Seeing Through The Heart Expressions In Image And Poetry:

The Artful Universe William K. Mahony, 1998-01-01 Provides an accessible introduction to the Vedic religious world by focusing on the role of divine and human imagination in sacred texts *The Province of Expression* Samuel Silas Curry, 1891

Poetic Metaphors Carina Rasse, 2022-06-15 Poetry pushes metaphor to the limit Consider how many different dynamic and interconnected dimensions e g text rhyme rhythm sound and many more a poem has and how they all play a role in the ways metaphorical meaning is constructed There is probably no other genre that relies so much on the creator s ability to get his or her message across while at the same time leaving enough room for the interpreters to find out for themselves what a poem means to them what emotions and feelings it evokes and which experiences it conveys This book uses interviews questionnaires and think aloud protocols to investigate the meanings and functions of metaphors from a poet s perspective and to explore how readers interpret and engage with this poetry Besides the theoretical contribution to the field of metaphor studies this monograph presents numerous practical implications for a systematic exploration of metaphors in contemporary poetry and beyond The Prose Works of Mrs. Ellis: The poetry of life. Pictures of private life (first and second series) A voice from the vintage Sarah Stickney Ellis, 1844 *Temporality in Life As Seen Through Literature* Anna-Teresa Tymieniecka, 2007-05-09 Temporality pervades the dynamic joint of existence and the human being as such As human beings unfold through onto-poiesis each move of which punctuates the temporality of life they whose life experience deliberation planning reflection and dreaming are permeated by temporal motivations and concerns feel that they are engaged in the spinning of a common thread Attributing to that involvement universal laws constant existential validity and power they absolutise hypostasise its rule as a cosmic human factor time Yet today technologies are transforming the temporality of our existence by accelerating intensifying expanding our partaking in the world of life Human communal and social involvement is being challenged in its personal significance to the core of our being What happens to time A basic reinvestigation of the nature of temporality is called for Human creative endeavor especially literature may initiate it Having the human subject the creator at its center literature is essentially engaged in temporality whether that of the mind or of the world of life through the creative process of writing stage directing or the reader s and viewer s reception Out of the cross motivations that the creative mind filters in its temporal synthesis in touch with all the perspectives of existence there surges the deepest significance of life in humanity and culture But first of all life comes to light as timing itself in its logos Tymieniecka *A Companion to Medieval Poetry* Corinne Saunders, 2010-02-12 A Companion to Medieval Poetry presents a series of original essays from leading literary scholars that explore English poetry from the Anglo Saxon period up to the 15th century Organised into three parts to echo the chronological and stylistic divisions between the Anglo Saxon Middle English and Post Chaucerian periods each section is introduced with contextual essays providing a valuable introduction to the society and culture of the time Combines a general discussion of genres of medieval poetry with specific consideration of texts and

authors including Beowulf Sir Gawain and the Green Knight Chaucer Gower and Langland Features original essays by eminent scholars including Andy Orchard Carl Schmidt Douglas Gray and Barry Windeatt who present a range of theoretical historical and cultural approaches to reading medieval poetry as well as offering close analysis of individual texts and traditions

Through a Speculum That Shines Elliot R. Wolfson, 2020-06-30 A comprehensive treatment of visionary experience in some of the main texts of Jewish mysticism this book reveals the overwhelmingly visual nature of religious experience in Jewish spirituality from antiquity through the late Middle Ages Using phenomenological and critical historical tools Wolfson examines Jewish mystical texts from late antiquity pre kabbalistic sources from the tenth to the twelfth centuries and twelfth and thirteenth century kabbalistic literature His work demonstrates that the sense of sight assumes an epistemic priority in these writings reflecting and building upon those scriptural passages that affirm the visual nature of revelatory experience Moreover the author reveals an androcentric eroticism in the scopic mentality of Jewish mystics which placed the externalized and representable form the phallus at the center of the visual encounter In the visionary experience as Wolfson describes it imagination serves a primary function transmuting sensory data and rational concepts into symbols of those things beyond sense and reason In this view the experience of a vision is inseparable from the process of interpretation

Fundamentally challenging the conventional distinction between experience and exegesis revelation and interpretation Wolfson argues that for the mystics themselves the study of texts occasioned a visual experience of the divine located in the imagination of the mystical interpreter Thus he shows how Jewish mystics preserved the invisible transcendence of God without doing away with the visual dimension of belief
