## **Shakespeare's Romeo And Juliet Texts Contexts And Interpretation:**

*Shakespeare's Romeo and Juliet* William Shakespeare, 1995 The essays collected here derive in part from a series of lectures International Perspectives on Shakespeare delivered at the University of Delaware during the academic year 1992-93 and partially supported by the Delaware Humanities Forum By coincidence three of the six scholars chose one of Shakespeare's most enduring and beloved tragedies Romeo and Juliet for their subject but each approached the play from different points of view All the essays are published here for the first time in English They offer new perspectives on Romeo and Juliet that all students of the play will find both illuminating and useful **Romeo and Juliet** William

Shakespeare, 2001-02 Applause Books These popular editions allow the reader and student to look beyond the scholarly reading text to the more sensuous more collaborative more malleable performance text which emerges in conjunction with the commentary and notes Each note each gloss each commentary reflects the stage life of the play with constant reference to the challenge of the text in performance Readers will not only discover an enlivened Shakespeare they will be empowered to rehearse and direct their own productions of the imagination in the process *The Cambridge Companion to*

*Shakespearean Comedy* Alexander Leggatt, 2002 An accessible wide ranging and informed introduction to Shakespeare's comedies dark comedies and romances first published in 2001 **Shakespeare, Romeo and Juliet, and Civic Life** Silvia

Bigliazzi, Lisanna Calvi, 2015-09-16 This volume introduces civic Shakespeare as a new and complex category entailing the dynamic relation between the individual and the community on issues of authority liberty and cultural production It investigates civic Shakespeare through Romeo and Juliet as a case study for an interrogation of the limits and possibilities of theatre and the idea of the civic The play's focus on civil strife political challenge and the rise of a new conception of the individual within society makes it an ideal site to examine how early modern civic topics were received and reconfigured on stage and how the play has triggered ever new interpretations and civic performances over time The essays focus on the way the play reflects civic life through the dramatization of issues of crisis and reconciliation when private and public spaces are brought to conflict but also concentrate on the way the play has subsequently entered the public space of civic life Set within the fertile context of performance studies and inspired by philosophical and sociological approaches this book helps clarify the role of theatre within civic space while questioning the relation between citizens as spectators and the community The wide ranging chapters cover problems of civil interaction and their onstage representation dealing with urban and household spaces the boundaries of social relations and legal economic political and religious regulation and the public dimension of memory and celebration This volume articulates civic Romeo and Juliet from the sources of genre to contemporary multicultural performances in political contact zones and civic Shakespeares exploring the Bard and this play within the context of communal practices and their relations with institutions and civic interests **William Shakespeare, Romeo**

**Shakespeare and the Political Way** Elizabeth Frazer, 2020 This book develops an original approach to theories of political power and seeks to show the particular value of examining these issues through the frame of Shakespeare s plays

Shakespeare for the wiser sort Steve Sohmer, 2018-07-30 William Shakespeare s plays are riddled with passages scenes and sudden plot twists which baffle and confound the most devoted playgoer and the most attentive commentator Why for example didn t Hamlet succeed to the throne of Denmark at the instant of his father s death It s not because the Danish throne was elective Why does Chorus in Romeo and Juliet promise his audience two houres trafficke of our stage when the play obviously runs almost three hours How is it that Old Hamlet sent his son to school in Protestant Wittenberg but his

Ghost was sent to Catholic Purgatory and is there cause and effect here How can Lancelot Gobbo be correct and he is when he claims Black Monday the day after Easter and Ash Wednesday the 41st day before Easter once fell on the same day And what is a dram of eale This engaging and lucid book solves these tantalizing riddles and many others Shakespeare Scholars in Conversation Michael P. The Palgrave Handbook of Early Modern Literature and Science Howard Marchitello, Evelyn Tribble, 2017-02-27 This book is about the complex ways in which science and literature are mutually informing and mutually sustaining It does not cast the literary and the scientific as distinct but rather as productively in distinct cultural practices for the two dozen new essays collected here the presiding concern is no longer to ask how literary writers react to scientific writers but rather to study how literary and scientific practices are imbricated These specially commissioned essays from top scholars in the area range across vast territories and produce seemingly unlikely unions between physics and rhetoric math and Milton Boyle and the Bible plague and plays among many others In these essays so called scientific writing turns out to traffic in metaphor wit imagination and playfulness normally associated with literature provides material forms and rhetorical strategies for thinking physics mathematics archeology and medicine
