Shaking It Rough A Prison Memoir:

Shaking it Rough Andreas Schroeder, 1976 With insight and compassion Schroeder presents many aspects of life in a British Columbia prison 1976 *Shaking it Rough* [sound Recording] : a Prison Memoir Andreas Schroeder, 1976 **The Cage of Days** Michael G. Flaherty, K. C. Carceral, 2022-02-22 Prisons operate according to the clockwork logic of our criminal justice system we punish people by making them serve time *The Cage of Days* combines the perspectives of K C Carceral a formerly incarcerated convict criminologist and Michael G Flaherty a sociologist who studies temporal experience Drawing from Carceral's field notes his interviews with fellow inmates and convict memoirs this book reveals what time does to prisoners and what prisoners do to time Carceral and Flaherty consider the connection between the subjective dimensions of time and the existential circumstances of imprisonment Convicts find that their experience of time has become deeply distorted by the rhythm and routines of prison and by how authorities ensure that an inmate's time is under their control They become obsessed with the passage of time and preoccupied with regaining temporal autonomy creating elaborate strategies for modifying their perception of time To escape the feeling that their lives lack forward momentum prisoners devise distinctive ways to mark the passage of time but these tactics can backfire by intensifying their awareness of temporality Providing rich and nuanced analysis grounded in the distinctive voices of diverse prisoners *The Cage of Days* examines how prisons regulate time and how prisoners resist the temporal regime , *Criminal Intimacy* Regina Kunzel, 2022-03-22 Sex is usually assumed to be a closely guarded secret of prison life But it has long been the subject of intense scrutiny by both prison administrators and reformers as well as a source of fascination and anxiety for the American public Historically sex behind bars has evoked radically different responses from professionals and the public alike In *Criminal Intimacy* Regina Kunzel tracks these varying interpretations and reveals their foundational influence on modern thinking about sexuality and identity Historians have held the fusion of sexual desire and identity to be the defining marker of sexual modernity but sex behind bars often involving otherwise heterosexual prisoners calls those assumptions into question By exploring the sexual lives of prisoners and the sexual culture of prisons over the past two centuries along with the impact of a range of issues including race class and gender sexual violence prisoners rights activism and the HIV epidemic Kunzel discovers a world whose surprising plurality and mutability reveals the fissures and fault lines beneath modern sexuality itself Drawing on a wide range of sources including physicians psychiatrists sociologists correctional administrators journalists and prisoners themselves as well as depictions of prison life in popular culture Kunzel argues for the importance of the prison to the history of sexuality and for the centrality of ideas about sex and sexuality to the modern prison In the process she deepens and complicates our understanding of sexuality in America *Solidarity Beyond Bars* Jordan House, Asaf Rashid, 2022-11-15T00:00:00Z Prisons don't work but prisoners do Prisons are often critiqued as unjust but we hear little about the daily labour of incarcerated workers what they do how they do it who they do it for and under which

conditions Unions protect workers fighting for better pay and against discrimination and occupational health and safety concerns but prisoners are denied this protection despite being the lowest paid workers with the least choice in what they do the most vulnerable among the working class Starting from the perspective that work during imprisonment is not rehabilitative this book examines the reasons why people should care about prison labour and how prisoners have struggled to organize for labour power in the past Unionizing incarcerated workers is critical for both the labour movement and struggles for prison justice this book argues to negotiate changes to working conditions as well as the power dynamics within prisons themselves *Time and Punishment* Nicola Carr, Gwen Robinson, 2022-11-02 This book provides a novel exploration of time and temporality in relation to punishment and criminal sanctioning It goes beyond focussing on the prison to address punishment more broadly with contributions on punishment in the community including after periods of imprisonment and in areas of the criminal justice system which have typically received less attention such as prison transportation between prisons The collection also includes a focus on temporality in criminal justice policy and its potential impacts on speeding up justice as well as the experiential nature of punishment The book includes contributions from scholars in UK and Europe with largely original research and draws on the international literature It hopes to encourage punishment scholars to consider how ideas from the sociology of time can inform their own research **Catalog of Copyright Entries. Third Series**

Library of Congress. Copyright Office, 1977 **Across Canada by Story** Douglas Gibson, 2015-09-01 More adventures from one of Canada's premier editors and storytellers Canada is a country rich in stories and few take as much joy as Douglas Gibson in discovering them As one of the country's leading editors and publishers for 40 years he coaxed modern classics out of some of Canada's finest minds and then took to telling his own stories in his first memoir *Stories About Storytellers* Gibson turned his memoir into a one man stage show that eventually played almost 100 times in all ten provinces from coast to coast As a literary tourist he discovered even more about the land and its writers and harvested many more stories from distant past and recent memory to share Now in *Across Canada by Story* Gibson brings new stories about Robertson Davies Jack Hodgins W O Mitchell Alistair MacLeod and Alice Munro and adds lively portraits of Al Purdy Marshall McLuhan Margaret Laurence Guy Vanderhaeghe Margaret Atwood Wayne Johnson Linwood Barclay Michael Ondaatje and many many others Whether fly fishing in Haida Gwaii or sailing off Labrador Douglas Gibson is a first rate ambassador for Canada and the power of great stories *The Welfare State in Canada* Allan Moscovitch, 2006-01-01 The first major reference work of its kind in the social welfare field in Canada this volume is a selected bibliography of works on Canadian social welfare policy The entries in Part One treat general aspects of the origins development organization and administration of the welfare state in Canada included is a section covering basic statistical sources The entries in Part Two treat particular areas of policy such as unemployment disabled persons prisons child and family welfare health care and day care Also included are an introductory essay reviewing the literature on social welfare policy in Canada a User's Guide several appendices on archival
