clarity A Mystical Practical Guide to Magic Aliza Einhorn, 2025-08-05 This is one of the most straightforward and that's coming from me organized and direct books on magic that I've read Aliza is honest funny and asks the questions that folks often forget after years of magical or tarot practice This book is a delight just like the author Melissa Cynova author of Kitchen Table Magic Aliza Einhorn's delightful *A Mystical Practical Guide to Magic* is akin to cozying up in your favorite café with your favorite witch friend the one who knows all the good stuff and always has your back Besides presenting an easily accessible overview of the metaphysical arts this wise and welcoming book offers a veritable cornucopia of magical tools to help you take charge of your life It's the perfect guide for new seekers and budding witches everywhere Kris Waldherr bestselling creator of The Goddess Tarot and author of The Book of Goddesses *Tarot Awareness* Stephen Walter Sterling, 2000 Have you ever looked at the mysterious symbols on the Tarot cards and wondered what they meant Or perhaps you have read the Tarot for others for many years but still don't understand how to use them for meditation and spiritual development Or perhaps you use the intense imagery of the Tarot for meditation but don't think it is appropriate to use this mystical tool for readings Well now you can learn the meaning of the symbols for spiritual development and for giving great readings in Stephen Walter Sterling's *Tarot Awareness* The Tarot is composed of two major sections the illustrated cards that form the Major Arcana and the cards of the Minor Arcana which are like a deck of playing cards with an extra court card for each suit Each card has a meaning for a reading The meanings of the cards are given in the text The Major Arcana cards also are about the spiritual development of your consciousness As you go through the cards from zero to twenty one you follow the progression of your spirituality The fifty six cards of the Minor Arcana are associated with your development from the spiritual to the physical In fact they deal with the four levels of progression to manifestation the spiritual emotional mental and physical Put this all together and for the first time you have a book which integrates spiritual and practical meditative and divinatory One of the great things about the Tarot is that it's symbolic Since the unconscious works through symbols it speaks to you Just working with the Tarot helps you to evolve especially when you understand the Tarot's spiritual truths In order to work with the cards the book shares five different readings you can do As an added bonus the book also deals with the difficult subject of proximity relating the cards in a spread to each other as opposed to just their positions in the spread This can enhance your readings on your quest for spirituality **Best Tarot Practices** Marcia Masino, 2009-04-01 *Best Tarot Practices* is a comprehensive approach to teaching everything you need to know to read the cards for personal insight and spiritual growth for yourself and others Using a method that blends modern questions and answers with innovative exercises and encourages intuition Masino empowers the reader to find their own private connection with each of the cards fostering a lasting and deeply personal relationship with the characters and symbols within the deck Unlike many other beginning tarot books *Best Tarot Practices* focuses not just on how to read the cards but also on how to become a successful tarot reader including how to handle difficult questions and messages in a reading how to deal with needy greedy or
