Seize The Moment Share The Message And God Will Change Lives:

Seize the Moment, Share the Message Roberta Kuhne, 2006-06 Primarily for women this book sensitively addresses Christians fears of not having the right personality spiritual gifts or circumstances to share the Gospel Helps readers tap into God given gifts talents and witness to others *The Christian Librarian* ,1995 *God's End-Time Calendar* Rod Parsley, 2015-09-01 UNFORTUNATELY WE LIVE IN A CULTURE that has made a habit of not just ignoring but overthrowing time tested principles that would direct us to virtue and victory if we would observe them As we see catastrophes and calamities around the world and the continual upheaval of the foundations and values we hold so dear we can t help but wonder what God in heaven is saying to His church HOW SHOULD WE INTERPRET THE TURMOIL WE SEE AROUND US AND IN THE WORLD Is there a message God wants to relay by the four blood moons that appeared on the feasts of Passover and Tabernacles in 2014 and 2015 Delve into the prophetic meaning of these signs in God s End Time Calendar This book holds a road map to help you uncover the deep mysteries of God s intentions for celestial signs to reveal the connection between the old and new covenants and to prepare you as we head toward the dawn of eternity **Let God Change Your Life** Greg Laurie, 2011-06-01 Evangelist Greg Laurie calls all Christians back to radical New Testament living in his latest offering Let God Change Your Life Imagine what it would have been like to be a follower of Jesus first century Christians walked away from their old lives just to be where He was What they learned sitting at His feet was discipleship And when His work on earth was done first century Christians took His words and example and spread out teaching the gospel to everyone The good news is that we too can participate in this lifestyle Laurie drills it down in three simple ideas get to know Jesus follow His plan for discipleship and use it to tell others what we know Laurie s tone is clear direct and biblical **Shadow Minister** Pastor Paul Leacock, 1901 An Essential Resource for Associate Pastors and Ministers at all Levels In an egotistical world we are deemed successful only when we are number one This idea is so embedded in our psyches we spend our entire lives trying to reach the top sometimes at all costs But is full accomplishment only experienced when you are at the top Can you succeed in ministry without occupying the chief seat of leadership and power In this theological and personal reflection the author gives voice to many unspoken experiences and ambitions of associate ministers who faithfully serve their more prominent and popular leaders unnoticed Having served successfully in the shadow of one of the most outstanding pastors and congressmen in the USA the author writes from a wealth of knowledge and experience Drawing from his personal and vocational journey he boldly redefines success in ministry and demonstrates that fulfillment and success are possible even in a subsidiary capacity This insightful book will engage empower and encourage you to Optimize your skills and gifts right where you are Relinquish the idea that to be or feel successful you must hold the top spot Have meaningful reflection on your own experiences Better appreciate your role as an associate minister lay leader Achieve excellence in your service to God and His people Apply the principles therein to find success in your vocation at any level Avoid frustration impatience and

apathy in your ministry **The Cross** Rod Parsley, 2013-10-01 Rediscovering the Beautiful Scandalous Cross of Jesus Christ The cross is the hinge point of human history It is the fulcrum of God s grand brilliant lever four thousand years in the crafting that in a single day pried a fallen world from Satan s grasp The centrality of the cross is the hallmark of an authentic life giving gospel But today we stand at an intersection a literal crossroads of history in which for many even those with a genuine love for God and His Word the cross has lost its importance In *The Cross* Rod Parsley takes you deep into the mysterious territories of what the Bible calls the foolishness of the cross and the scandal of Jesus s sacrifice to explore the significance of the cross in the unfailing light of Scripture It is at the foot of the cross and there alone that we can look with wonder upon the raw ferocity of God s love for us To accept it and glory in it this is the only truly rational response Come along as we rediscover the power majesty and beauty of the cross and learn anew how to claim that power for your life

Idolatry in America Rod Parsley, 2024-02-06 There s a deadly truth behind our nation s famine After reading this book you will understand the deadly grip of sin and its destructive nature for your personal life and community You will learn how you can repent and seek God for a spiritual awakening in our nation Sin stops the rain Moses predicted it at Mount Sinai Solomon prayed about it at the dedication of the temple in Jerusalem Israel experienced it under the disastrous reign of Ahab and Jezebel The sin that particularly plagued ancient Israel was idolatry The drought they experienced was more than just a lack of water Amos 8 11 says The time is coming says the Lord God when I will send a famine on the land not a famine of bread nor a thirst for water but of hearing the words of the Lord Here in America the megadrought that has gripped much of the West and portions of the heartland has made headlines The Mississippi River was so low that barges were getting stuck on the bottom Lake Mead has been at historically low levels The Great Salt Lake in Utah is disappearing Negotiations for allocations of water from the Colorado River are becoming more and more contentious Could it be that these conditions are only harbingers of a more systemic and serious spiritual famine Sin stops the rain In *Idolatry in America* Dr Rod Parsley identifies ten major areas of idolatry that have overtaken our country s culture Any one of them is deadly but together they constitute an unprecedented threat to the very existence of our nation There is a cure for this cultural epidemic a way to walk back from the brink of moral and spiritual disaster The choice is stark The consequences are severe The outcome will be stunning *American Book Publishing Record* , 1996 [100 Biblical Trailblazers: Life-Changing Lessons & Actionable Faith Hacks for Your Christian Journey](#)

Lest We Forget Otis Teague,2015-10-28 Purpose draws potential Potential brings to life destiny Understanding you have a purpose is the first brick on the road to destiny Otis Teague This book asked the question is the church the worlds only hope That with all the challenges and changes people are facing within todays society in the game called life when there is an ever increasing need for hope where is the church and has the church simply been sidelined with injuries One of the greater questions is have we lost sight of the things in this world that really matter Do people still matter or has that focus been lost behind all the distractions turmoil and mentalities of how much I can I gain in the here and now A book that speaks to your heart about how much you matter to God letting you know that God loves and that no matter what you have done or where you are in your life that you can make it If you would just get to know him trust that he is a keeper of his word and simply give him a chance to show you yourself The challenges we face are never more than we could handle though we never think about that while we are going through them But after you live through that significant life changing event you should realize and know that nothing can overtake you unless you let it and nothing is greater than the love God has for you **The Grace Embrace** Kim Mallette,2020-07-08 If we are honest with ourselves we know we need God s grace Most of us once we know our need want and seek it What then Is that the end of the matter Or did God pour out His grace on us in order to do more than just save us If we examine the accounts of Jesus s life and ministry and listen to His teachings we will discover that

when we receive His grace and truly embrace it this grace will begin to impact every facet of our lives and relationships. None of us deserve the grace of Jesus. But by His unfathomable act of love He has gifted us with both the incentive and empowerment to allow His grace to change our lives from the trivial to the triumphant. We will not view ourselves or others the same way ever again. So whether you read this book for your own personal growth or whether you join with others to discuss its biblical insights, be sure that you don't miss the opportunity to embrace the grace of Jesus.

Out My Window Barbara Durnil, 2022-12-28 This is the story of an empty nester widow who decides to isolate not alone but with God at the beginning of the COVID 19 pandemic. She has always thought a monastic life would be wonderful. She could shelter away from life's social responsibilities and interruptions simply to study God's Word and to talk with Him. She is going on sabbatical. She has two Bible studies already started when the shutdown began and several studies she wants to pursue. She also journals and enjoys writing what she hears God telling her. She is in for a big surprise when God begins His lessons for her. There are wonderful things presented for her to learn new revelations and thought provoking information that had never occurred to her. There are also emotions, frustrations, and Satan's presence to throw her off. These are all met by God showing her the way out. Even when she stumbles and weakens to despair or anger about the scene out her window, God takes the guilt from her and loves her. He is a merciful God. She learns of His holiness, grace, and mercy but also sees His working hand of judgment out the window as she watches the direction of the human race. She learns that mercy and judgment are in equal quantities as they exist together at the same time. True repentance is what changes judgment to mercy. Her lessons come daily and she becomes a true disciple of Christ, taking in every word He speaks and asking questions in return. All that was needed was time alone, no distractions, and her full attention on God. The world grows dark out her window. And at first it frightens her, but God shows her truths and reminds her of His plan. He prepares her to be a part of His plan and to eventually return to the world walking in that plan. The time is not yet, but it is coming, and she waits for it. 87
