Sikhism Doris Jakobsh, 2012-03-02

This volume offers a comprehensive overview of Sikhism which originated in India's Punjab region five hundred years ago As the numbers of Sikhs settling outside of India continues to grow it is necessary to examine this religion both in its Indian context and as an increasingly global tradition While acknowledging the centrality of history and text in understanding the main tenets of Sikhism Doris Jakobsh highlights the religion's origins and development as a living spiritual tradition in communities around the world She pays careful attention to particular events movements and individuals that have contributed to important changes within the tradition and challenges stereotypical notions of Sikh homogeneity and stasis addressing the plurality of identities within the Sikh tradition both historically and within the contemporary milieu Extensive attention is paid to the role of women as well as the dominant social and kinship structures undergirding Punjabi Sikh society many of which have been widely transplanted through Sikh migration The migration patterns are themselves examined with particular focus on Sikh communities in the U S Canada and the U K Finally the volume concludes with a brief exploration of Sikhs and the Internet and the future of Sikhism

Indian Philosophy and Religion Dr. Ravi Prakash 'Bablu', 2021-09-11

In ancient Indian philosophy philosophy and religion cannot be separated primarily because of the cultural integration of religious practices

and mystical pursuits For example ceremonies celebrating birth marriage and death performed with recitations of Vedic verses mantras were important for bonding within ancient Indian societies Later different social practices developed Thus the orthodox classical schools of thought are distinguished from nonorthodox classical schools by their allegiance to established forms of social practice rather than to the doctrines of the Veda Buddhism for example constitutes much more of a break with Vedic practices than with the ideas developed in Vedic traditions of thought In fact the Upanishads mystical treatises continuous with the Vedas foretell many Buddhist teachings In ancient India religion did not entail dogma but rather a way of life that permitted a wide range of philosophic positions and inquiry Mysticism the claim that ultimate truth is only obtainable through spiritual experience dominates much ancient Indian philosophy This book has been intended as a manual for students of this subject Contents Truth and Validity Laws of Thought Truth Functions and Propositional Logic Hinduism Buddhism Jainism Sikhism **Indian Books in Print** ,2003 14000+ Chapterwise Questions Objective General Studies for UPSC /Railway/Banking/NDA/CDS/SSC and other competitive Exams Manohar Pandey,2022-02-28 1 The entire syllabus has been divided into sections 2 Questions covered in the book contains answers side by side 3 Provides Recent Years General Studies questions 4 Authentic and detailed solution have been given as per latest pattern 5 Each chapter contains variety of questions designed on the line of syllabus In any competitive examination the section of General Studies carries major part in fetching the good scores In order to crack the competition one is required to have a vigorous preparation of the subject Bringing you the updated edition of 14000 Objective Questions on General Studies that is designed to give you the collection of objective questions which will significantly improve the knowledge of the aspiring students This Question Bank focuses on Indian History Culture India World Geography Env Eco Indian Polity Indian Economy General Science Science Technology General Knowledge and Current Affairs and every section is divided into sub sections As the title name suggests this book provides more than 14000 questions for complete and proper practice of each subject With the authentic and detailed answers for question that helps students to get the insights of the examination pattern The book is the best preparation material for general studies for UPSC CSAT State PCS CDS NDA etc TOC History Culture India World Geography Env Eco Indian Polity Indian Economy General Science Science Technology General Knowledge and Current Affairs *Heirloom Treasures: The Cultural Tapestry of India* Arunima Hoskote,2020-08-22 This book is an anthology of stories from the magazine India Beckons We have picked up the best stories in the heritage culture and travel space and made a volume on that The stories talk about travel culture heritage and traditions of Indians India is a profoundly complex and beautiful country and as you travel across the country you can find some beautiful stories and places unravelling for the traveller The book is for people who would like to learn more about India s heritage and are looking for the right places in India to include in their travel plans This book is also a good read for children who want to learn about the diverse traditional and cultural values that stitch into the very fabric of India making it a popular tourist destination From Pochampally Ikat
