Seeking God Jonathan Edwards Evangelism Contrasted With Modern Methodologies:

Seeking God Jonathan Edwards, 2001 17 sermons and treatises by Jonathan Edwards including three sermons not published prior to 2001 with commentary on each sermon by William C Nichols contrasting Edwards evangelism with that of today *Reading Jonathan Edwards* M.X. Lesser, 2008-02-13 This compilation of reader response to Jonathan Edwards spanning 276 years includes a reprint of two earlier works Jonathan Edwards A Reference Guide 1981 and Jonathan Edwards An Annotated Bibliography 1994 and the publication of a third a gathering of commentary from 1994 to 2005 Nearly 140 essays have been added to the first and second works while the last new gathering which includes a celebration of the tercentenary of Edwards s birth adds another 700 to the whole The text preserves the pattern of arranging items alphabetically within a given year and of recording cross references Essays in a collection are annotated serially rather than alphabetically Each of the three sections is self contained with an introduction and annotated bibliography of its own Adding to the immense value of this work to Edwards scholars are the chronology of Edwards s works listed by date and by short and long title which precedes the entire work and the three comprehensive indexes of authors and titles of subjects and additions to the previous volumes The Legacy of Jonathan Edwards in the Theology of Andrew Fuller Chris Chun, 2012-03-26 This book focuses on the legacy of Jonathan Edwards on the Particular Baptists by way of apprehending theories held by their congregations during the eighteenth and nineteenth centuries In particular special attention is directed to the Edwardsean legacy as manifested in the theology of Andrew Fuller The monograph positions itself between Edwards and Fuller in the transatlantic early modern period and attempts by the two theologians to express a coherent understanding of traditional dogma within the context of the Enlightenment The scope of the research traces Fuller s theological indebtedness by way of historical reconstruction textual expositions and theological and philosophical implications of the following works Freedom of the Will Religious Affections Humble Attempt and Justification by Faith Alone et al Edwards on the Christian Life Dane Ortlund, 2014-08-31 Jonathan Edwards is widely hailed as the greatest theologian in American history In Edwards on the Christian Life Dane Ortlund invites us to explore the great eighteenth century pastor s central passion God s resplendent beauty Whether reflecting on the nature of love the preeminence of Scripture or the glory of the natural world the concept of beauty stood at the heart of Edwards s theology and permeated his portrait of the Christian life Clear and engaging this accessible volume will inspire you to embrace Edwards s magnificent vision of what it means to be a Christian enjoying and reflecting of the beauty of God in all things Part of the Theologians on the Christian Life series *Children before God* John McNeill, 2017-11-09 This work seeks to delineate a theological framework into which biblically informed imagery and language of children in relation to God can be placed McNeill s aim is to offer a work of positive construction within the general Reformed tradition The book shows that John Calvin has much to offer in this respect but by examining the imagery and language of children in his works it is shown that Calvin is not adequately biblically informed in this area McNeill argues

that Jonathan Edwards provides a theological tool that enables a construal of children more in keeping with biblical language and imagery The book then offers a general critique of current child development theories in which providential activity in child development is more or less ignored By adopting Calvin s theological framework to understand children before God it is argued that the integration of child development and divine providence becomes a distinct possibility This work should be of interest to those working in biblical childhood Calvin and Edwards studies as well as to the more general practitioner working with children in church and society

Jonathan Edwards for the Church William M. Schweitzer, 2015-08-10 It is not always appreciated that Edwards labored within and for the church His writings offer tremendous help and encouragement to those who like Edwards are called to serve the people of God One challenge to modern readership is that Edwards output is both voluminous and diffuse Jonathan Edwards for the Church has done our generation the invaluable service of compiling and distilling Edwards wisdom on the ministry and the means of grace The essays in this volume will challenge refresh and invigorate as they place us at the feet of one who committed his life and energies to the glory of the church s Head Jesus Christ from publisher

Jonathan Edwards and the Immediacy of God John Carrick, 2020-12-09 Jonathan Edwards is one of the outstanding figures in the history of the Christian church he was quite simply a man of towering intellect and towering spirituality But it has been noted even by his friends and admirers that his thought is also marked at times by certain idiosyncrasies which inevitably introduce certain complexities into his philosophical theological system This study contends that the theme of divine immediacy is the controlling theme and the correlating principle within Edwards s thought It

analyzes the theme of divine immediacy in the thought of Jonathan Edwards under four major heads creation the will ecclesiology and spiritual experience Indeed Dr Carrick claims that the theme of the immediacy of God is the Ariadne s thread which runs with consistency through the multiple aspects of Edwards s philosophical theological ecclesiological experiential and homiletical interests But sometimes a man s strength is also his weakness and it would appear that Edwards s profound commitment to the concept and the reality of the immediacy of God entails significant problems for his entire philosophical theological system Edwards s concept of divine immediacy finds its supreme expression surely in his doctrine of continuous creation but is it not the case that this doctrine of continuous creation is in conflict with his determinism that its tendency is to destroy the moral responsibility of man and that it makes God both the author and the actor of sin In short is it not the case that Edwards s Ariadne s thread is in fact also his Achilles heel *The Works of Jonathan Edwards* Jonathan Edwards,1839 Understanding Jonathan Edwards Gerald R McDermott,2009 This title is an introduction to Jonathan Edwards 1703-58 It looks at subjects which Edwards considered vitally important such as revival Bible typology aesthetics literature and preaching philosophy and world religions **Selected Writings of Jonathan Edwards** Jonathan Edwards,1970 This book captures many different aspects of Jonathan Edwards through his writings speeches *Jonathan Edwards: Writings from the Great Awakening (LOA #245)* Jonathan Edwards,2013-10-17 A collection of writings from and about New England s Great Awakening a spiritual movement that gave rise to American evangelicalism from the theologian and philosopher who first reported it to the masses Jonathan Edwards 1703-1758 is recognized today as a great theologian and philosopher In his own day Edwards was best known as a leader of what is now known as the Great Awakening a series of small town revivals that mushroomed into a movement credited with giving birth to American evangelicalism and laying the groundwork for the American Revolution In authoritative texts drawn from first editions and manuscript sources this volume brings together all of Edwards s essential writings from and about the revivals including the famous sermon Sinners in the Hands of an Angry God and his vivid Faithful Narrative of the Surprising Work of God in the Conversion of Many Hundreds of Souls the work that first publicized the awakenings Characterized by precise logic and powerful imagery his writing continues to inspire students and spiritual seekers alike LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation s literary heritage by publishing and keeping permanently in print America s best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries **Selected Sermons of Jonathan Edwards** Jonathan Edwards,1904 **The Works of Jonathan Edwards, Volume Two** , *Jonathan Edwards and the Enlightenment* Josh Moody,2005 To find more information about Rowman Littlefield titles please visit us at www.rowmanlittlefield.com
