BOOK DESCRIPTION All civilizations have a story or myth of an Armageddon a great war where good and evil will clash fighting for the fate of the Universe Some say good will triumph others say not In the time of Troy three god forged items were crafted None of the gods who made these artifacts knew of the vital role each will play in that battle until history has molded them to its own needs From Troy through Moses and to the Emperors of Rome these items have been influenced by the sins and virtues of those who held them and in return they have influenced their holders From one hand to another they have been passed through the generations Only centuries after their making will their final purpose be known No one truly knows when Armageddon is supposed to begin but many believe it is right around the corner They may very well be right A time approaches where these artifacts will be sought whether for good or evil remains to be seen But to understand what these items are it must be told how they came to be From Troy to Egypt and the Promised Land the Cup of Apollo becomes the prize of a young man with a slingshot A young man who would one day become King

Sex in Industry: a Plea for the Working-girl Azel Ames, 1875 *A Tribe Apart* Patricia Hersch, 2013-02-06 For three fascinating disturbing years writer Patricia Hersch journeyed inside a world that is as familiar as our own children and yet as alien as some exotic culture the world of adolescence As a silent attentive partner she followed eight teenagers in the typically American town of Reston Virginia listening to their stories observing their rituals watching them fulfill their dreams and enact their tragedies What she found was that America's teens have fashioned a fully defined culture that adults neither see nor imagine a culture of

unprecedented freedom and baffling complexity a culture with rules but no structure values but no clear morality codes but no consistency Is it society itself that has created this separate teen community Resigned to the attitude that adolescents simply live in a tribe apart adults have pulled away relinquishing responsibility and supervision allowing the unhealthy behaviors of teens to flourish Ultimately this rift between adults and teenagers robs both generations of meaningful connections For everyone s world is made richer and more challenging by having adolescents in it Sex and the Soul, Updated Edition Donna Freitas,2015-02-27 First published in 2008 Donna Freitas s Sex and the Soul revealed what college students at institutions large and small public and private secular Catholic and evangelical really think about sex dating religion and spirituality Based on face to face interviews with students across the country Sex and the Soul achieved national acclaim illuminating the as yet unexplored struggles of college students navigating the lines of faith and sexuality Now in this updated edition Freitas reflects on the hundreds of conversations she has had with students since the book was first published in an all new afterword and offers practical advice for young people struggling with issues of sex and spirituality and for the adults giving them guidance *Crazy Good Sex* Les Parrott,2009 In this practical guidebook filled with straight talk psychologist and bestselling author Dr Les Parrott shares six secrets to help men and their wives experience the best sex they ve ever had *Psychology of Sex* Havelock Ellis,1901 Chinese-English Dictionary of the Vernacular Or Spoken Language of Amoy Carstairs Douglas,1899 Ebony ,1998-03 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine
