Seeking the Soul: the Music of Alfred Schnittke George Odam, 2002

The Routledge Handbook to the Music of Alfred Schnittke Gavin Dixon, 2022-01-31 The Routledge Handbook to the Music of Alfred Schnittke is a comprehensive study of the work of one of the most important Russian

composers of the late 20th century Each piece is discussed in detail with particular attention to the composer s groundbreaking polystylism as well as his unique approach to musical symbolism and his deep engagement with Christian themes This is the first publication to look at Schnittke s output in its entirety and for most works it represents either the first ever published analysis or the first in a language other than Russian The volume presents new research from the Ivashkin Schnittke Archive at Goldsmiths University of London and the collection of Schnittke s compositional sketches at the Julliard Library in New York It also draws on the substantial research on Schnittke s music published in the Russian language Including a work list and bibliography of primary and secondary sources this is an essential reference for all those interested in Russian music 20th century music and performance studies

Performing Pain Maria Cizmic, 2012-01-12 Time after time people turn to music when coping with traumatic life events Music can help process emotions interpret memories and create a sense of collective identity In *Performing Pain* author Maria Cizmic focuses on the late 20th century in Eastern Europe as she uncovers music s relationships to trauma and grief The 1970s and 1980s witnessed a cultural preoccupation in this region with the meanings of historical suffering particularly surrounding the Second World War and the Stalinist era Journalists historians writers artists and filmmakers frequently negotiated themes related to pain and memory truth and history morality and spirituality during glasnost and the years leading up to it *Performing Pain* considers how works by composers Alfred Schnittke Galina Ustvolskaya Arvo Part and Henryk Gorecki musically address contemporary concerns regarding history and suffering through composition performance and reception Taking theoretical cues from psychology sociology and literary and cultural studies Cizmic offers a set of hermeneutic essays that demonstrate the ways in which people employ music in order to make sense of historical traumas and losses Seemingly postmodern compositional choices such as quotation fragmentation and stasis create musical analogies to psychological and emotional responses to trauma and grief and the physical realities of their embodied performance focus attention on the ethics of pain and representation Furthermore as film music these works participate in contemporary debates regarding memory and trauma A comprehensive and innovative study *Performing Pain* will fascinate scholars interested in the music of Eastern Europe and in aesthetic articulations of suffering
