Becoming New Yorkers Philip Kasinitz, John H. Mollenkopf, Mary C. Waters, 2004-08-20 More than half of New Yorkers under the age of eighteen are the children of immigrants This second generation shares with previous waves of immigrant youth the experience of attempting to reconcile their cultural heritage with American society In Becoming New Yorkers noted social scientists Philip Kasinitz John Mollenkopf and Mary Waters bring together in depth ethnographies of some of New York s largest immigrant populations to assess the experience of the

new second generation and to explore the ways in which they are changing the fabric of American culture *Becoming New Yorkers* looks at the experience of specific immigrant groups with regard to education jobs and community life Exploring immigrant education Nancy Lopez shows how teachers' low expectations of Dominican males often translate into lower graduation rates for boys than for girls In the labor market Dae Young Kim finds that Koreans young and old alike believe the second generation should use the opportunities provided by their parents' small business success to pursue less arduous more rewarding work than their parents' Analyzing civic life Amy Forester profiles how the high ranking members of a predominantly black labor union who came of age fighting for civil rights in the 1960s adjust to an increasingly large Caribbean membership that sees the leaders not as pioneers but as the old guard establishment In a revealing look at how the second generation views itself Sherry Ann Butterfield and Aviva Zeltzer Zubida point out that black West Indian and Russian Jewish immigrants often must choose whether to identify themselves alongside those with similar skin color or to differentiate themselves from both native blacks and whites based on their unique heritage Like many other groups studied here these two groups experience race as a fluid situational category that matters in some contexts but is irrelevant in others As immigrants move out of gateway cities and into the rest of the country America will increasingly look like the multicultural society vividly described in *Becoming New Yorkers* This insightful work paints a vibrant picture of the experience of second generation Americans as they adjust to American society and help to shape its future Reese Witherspoon Ursula Rivera, 2003 Chronicles the childhood marriage and family life and acting career of the star of such films as *Election* *Pleasantville* and *Legally Blonde* *Something's Gotta Give* Carrie Doyle, 2022-01-25 Nothing ruins an ocean view like a body on the beach Plum Lockhart went out on a limb when she ditched her corporate job in New York City and moved to the Caribbean island of Paraiso Now the head of her own villa broker agency Plum spends her days chasing down clients and lounging on white sand beaches But the sweet life turns sour when a publishing heiress is found dead at the mansion of an eccentric tycoon Dieter Friedrich Even worse Plum's old colleague cashes in a favor and asks her to investigate It looks like she'll need to fit a murder case into her already jam packed schedule Friedrich is known for his shady dealings but he's not the only bad apple on the island Plum will have to contend with a scheming millionaire a sleazy rockstar and devious B list celebrities And joining Plum once again is Juan Kevin Munoz the distractingly gorgeous Director of Security Despite the sparks between them they'll need to stay focused on the case there's a murderer hot on their heels **Elijah Wood** Danny Finger, 2003 Presents a biography of Elijah Wood Shakira Ursula Rivera, 2003 Presents a biography of Shakira Small Musical Worlds in the Mediterranean Avra Pieridou Skoutella, 2016-03-03 *Small Musical Worlds in the Mediterranean* is a pioneering book length study of the complex topics of identity ethnicity and global processes in children's musical lives in the Republic of Cyprus a Mediterranean country during its post colonial era What is it about this country's musical enculturation that made musical identity such a potent element in Greek Cypriot children's worlds How is history

tradition modernity ethnic fluidity syncretism and diversification in the Mediterranean negotiated in the construction of musical self and other in children's daily lives This book through a journey of fieldwork at home discusses how children select reject reproduce and transform meanings and create new ones at the micro level of their lives through which individuals and groups define themselves and others Towards this exploration musical identity in childhood is discussed in terms of cultural production and reproduction human expression inter relating and learning Ethnographic vignettes of children's musical practices and direct words add depth and humour to the flow of the book This study is a synthesis of ethnomusicology musical anthropology education and folklore in which the author effectively weaves together theories of musical enculturation and identity sociocultural learning and human agency The book will be invaluable to scholars interested in musical enculturation musical identities children's contextual musical practices ethnicity globalization studies music education and Mediterranean studies

Robson, Shriya Ruparelia, Phoebe Singer, Shona Smith, Aimee Spence, Lauren Spokes, Srishti Verma, Amy Wilkinson, Zenab Anwar, 2021-08-16 A lot of people know a lot of stuff and most of us don't get to share the best bits with other people So this book gets together twenty one recent graduates to share something they think you should know Among other things you can learn Why you should care about Japan's ageing population How a baby is made after the fun bit How the English and Scottish dealt with witches Why we should think about disasters a bit differently How performance analysis works in sport Our editors graduated from university in 2008 during the last once in a lifetime financial armageddon The idea behind this book was to allow recent graduates who are hitting the real world a full twelve years after it went wrong last time an opportunity to do something interesting with their time Our experience tells us the next few years worth of graduates will spend a long time being called lazy and stupid for the crime of being born about twenty one years before it all went pear shaped So for our authors at least they will have something to point at that they have achieved to disprove that But mostly we just wanted to get together twenty one chapters worth of stuff we didn't know before

Digital Solidarity in Education Mary T. Kolesinski, Evelyn Nelson-Weaver, Daryl Diamond, 2013-09-11 Digital Solidarity in Education is a book for educators scholars and students interested in better understanding both the role technology can play in schools and its potential for strengthening communities optimizing the effects of globalization and increasing educational access The digital solidarity movement prioritizes the engagement and mobilization of students from diverse racial ethnic linguistic and economic backgrounds and with giftedness and or disabilities to utilize and apply technologies This powerful book introduces innovative technological programs including virtual schools e tutoring and interactive online communities for K 12 students that can increase students knowledge and understanding of advanced concepts while reinforcing their basic skills reinforce students communication in their first language while introducing second and third language possibilities nurture students

capabilities to think analytically while using creative and innovative ideas to think simultaneously outside of the box The experienced author team shows how collaborative partners from the private sector can assist public school systems and educators in creating access for all students to technological innovations with a goal of increasing individual opportunities for future college and career success Combining theoretical scholarship and research with the personal perspectives of practitioners in the field this volume shares with readers both the nuts and bolts of using technology in education and the importance of doing so Postgraduate Study in South Africa Liezel Frick,Puleng Motshoane,Christopher McMaster,2016-11-21 The book explores concerns about the lack of higher education transformation around issues of equity curriculum reform language and race and how students navigate higher education complexities Students self reflective abilities creativity and pragmatic approaches to surviving and succeeding are indicators that postgraduate student success is as much internally as externally determined Each chapter speaks from a uniquely South African perspective The editors have tried to remain true to the voice of each contributor while simultaneously providing a coherent body of scholarly work *To the Death (Large Print 16pt)* Patrick Robinson,2010-06 From the 1 New York Times bestselling author Patrick Robinson comes his most provocative international thriller and the much much anticipated conclusion of his renowned series starring Admiral Arnold Morgan and his terrorist nemesis General Ravi Rashood The hunt begins when a bomb explodes in Boston s Logan Airport and Admiral Arnold Morgan *The Palgrave Handbook of Critical Music Industry Studies* David Arditi,Ryan Nolan,2024-09-28 The Handbook of Critical Music Industry Studies provides students and researchers with the means to think about how the performance recording and publishing of music could be if we do things differently People are hungry for a more equitable music performance and recording system The industry exudes patriarchy white supremacy cultural imperialism ableism and worker exploitation In the context of gendered e g MeToo and TimesUp and racialized e g Black Lives Matter inequity rampant precarity and casualization and modes of musical dissemination that are changing faster than policymakers and regulatory bodies can keep up with the timing for assembling such an interdisciplinary collection could not be more appropriate Essays in this handbook will tackle power structures at root in the music industry and the academic study of the field Topics covered include the politics of representation and power in the global music industries the labor of music music as media including data and algorithmic culture and copyright intellectual property among others Chapter 35 is available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com) *Music Sponsorship at a Turning Point* Angela Hund-Göschel,2009 Sponsorship has become an established tool within the marketing mix of many companies A sponsorship can provide significant benefits for companies and brands e g by increasing awareness and generating image transfers and thereby activating potential customers and multipliers In Germany a large number of companies have experiences as a sponsor and dedicate a substantial share of their communication budget to sponsorships often primarily in the sports market However recent developments like numerous doping scandals caused a shift of public

interest in favour of other areas e.g. culture. And since the latter market continuously gains relevance and is being covered by media, it has become more attractive for sponsors too. Within the cultural area, music plays a central role in western cultures and has the potential to grow even further. Due to fast spreading new technologies like the Internet and the overall digitalisation, music has become accessible practically everywhere and for everyone. At the same time, the structure of the music industry, the roles of market participants as well as existing business models are subject to drastic changes. In conjunction with the increasing variety of potential music sponsoring measures, the present development provides new chances and risks for sponsors. This work examines how companies can take advantage of the latest developments within the music industry regarding sponsorship. Thereto, the markets of music and sponsorship are analysed and relevant opportunities and threats for potential sponsors on the music market are derived. Based on the findings, strategic advice is given for companies considering sponsoring activities in the music industry.

2.0 The Crisis, 2008. The Crisis, founded by W. E. B. Du Bois, is the official publication of the NAACP. It is a journal of civil rights, history, politics, and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color. For nearly 100 years, The Crisis has been the magazine of opinion and thought leaders, decision makers, peacemakers, and justice seekers. It has chronicled informed, educated, entertained, and in many instances, set the economic, political, and social agenda for our nation and its multi-ethnic citizens.

An American Woman in Kuwait, Stephanie C. Fox, 2012-03-08. An American Woman in Kuwait is a travelogue written by an American lawyer who accompanied her husband, a Ph.D. immunologist, to Kuwait. The trip spanned almost six months during the cooler parts of the year, from November 2004 to May 2005. This is an account that is academic rather than light armchair reading. Kuwait is a tiny nation covered almost entirely by barren desert. Its huge petroleum reserves and strategic location have made it a playing field on which great military conflicts have been settled during the past two decades. The country, located at the northern end of the Persian Gulf, became one of the wealthiest nations in history following the discovery of oil in 1938, and development of the oil fields brought its citizens an unparalleled level of personal comfort. The author lived among Kuwaitis, ate traditional foods, mingled with Kuwaitis, studied Kuwaiti history, visited most of its museums, and spent a weekend with her husband at the Wafra Farms Oasis as Kuwaitis celebrated their Independence and Liberation Day holidays. She was even lucky enough to meet Kuwait's most famous woman suffragist, Rola A. Al-Dashti, Ph.D. Stephanie made friends with Kuwaitis. She and her husband met people from Kuwait's large community of expatriates: Egyptians, Turks, Syrians, and even one man from Saudi Arabia, which led to a hilarious encounter. Their cat, Scheherazade, a Kuwaiti war veteran, herself accompanied Stephanie to Kuwait. An American Woman in Kuwait is also the perfect guide for anyone traveling with a pet in the Islamic world. The book includes a glossary of Arabic words with a bibliography of the books and articles she read while in Kuwait.
