Council, 1877 **Nature's Symphony, Or, Lessons in Number Vibration** Sarah Joanna Balliett, 1968 **Genesis of the Shakespearean Works** Peter D. Matthews, 2017-06-11 This book is the result of fourteen years' research scrutinizing thousands of historical documents. Dr. Matthews reveals never-before-seen facts regarding the earliest quartos and the first folio, even new research into the leather cover of the Bodleian first folio and how that particular copy came into the possession of the Turbutt family. Dr. Matthews has forensically dated the majority of the Shakespearean plays twenty years before earlier scholars such as Rowe, Malone, and Chambers, some plays dated as early as 1561, 1559, and 1558, up to six years before William Shakespeare was born. Dr. Matthews' exemplary philosophical dissertation of the Shakespearean works and its critics reveals much about the identity of the real authors. A unique reference work essential to Shakespearean scholars and students alike, this crucial work redates the Shakespearean works, scrutinizes each candidate, and definitively answers the authorship debate. **The Freemason's Chronicle**, 1877 **The Fictional Lives of Shakespeare** Kevin Gilvary, 2017-12-12 Modern biographies of William Shakespeare abound; however, close scrutiny of the surviving records clearly shows that there is insufficient material for a cradle-to-grave account of his life. That most of what is written about him cannot be verified from primary sources and that Shakespearean biography did not attain scholarly or academic respectability until long after Samuel Schoenbaum published *William Shakespeare: A Documentary Life* in 1975. This study begins with a short survey of the history and practice of biography and then surveys the very limited biographical material.

for Shakespeare Although Shakespeare gradually attained the status as a national hero during the seventeenth and eighteenth centuries there were no serious attempts to reconstruct his life Any attempt at an account of his life or personality amounts however merely to biografiction Modern biographers differ sharply on Shakespeare s apparent relationships with Southampton and with Jonson which merely underlines the fact that the documentary record has to be greatly expanded through contextual description and speculation in order to appear like a Life of Shakespeare     **The Freemason and Masonic Illustrated.
