University of California University of California, Berkeley, 1926 Models of Qualitative Research Colleen M. Conway, 2020
In this new paperback edition of scholarship from The Oxford Handbook of Qualitative Research in American Music
Education authors highlight the use of qualitative research to examine diverse musical contexts general music large
ensembles etc and individual experiences students teachers etc encountered in the field **A Place of Recourse** Roberta
Sue Alexander, 2005 The first history of a federal district court in a midwestern state A Place of Recourse explains a district
court's function and how its mission has evolved The court has grown from an obscure institution adjudicating minor debt
and land disputes to one that plays a central role in the political economic and social lives of southern Ohioans In tracing the
court's development Alexander explores the central issues confronting the district court judges during each historical era
She describes how this court in a non slave state responded to fugitive slave laws and how a court whose jurisdiction
included a major coal mining region responded to striking workers and the unionization movement The book also documents
judicial responses to Prohibition New Deal legislation crime mass tort litigation and racial desegregation The history of a
court is also the history of its judges Accordingly Alexander provides historical insight on current and past judges She details
behind the scenes maneuvers in judicial appointments and also the creativity some judges displayed on the bench such as
Judge Leavitt who adopted admiralty law to deal with the problems of river traffic A Place of Recourse demonstrates that at
least in the Southern District of Ohio the federal district court has played the role its creators hoped it would upholding
federal law even when the citizens of the region actively opposed such enforcement *Issues in Pediatric and Adolescent*
