Black Power, Yellow Power, and the Making of Revolutionary Identities Rychetta Watkins, 2012-01-03 Images of upraised fists afros and dashikis have long dominated the collective memory of Black Power and its proponents The guerilla figure taking the form of the black leather clad revolutionary within the Black Panther Party has become an iconic trope in American popular culture That politically radical figure however has been shaped as much by Asian American cultural discourse as by African American political ideology From the Asian African Conference held in April of 1955 in Bandung Indonesia onward to the present Afro Asian political collaboration has been active and influential In Black Power Yellow Power and the Making of Revolutionary Identities author Rychetta Watkins uses the guerilla figure as a point of departure and shows how the trope's rhetoric animates discourses of representation and identity in African American and Asian American literature and culture In doing so she examines the notion of Power in terms of ethnic political identity and explores collaborating and sometimes competing ethnic interests that have drawn ideas from the concept The project brings together a range of texts editorial cartoons newspaper articles novels visual propaganda and essays that illustrate the emergence of this subjectivity in Asian American and African American cultural productions during the Power period roughly 1966 through 1981 After a case study of the cultural politics of academic anthologies and the cooperation between Frank Chin and Ishmael Reed the volume culminates with analyses of this trope in Sam Greenlee's *The Spook Who Sat by the Door* Alice Walker's *Meridian* and John Okada's *No No Boy*

The debate on black civil rights in America Kevern Verney, 2024-01-16 This book examines the historiography of the African American freedom struggle from the 1890s to the present It considers how and why the study of African American history developed from being a marginalized subject in American universities and colleges at the start of the twentieth century to become one of the most extensively researched fields in American history today There is analysis of the changing scholarly interpretations of African American leaders from Booker T Washington through to Barack Obama The impact and significance of the leading civil rights organizations are assessed as well as the white segregationists who opposed them and the civil rights policies of presidential administrations

from Woodrow Wilson to Donald Trump The civil rights struggle is also discussed in the context of wider political social and economic changes in the United States and developments in popular culture **New Perspectives on the Vietnam War**
Andrew A. Wiest, Mary Barbier, Glenn Robins, The Vietnam War was one of the most heavily documented conflicts of the twentieth century Although the events themselves recede further into history every year the political and cultural changes the war brought about continue to resonate even as a new generation of Americans grapples with its own divisive conflict
America and the Vietnam War Re examining the Culture and History of a Generation reconsiders the social and cultural aspects of the conflict that helped to fundamentally change the nation With chapters written by subject area specialists
America and the Vietnam War takes on subjects such as women s role in the war the music and the films of the time the Vietnamese perspective race and the war and veterans and post traumatic stress disorder **Making War on Bodies**
Catherine Baker, 2020-03-02 No detailed description available for Making War on Bodies **In Struggle** Clayborne
Carson, 1995-04-03 With its radical ideology and tactics the Student Nonviolent Coordinating Committee SNCC was the cutting edge of the civil rights movement in the 60s This sympathetic yet evenhanded book records for the first time the complete story of SNCC s evolution of its successes and its difficulties in the ongoing struggle to end white oppression
