Share Economy:

The Rise of the Sharing Economy Pia A. Albinsson, B. Yasanthi Perera, 2018-01-04 This is the ultimate source for anyone who wants a comprehensive view of how the sharing economy began and how it may fundamentally change capitalism across the globe. The Rise of the Sharing Economy: Exploring the Challenges and Opportunities of Collaborative Consumption examines the business phenomenon of the sharing economy, giving readers a thorough analysis of this up and coming sector. The book presents a detailed historical perspective of sharing and cooperatives, followed by a discussion of societal factors, predominantly technology, that have facilitated the fast growth of collaborative consumption businesses. Additional chapters offer progressive perspectives on how companies can further commercialize sharing. Written for undergraduate and graduate students studying the collaborative market and for those with entrepreneurial aspirations, this book provides important insight about technology, facilities, sharing, peer-to-peer lending, grassroots social entrepreneurial efforts, the economics of the sharing economy, legal and public policy issues, and more.

The Rise of the Sharing Economy Kevin Govender, 2021-09-27 Is access the alternative to ownership? In 2011, the sharing economy was dubbed by Time magazine as one of the Ten ideas that will change the world, and it has been widely hailed as a major growth sector by sources ranging from Fortune magazine to the World Economic Forum to former President Obama. The sharing economy is a new economic model that focuses on access to assets or resources instead of ownership. It has exploded in popularity over recent years and has disrupted a significant number of mature industries such as accommodation, automotive, and entertainment. The total value of the global sharing economy is estimated to grow from 14 billion in 2014 to 335 billion by 2025. With limited resources, the desire to become more environmentally conscious, the high cost and burdens of ownership, and a rapidly growing population living increasingly in densely populated cities, consumers are faced with greater challenges and opportunities to fill their consumption needs. People are experiencing a significant value shift with a desire to reconnect with products and services in a more meaningful way, are becoming more cost and environmentally conscious, and are prioritising experience over ownership. An organisation's ability to reimagine and reinvent its business model to offer unique opportunities for humanising technology and developing innovative sharing platforms such as Uber and Airbnb would be a game changer for them. While the Fourth Industrial Revolution and COVID-19 pandemic are influencing and changing consumer behaviour, organisations are facing a dilemma that is affecting the future of their profitability, existence, and sustainability. In *The Rise of the Sharing Economy*, Kevin Govender shares his insights and expertise on the evolution of the sharing economy, consumer behaviour, and alternative business models, and empowers consumers to rediscover and realise the enormous benefits of access over ownership and the potential savings in time, money, space, and the opportunity. Access is a cultural and socio-economic phenomenon that is transforming businesses, consumers, the way we live, work, learn, consume, commute, and play. Access is the new ownership.

The Sharing Economy: Its Pitfalls and Promises Michael C. Munger, 2021-08-12 Transactions have always taken

place For hundreds of years that place was a market or more recently a shopping mall But in the past two decades these physical locations have increasingly been replaced by their virtual counterparts online platforms Here author Michael C Munger demonstrates how these platforms act as matchmakers or middlemen a role traders have adopted since the very first exchanges thousands of years ago The difference today is that the matchmakers often play no direct part in buying or selling anything they just help buyers and sellers find each other Their major contribution has been to reduce the costs of organising and completing purchases rentals or exchanges The Sharing Economy Its Pitfalls and Promises contends that the key role of online platforms is to create reductions in transaction costs and it highlights the importance of three Ts triangulation transfer and trust in bringing down those costs *The Sharing Economy* Arun Sundararajan, 2016-05-13 An insightful guide to the forces shaping our economy that explores the far ranging implications of the shift to crowd based capitalism with case studies on Uber Airbnb and others Hal Varian Chief Economist at Google Sharing isn t new Giving someone a ride having a guest in your spare room running errands for someone participating in a supper club these are not revolutionary concepts What is new in the sharing economy is that you are not helping a friend for free you are providing these services to a stranger for money In this book Arun Sundararajan an expert on the sharing economy explains the transition to what he describes as crowd based capitalism a new way of organizing economic activity that may supplant the traditional corporate centered model As peer to peer commercial exchange blurs the lines between the personal and the professional how will the economy government regulation what it means to have a job and our social fabric be affected Drawing on extensive research and numerous real world examples including Airbnb Lyft Uber Etsy TaskRabbit France s BlaBlaCar China s Didi Kuaidi and India s Ola Sundararajan explains the basics of crowd based capitalism He describes the intriguing mix of gift and market in its transactions demystifies emerging blockchain technologies and clarifies the dizzying array of emerging on demand platforms He considers how this new paradigm changes economic growth and the future of work Will we live in a world of empowered entrepreneurs who enjoy professional flexibility and independence Or will we become disenfranchised digital laborers scurrying between platforms in search of the next wedge of piecework Sundararajan highlights the important policy choices and suggests possible new directions for self regulatory organizations labor law and funding our social safety net

The Chinese Sharing Economy Ma Huateng, Zhang Xiaorong, Sun Yi, Cai Xiongshan, 2021-06-08 This book explores the social and economic impact of the sharing economy of taxis apartments and other goods and services in China and how the sharing economy can allow for supply side economic reform The sharing economy is in the ascendant in China and significant achievements have been made in innovation in leasing travel and other fields This book predicts that this economic tide which has affected hundreds of millions of people will inject a powerful new momentum into China s economic growth help China s economy achieve power conversion and turn the service industry into the main engine of economic growth This book will interest China watchers economists and scholars of the technology sector *The Sharing Economy and the Tourism*

Industry Royah Rahimi, Babak Taheri, Dimitrios Buhalis, 2022-04-29 The sharing economy is at the centre of current debates involving new technologies sustainability big data and stakeholder engagement This edited volume encourages new theoretical and empirical development on sharing economy studies in the service industries field *The Sharing Economy in Europe* Vida Česnuitytė, Andrzej Klimczuk, Cristina Miguel, Gabriela Avram, 2022-01-21 This open access book considers the development of the sharing and collaborative economy with a European focus mapping across economic sectors and country specific case studies It looks at the roles the sharing economy plays in sharing and redistribution of goods and services across the population in order to maximise their functionality monetary exchange and other aspects important to societies It also looks at the place of the sharing economy among various policies and how the contexts of public policies legislation digital platforms and other infrastructure interrelate with the development and function of the sharing economy The book will help in understanding the future sharing economy models as well as to contribute in solving questions of better access to resources and sustainable innovation in the context of degrowth and growing inequalities within and between societies It will also provide a useful source for solutions to the big challenges of our times such as climate change the loss of biodiversity and recently the coronavirus disease pandemic COVID 19 This book will be of interest to academics and students in economics and business organisational studies sociology media and communication and computer science *Perspectives on the Sharing Economy* Indre Maurer, Achim Oberg, Dominika Wruk, 2019-08-15 Sharing instead of owning is one of the major trends in modern business life By changing how people consume the rise of the sharing economy has the potential to redefine the role of owners consumers and producers change their mode of transaction create innovative business models disrupt existing industries and challenge political and regulative institutions In addition to these practical implications the sharing economy phenomenon represents a novel playground for theoretical advancement attracting a multitude of research and researchers from different disciplines While this can potentially open up new avenues for practice and theory to stimulate each other they do not seem to go hand in hand at the moment This volume brings together research from a wide variety of theoretical backgrounds and disciplines to encourage academic discourse on the sharing economy phenomenon It comprises contributions that are grounded in different theoretical perspectives including business history economics strategic management organization studies information systems political science legal studies linguistics and semantics While all contributions focus on the sharing economy phenomenon they examine the subject from different disciplinary angles Together they provide a coherent and comprehensive overview of research on the sharing economy *Generation Share* Matofska, Benita, Sheinwald, Sophie, 2020-05-26 Generation Share takes readers on a journey around the globe to meet the people who are changing and saving lives by building a Sharing Economy Through stunning photography social commentary and interviews with 200 change makers Generation Share showcases extraordinary stories demonstrating the power of Sharing From the woman transforming the lives of slum girls in India to the UK entrepreneur who has started a

Share Economy Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Share Economy PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial

barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Share Economy PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Share Economy free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Share Economy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
