Wake Up—God's Talking to You Manny Dean Fernandez, 2014-05-08 From the beginning of time, God has spoken to people in their dreams. Through them, he has reached out to both men of God—Isaiah, Daniel, Jeremiah, Jacob—and his dream interpreter, son Joseph, and ungodly men and women like Pharaoh or Pontius Pilate's wife. Even today, God has not stopped speaking to us in our dreams. We simply stopped listening or being aware of Him. More than twenty years ago, after God woke him up one night with an incredible dream, author Manny Fernandez set off on a lifelong journey to explore what could be learned from dreams. He made it his mission to teach others how to remember their dreams and, with God's help, interpret their meaning. In his guidebook, Fernandez includes his own diary of dreams, associated Scriptures, and explanations, ways to remember and understand God's special messages, an examination of parables, and his ideas for connecting with God through dreams and prayer. *Wake Up: God's Talking to You* is an innovative teaching tool that guides spiritual seekers through all the ways God speaks to us through dreams and brings us closer to Him.

Conscious Dreaming Robert Moss, 2010-05-26 A leader of dream workshops and seminars, details a unique nine-step approach to understanding dreams using contemporary dreamwork techniques developed from shamanic cultures around the world. *Conscious Dreaming* shows you how to use your dreams to understand your past, shape your future, get in touch with your deepest desires, and be guided by your higher self. Author Robert Moss explains how to apply shamanic dreamwork techniques, most notably from Australian Aboriginal and Native American traditions, to the challenges of modern life and embark on dream journeys. Moss's methods are easy, effective, and entertaining, animated by his skillful retelling of his own dreams and those of his students. The dreams are often dramatic insights and outcomes. According to Moss, some shamans believe that nothing occurs in ordinary reality unless it has been dreamed first. In the dreamscape, we not only glimpse future events; we can also develop our ability to choose more carefully between possible futures. *Conscious Dreaming's* innovative system of dream catching and transpersonal interpretation of dream re-entry and keeping a dream journal enables the reader to tap the deepest sources of creativity and intuition and make better choices in the critical passages of life.
