Seeking The Face Of God:

Seeking the Face of God Gary Thomas,1999-01-01 Thomas turns to the classic writings of well known Christians to offer a program for rediscovering an authentic Christian spirituality that applies to everyday life s frustrations problems and even joys Many will be grateful for the forceful sensitivity of this survey of classical insights into our fellowship with God J I Packer

Seeking the Face of God Martyn Lloyd-Jones, 2005-03-03 One thing have I desired of the LORD that will I seek after that I may dwell in the house of the LORD all the days of my life to behold the beauty of the LORD and to enquire in his temple Psalm 27 4 KJV The Psalms are treasures from those who earnestly sought the face of God They are honest messages of sorrow joy praise and wisdom from real people who experienced real struggles In the psalmists words we see their hearts open before God In Seeking the Face of God Martyn Lloyd Jones unpacks nine passages from the Psalms and weaves them together with the everyday life of the world in which we live His reflections are practical powerful and profound For those just beginning to study the Psalms as well as those who know them well and wish to consider them from a new angle this collection of sermons from one of the greatest preachers of the twentieth century will move your mind to greater understanding and your heart to deeper worship The Art of Seeking the Face of God. Makoni, 2014 Transforming Prayer Daniel Henderson, 2011-01-01 Praying Christians are hungry to

learn how to connect with God in a way that takes them beyond the typical grocery list approach Transforming Prayer explores the profound difference between seeking God s hand what he does for people and seeking God s face who he really is With captivating stories of the transformative power of personal worship and its connection with prayer this book equips readers with practical tools for a more effective personal and corporate prayer life Seeking God's Face Notto R. Thelle, 2008 Is it possible to find God beyond the distorted images and empty words Can we even speak about God at all The author claims that it is more important than ever to look for a truer image of God A person who seeks God s face will be compelled at the same time to seek his or her own face Conversely those seeking to find themselves are often compelled to search for God The book describes faith as a spacious landscape in which one can breathe freely and engages the rich imagery of the Bible to help the individual breathe freely and find orientation without feeling imprisoned This openness and freedom are to be found in the Gospel itself says the author They were lived by the Master himself who portrayed the face of God by meeting human beings where they actually were not where they ought to have been **Seek the Face of God** Karl Frielingsdorf, 2006 Invites us to explore how our conscious and unconscious experiences have shaped our perceptions of God This book also encourages us to develop God images that are nurturing and healing Serve God's Purpose Dr. Ramiz Khalaf, 2016-11-14 After removing Saul he made David their king God testified concerning him I have found David son of Jesse a man after my own heart he will do everything I want him to do Acts 13 22 God commended David A man after my own heart because David did and fulfilled everything that God had wanted him to do in his generation As a child of God wherever you are whether in your job in your study or in your ministry God's calling has been introduced and has entered into your life There is nothing to fear Accept the challenge rejoice and be glad that God has called you to know Him to follow Him and to serve His purpose You are a key person God's eye is on you and He has placed you in a perfect place and He wants you to serve His purpose in your own generation This book in your hand is based fully and only on God's Word the Holy Bible and will direct you and guard your life knowing God's PURPOSE in your life will help you to do and to fulfill what God is wanting from you I pray that as you read this book you will experience a greater understanding of God's direction and instruction in your life May you be directed toward His purpose and plan in your own generation as you commit your life unto His cause The Lord richly bless you and make your life fruitful unto HIM The Complete Works of Richard Sibbes, D.D. Richard Sibbes, 1863 **Complete Works ...** Richard Sibbes, 1863 Seeking God's Face: Praying with the Bible Through the Year Philip F. Reinders, 2013-12-18 From the very beginning of the church Christians have found it helpful to pause for prayer during various times of the day Whether for morning or evening devotions or other fixed time prayers such spiritual respites were deemed essential to worshiping God Over the years Christians developed a structure for such moments of worship keyed to the time of day and season of the year Part of its genius was the seamless integration of Scripture and prayer This ancient practice called the Daily Office has experienced a resurgence of use in our time Seeking God's Face is a

user friendly approach to this form of prayer and devotion Each office includes a psalm of praise a passage of Scripture and a brief set of prayers An introduction to prayer book use from Eugene Peterson is included to acclimate readers to this form This edition features 11 5 point type that makes for comfortable reading without straining Seek My Face Arthur Green, 2003 Arthur Green's classic work of contemporary Jewish theology revised and updated He tackles the topics of the reality of God creation revelation and the return to God that are so much a part of our times It is a profound deeply personal statement of the lasting truths of Jewish mysticism and the basic faith claims of Judaism Seek the Face of the Lord IZUORA RALPH IKECHUKWU,2012-07-09 Arise shine for your light has come and the glory of the Lord has risen upon you Isaiah 60 1 There are basically three sides to a story yours mine and the truth None may be lying in cases where shared memories tend to serve each person differently This is primarily because mood and disposition still have their roles to play in works of interpretation irrespective of the understandability of the interpreter However works of divine inspiration as this one tend to be an exception somewhat to that rule because the Holy Spirit is usually in charge and in control of such inspired ventures irrespective of the person so moved by the spirit Having said that please note that there is only one side to the story in this book and that side is none but the TRUTH Considering the fact that I am one person in the world with a very dark past and shambled theological training I still shudder in awe at the divine involvement in my life for which I am alive and renewed today to heed to the Ministry which I received in Christ Jesus The Holy Bible has a proper admonition for each and everyone thus take heed to the ministry which you have received in the Lord that you may fulfill it Colossians 4 17 SEEK THE FACE OF THE LORD is a book that evolved out of a most humble submission to the WILL of God for my life in spite of my escapades and inadequacy I have therefore been divinely seized contrary to my conscious and involuntary objections to do the work of Gospel dissemination and outreach through divinely inspired combination of songs and attendant books of illumination This book has nine chapters and is focused on illuminating the life and teachings of Jesus Christ as role model ideal for God s kingdom life here on earth and hereafter This book should therefore be read alongside the Holy Bible and the corresponding Gospel songs for each chapter for a greater mental physical and spiritual discipline As you get ready to begin a most demanding journey into these pages of spiritual re awakening I implore you not to be faint but to arise and shine because your light has come This book and its attendant songs contain powerful insight to the teachings of our Lord Jesus that you cannot but allow the glory of the Lord to rise upon you and rekindle your spirit Be blessed in Jesus Name IZUORA RALPH IKECHUKWU a k a EYE KINGDAZZLE **Seek My Face** Dr. Arthur Green, 2011-06-29 The new Jewish spirituality lies somewhere between God's elusive presence in our world and our search for authentic language to describe it Personal journeys seldom have a clear beginning and they rarely have a definite end If there is an end to our journey surely it is one that leads to some measure of wisdom and thence back to its own beginning But somewhere along the way we come to realize that we must know where we have been going why we have been going Most of all we come to understand as best we

can the One who sends us on our way from the Introduction Rabbi Arthur Green leads us on a journey of discovery to seek God the world and ourselves One of the most influential Jewish thinkers of our time Green has created a roadmap of meaning for our lives in the light of Jewish mysticism using the Hebrew letters that make up the divine name Yod Reality at the beginning God as the oneness of being at the outset before it unfolds into our universe Heh Creation and God's presence in the world A renewed faith in God as Creator has powerful implications for us today Vav Revelation the central faith claim of Judaism and the claim it makes on our lives Heh Redemption and our return to God through the life of Torah and by participating in the ongoing repair of the world A personal and honest framework of understanding for the seeker this revised and updated edition of a classic sheds new light on our search for the divine presence in our everyday lives

Facing the Abusing God David R. Blumenthal, 1993-01-01 Looking at the experience of Holocaust survivors and of survivors of child abuse this work asks disturbing questions why God permits victimization of the innocent the Prince of Expositors Michael Hawk Mills, 2025-04-25 Crowds throughd to hear Alexander Maclaren Some tried to bribe the doormen for a seat and extra chairs often had to be placed on stage next to the pulpit What drew so many to travel to Manchester England to hear a preacher Maclaren knew how to apply the text to real life His dedication to expository preaching was unique in his day and even surpassed that of his friend Charles Haddon Spurgeon His ministry remains as a needed model for today because countless congregants still see the Bible as stories with little or no relevance to their daily duties Every Sunday people go to a Bible study listen to a sermon or read Scripture and they leave without transforming any part of their lives Despite consistently studying the Bible some people show little difference between the way they act now and the way they acted years ago This problem partially comes down to a lack of good biblical application coming from preachers and teachers of Scripture Maclaren's sermons as well as his essay An Old Preacher on Preaching teach expositors today how to make the Bible s truths come alive and be applicable **Heart Thoughts** Boots Brizendine, 2017-07-21 Heart Thoughts is a daily devotional meant to be read each day inspiring the reader to meditate on the message as God speaks to their heart then apply what God says to their life Some devotions are funny some are sad some are current culture but all come from the heart **Pray This Way to Connect with God** Hal Green, 2023-01-03 Prayer is the singular bridge between you and God The state of your prayer life is the state of your God relationship It is as vital to your well being to develop a flourishing prayer life as it is to develop satisfying communication with loved ones If you seek to know God personally this book will assist you in your seeking as well as in your finding If you want to transform your prayers from a monologue with you merely addressing God to a dialogue with God also addressing you this book is for you It will guide you from what prayer is to how to pray from breath prayers all the way to contemplative prayer The Pre-Adamic Existence and the Secret of the New Heaven and New Earth Collen Mbongeni Kounane, 2014-05-02 Hope of Grace Ministry God gave him a vision to unite all men to the fullness of the body of Christ and to live in holiness and in peace as the mandate God gave to us is not to recreate

but to enhance men of God to be more effective absolutely in their churches and also in the world Our mission is also to support all those that are called by God through the Word and to break every limitation in all dimensions of life as we are moving with the apostolic kingdoms nature and also to manifest the mysteries of God in the world as we had personal encounters with Christ
