Parliament,1946      *Wireless Internationalism and Distant Listening* Simon J. Potter,2020-05-21 During the 1920s and 1930s the new medium of radio broadcasting promised to transform society by fostering national unity and strengthening and popularising national cultures However many hoped that wireless would also encourage international understanding and world peace Intentionally or otherwise wireless signals crossed borders bringing talk music and news to enthusiastic distant listeners in other countries In Europe radio was regulated through international consultation and cooperation to restrict interference between stations and to unleash the medium s full potential to carry programmes to global audiences A distinctive form of wireless internationalism emerged reflecting and reinforcing the broader internationalist movement and establishing structures and approaches which endured into the Second World War the Cold War and beyond This study reveals this untold history *Wireless Internationalism and Distant Listening* also explores the neglected interwar experience of distant listening revealing the prevalence of listening across borders and explaining how individuals struggled to overcome unwanted noise tune in as many stations as possible and comprehend and enjoy what they heard The volume shows how radio brought the world to Britain and Britain to the world It revises our understanding of early BBC broadcasting and the BBC Empire Service the precursor to today s World Service and shows how government influence shaped early BBC international broadcasting in English Arabic Spanish and Portuguese It also explores the wider European and trans Atlantic context demonstrating how Fascism in Italy and Germany the Spanish Civil War and the Japanese invasion of China combined to overturn the utopianism of the 1920s and usher in a new era of wireless nationalism      Minority Language Media Michael J. Cormack,Niamh Hourigan,2007-01-01 This book is an international collection of essays by 14 researchers Included are essays on general topics on minority language media as well as studies of specific

examples The contributors are all experienced researchers in this field Taken as a whole the book is the first attempt to define and develop minority language media as a distinct field of study *Federal Register*, 1976-07 *Agency Hearings, Hearing ... 90-1, on Regulatory Agencies Under Jurisdiction of the Committee, February 28; March 1, 2, 7, 8, 9, 14, 16, 21, 22, 1967* United States.
