**Seeds of Grace** Molly Monahan, 2001-03-19 A surprising and enlightening assessment of AA its basic tenets and how it works on the spirit by a nun and recovering alcoholic When Sister Molly Monahan joined Alcoholics Anonymous she was looking for the help and support she needed to stop drinking But what she found was something more something that surprised her a deeper spirituality than she had ever experienced in her religious community How could a nonreligious group espousing the most basic of spiritual beliefs have anything to teach a nun who had already spent three decades steeped in the values rituals and traditions of the contemplative life The mystery of the effectiveness of AA has yet to be explained This book looks at that question in new interesting and important ways In *Seeds of Grace* Sister Molly Monahan traces her progress through the Twelve Steps and identifies the lessons that Alcoholics Anonymous has to instruct all of us about grace forgiveness community and in AA parlance the God of our understanding Along the way through a series of meditations she shares her insights on why AA works how it works and how it has changed her life and the lives of millions of people
