*AB Bookman's Weekly*, 1997      **Douglas Coupland** Andrew Tate, 2013-07-19 This book is the first full length study of Douglas Coupland one of the twenty first century s most innovative and influential novelists The study explores the prolific first decade and a half of Coupland s career from *Generation X Tales for an Accelerated Culture* 1991 to *JPod* 2006 a period in which he published ten novels and four significant volumes of non fiction Emerging in the last decade of the twentieth century amidst the absurd contradictions of instantaneous global communication and acute poverty Coupland s novels short stories essays and visual art have intervened in specifically contemporary debates regarding authenticity artifice and art This book explores Coupland s response in ground breaking novels such as *Microserfs* *Girlfriend in a Coma* and *Miss Wyoming* to some of the most pressing issues of our times Designed for students researchers and general readers alike the study is structured around thematically focused chapters that consider Coupland s engagement with narrative consumer culture space religion and ideas of the future

*The Canadian Encyclopedia* James H. Marsh, 1999 This edition of *The Canadian Encyclopedia* is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the

23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

**The Church on the World's Turf** Paul A. Bramadat, 2000-06-29 Is it possible for conservative Protestant groups to survive in secular institutional settings Here Bramadat offers an ethnographic study of the Inter Varsity Christian Fellowship IVCF at McMaster University a group that espouses fundamentalist interpretations of the Bible women's roles the age of the earth alcohol consumption and sexual ethics In examining this group Bramadat demonstrates how this tiny minority thrives within the overwhelmingly secular context of the University *New York Magazine*, 1993-10-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

**Coping with Postmodernity** Martin Villwock, 2011-06-08 Examination Thesis from the year 2008 in the subject Didactics for the subject English Pedagogy Literature Studies grade 1-3 University of Cologne Englisches Seminar language English abstract In the following chapter of this paper an outline of the present ontological crisis in terms of Lyotard's postmodern condition will be given Throughout the discussion of Coupland's fiction this concept will be relevant for its influence on the characters' thoughts and emotions Furthermore the chapter will analyze the importance and self-referentiality of narrative structures in Coupland's work The characters in Coupland's novels often come up with a plentitude of more or less successful strategies in order to deal with the semantic void they experience For this chapter material will be presented predominantly from the novels *All Families are Psychotic* *Generation X* and *Microserfs* The third chapter will focus on the presentation of working life in Coupland's prose His novels reveal that work today has lost its former function as a source of orientation In this analysis the concept of alienation as introduced by Karl Marx will be used in order to grasp the nature of the conflict that the characters experience in their working lives in Coupland's novels The chapter will focus on the

presentation of working life in *Generation X Microserfs* and *Shampoo Planet* A fourth chapter will introduce yet a further source of disorientation the hyperreality constituted by the media Here Baudrillard's observations 1983 and 1994 will serve as a starting point in a discussion of the experience of the hyperreal and the possibility of contact with the real in Coupland's work Again material will be presented from the novels *Generation X Microserfs* and *Shampoo Planet* The subsequent chapter will consider the important role that irony plays in several of the analyzed novels Douglas Coupland particularly in his first novels impresses his readers with a smart and thoroughly ironic tone In his later novels however he is deliberately trying to establish a more sincere language mirrored by his characters desire to embark on a sincere quest for meaning The functions of the presentation of the different forms of disorientation and re orientation will be at the center of my discussion of Coupland's fiction

*American Cultural Studies* Neil Campbell, Alasdair Kean, 2013-06-17 Praise for previous editions Something of a godsend as a teaching resource this book is second to none achieves levels of multiplicity rarely if ever reached by others *Borderlines Studies in American Culture* This third edition of *American Cultural Studies* has been updated throughout to take into account the developments of the last six years providing an introduction to the central themes in modern American culture and explores how these themes can be interpreted Chapters in the book discuss the various aspects of American cultural life such as religion gender and sexuality and regionalism Updates and revisions include discussion of Barack Obama's rise to power and the end of the Bush Years consideration of Hemispheric American Studies and the increasing debates about globalisation and the role of the USA up to date case studies such as *The Wire* and *Nurse Jackie* more on suburbia the Mexican border crossing the Twilight phenomena etc updated further reading lists

Accompanying website *American Cultural Studies* is a core text and an accessible introduction to the interdisciplinary study of American culture

*Disturbing Pleasures* Henry A. Giroux, 2012-11-12 In *Disturbing Pleasures* Henry Giroux demonstrates how his well known theories of education critical pedagogy and popular culture can be put to use in the classroom and in other cultural settings Adding an entirely new dimension to his thinking about the cultural sites at which pedagogical practice takes place Giroux illustrates how professors school teachers and other cultural workers can appropriate what he refers to as a pedagogy of cultural studies

**The Gum Thief** Douglas Coupland, 2009-03-18 The first and only story of love and looming apocalypse set in the aisles of an office supply superstore In Douglas Coupland's ingenious novel sort of a *Clerks* meets *Who's Afraid of Virginia Woolf* we meet Roger a divorced middle aged aisles associate at a Staples outlet condemned to restocking reams of twenty lb bond paper for the rest of his life And then there's Roger's co worker Bethany who's at the end of her Goth phase and young enough to be looking at fifty more years of sorting the red pens from the blue in Aisle Six One day Bethany comes across Roger's notebook in the staff room When she opens it up she discovers that this old guy she's never considered as quite human is writing mock diary entries pretending to be her and spookily he is getting her right She also learns he has a tragedy in his past and suddenly he no longer seems like just a paper

stocking robot with a name tag These two retail workers strike up a peculiar and touching epistolary relationship reminding us that love death and eternal friendship can all transpire where we least expect them Through a complex layering of narratives The Gum Thief highlights number one bestselling author Douglas Coupland s eye for the comedy loneliness and strange comforts of contemporary life

**The A to Z of Postmodernist Literature and Theater** Fran Mason,2009-07-23

Postmodernist literature embraces a wide range of forms and perspectives including texts that are primarily self reflexive texts that use pastiche burlesque parody intertextuality and hybrid forms to create textual realities that either run in opposition to or in parallel with an external reality fabrications that develop both of these strategies texts that ironize their relationship to reality works that use the aspects already noted to more fully engage with political or cultural realities texts that deal with history as a fiction and texts that elude categorization even within the variety already explored For example in fiction a postmodernist novel might tell a story about a writer struggling with writing only perhaps to find that he is a character in a book by another writer struggling to write a book The A to Z of Postmodernist Literature and Theater examines the different areas of postmodernist literature and the variety of forms that have been produced This is accomplished through a chronology an introductory essay a bibliography and several hundred cross referenced dictionary entries on individual postmodernist writers the important postmodernist aesthetic practices significant texts produced throughout the history of postmodernist writing and important movements and ideas that have created a variety of literary approaches within the form By placing these concerns within the historical philosophical and cultural contexts of postmodernism this reference explores the frameworks within which postmodernist literature of the late twentieth and early twenty first century operates

**American Cultural Studies** Neil C. Campbell,Alasdair Kean,2005-08-12

**A Companion to Contemporary Design since**

**1945** Anne Massey,2019-02-22 A critical overview of contemporary design and its place within the broader context of art history A Companion to Contemporary Design since 1945 introduces readers to a collection of specially commissioned essays exploring the complex areas of design that emerged through the latter half of the twentieth century design history design methods design studies and more recently design thinking The book delivers a thoughtful overview of all design disciplines and also strives to stimulate inter disciplinary debate and examine unconsidered convergences among design applications in different fields By offering a new perspective on design the articles assembled here present a challenging account of the

boundaries between design history and its cognate disciplines especially art history The volume comprises five sections Time Place Space Objects and Audiences that discuss environments for design and how we interact with designed objects and spaces Notable features include 24 new essays reflecting the current state of design history and theory and examining developments on a global basis Contributions by eminent scholars and practitioners from around the globe Enriched throughout with illustrations A Companion to Contemporary Design since 1945 provides a new and thought provoking revision of our conception and understanding of contemporary design that will be essential reading for students at both undergraduate and graduate levels as well as researchers and teachers working in design history theory and practice and in related fields

**Hybrid Fictions** Daniel Grassian,2015-09-11 Since the 1960s academics have theorized that literature is on its way to becoming obsolete or at the very least has lost part of its power as an influential medium of social and cultural critique This work argues against that misconception and maintains that contemporary American literature is not only alive and well but has grown in significant ways that reflect changes in American culture during the last twenty years In addition this work argues that beginning in the 1980s a new allied generation of American writers born from the late 1950s to the early 1970s has emerged whose hybrid fiction blend distinct elements of previous American literary movements and contain divided social cultural and ethnic allegiances The author explores psychological philosophical ethnic and technological hybridity The author also argues for the importance of and need for literature in contemporary America and considers its future possibilities in the realms of the Internet and hypertext David Foster Wallace Neal Stephenson Douglas Coupland Sherman Alexie William Vollmann Michele Serros and Dave Eggers are among the writers whose hybrid fictions are discussed

*Dreaming of Eden* S. Thistlethwaite,2010-11-17 In the Garden of Eden Adam and Eve were tempted to take a bite out of an apple that promised them the knowledge of good and evil Today a shiny apple with a bite out of it is the symbol of Apple Computers The age of the Internet has speeded up human knowledge and it also provides even more temptation to know more than may be good for us Americans have been right at the forefront of the digital revolution and we have felt its unsettling effects in both our religions and our politics Susan Brooks Thistlethwaite argues that we long to return to the innocence of the Garden of Eden and not be faced with countless digital choices But returning to the innocence of Eden is dangerous in this modern age and instead we can become wiser about the wired world

*Thoreauvian Modernities* François Specq,Laura Dassow Walls,Michel Granger,2013-02-01 Does Thoreau belong to the past or to the future Instead of canonizing him as a celebrant of pure nature apart from the corruption of civilization the essays in Thoreauvian Modernities reveal edgier facets of his work how Thoreau is able to unsettle as well as inspire and how he is able to focus on both the timeless and the timely Contributors from the United States and Europe explore Thoreau s modernity and give a much needed reassessment of his work in a global context The first of three sections Thoreau and Non Modernity views Thoreau as a social thinker who set himself against the modern currents of his day even while contributing to the emergence of a new

era By questioning the place of humans in the social economic natural and metaphysical order he ushered in a rethinking of humanity's role in the natural world that nurtured the environmental movement The second section Thoreau and Philosophy examines Thoreau's writings in light of the philosophy of his time as well as current philosophical debates Section three Thoreau Language and the Wild centers on his relationship to wild nature in its philosophical scientific linguistic and literary dimensions Together these sixteen essays reveal Thoreau's relevance to a number of fields including science philosophy aesthetics environmental ethics political science and animal studies Thoreauvian Modernities posits that it is the germinating power of Thoreau's thought the challenge it poses to our own thinking and its capacity to address pressing issues in a new way that defines his enduring relevance and his modernity Contributors Kristen Case Randall Conrad David Dowling Michel Granger Michel Imbert Michael Jonik Christian Maul Bruno Monfort Henrik Otterberg Tom Pughe David M Robinson William Rossi Dieter Schulz Francois Specq Joseph Urbas Laura Dassow Walls
