1991 and the ways in which their responses are shaped by and viewed through the prism of widely accepted attitudes towards gender The lives and concerns of men in provincial Russia are examined through ethnographic fieldwork combining extensive participant observation with in depth interviews The book reveals how individual men strive to maintain a sense of equilibrium between the activities in which they are engaged and the ways in which they are perceived both by others and by themselves The findings of the research have produced significant areas of contrast and comparison with the author's earlier work on women This is drawn out throughout the book placing the study of Russian men in a broader gendered context The issues raised by the men mirror concerns discussed in men's studies literature and popular discourse beyond Russia The book is therefore of interest to a wider international audience as well as contributing to ongoing interdisciplinary debates in Russian Studies Anthropology Sociology and Human Geography addressing the need for new approaches to understanding post Socialist change

Gender in Local Government Prabha Khosla, 2008 This sourcebook aims at providing local governments with the tools to better understand the importance of gender in the decision making process and to reach better solutions for the communities they serve For this publication the following key issues of local governance have been selected participation in local government land rights urban planning service provision local government financing violence against women and local economic development Each of these issues is introduced by a brief gender analysis Numerous case studies illustrate what local governments can do Reflection questions and training exercises help trainers to develop successful training events The manual is designed as a companion to other UN HABITAT training tools providing local government trainers with the background and tested training methods they need to strengthen the gender dimension in their day to day training activities The source book may also be used as a stand alone tool introducing local governments to gender issues and their importance
