Shared Services Adding Value To The Business Units:

Shared Services Donniel S. Schulman, Martin J. Harmer, John R. Dunleavy, James S. Lusk, 1999-03-08 One of the ways companies are looking for competitive advantage in this frenetic business environment is through the use of a tactical technique called shared services In this book we bridge the chasm between the theory of how a shared services operation ought to work and the practical issues involved in how to make it work how to carry out a successful implementation of a shared service operation in your business from the Preface Gaining competitive advantage in today's fierce business environment requires focus throughout the company on value as measured by quality cost speed and service In the quest for superior performance a growing number of companies are now turning to shared services a tactical technique by which corporations can organize financial and other transaction oriented activities to reduce costs and provide better service to business unit partners Written by four authorities three PricewaterhouseCoopers consultants and the executive who has directed the shared service efforts at Lucent Technologies this comprehensive resource the first of its kind examines shared services from the macro issues that compel senior management to embrace this approach through the design and implementation of a shared services environment that leads to increased customer and shareholder value Of all the tools available for gaining competitive advantage why shared services One of the principal reasons is that it creates through consolidation of often disparate activities more of a one company feel among business units The benefits of this are twofold one it enables companies to show a consistent face to clients and customers vendors and suppliers shareholders and potential shareholders two it provides increased flexibility to all of the business operations allowing corporate leaders to maintain a global perspective while at the same time allowing business unit leaders to take strong customer focused actions Providing both a domestic and global view Shared Services addresses the full spectrum of issues including Assessing whether shared services is right for you issues to consider goals to be reached Getting started building support establishing an effective organization instituting continuous communication Setting up the infrastructure billing shared services to business units dealing with tax and legal entity issues International challenges complexity time zone legal issues currency stability and security Program and project management structures planning execution and control A groundbreaking book that examines a timely and important topic Shared Services is an accessible and thorough guide to what could be a critical component in achieving long term business success This comprehensive resource is the first to introduce explain and explore shared services an innovative business strategy that involves centralizing various business units including accounting and transactional operations to reduce costs and increase customer satisfaction Presenting a practical and easy to follow blueprint for the smooth and sound implementation of shared services in your organization Shared Services Adding Value to the Business Units covers all the fundamentals from how to get started to proper management techniques *ENTERprise Information Systems, Part II* Joao Eduardo Quintela Varajao, Maria Manuela Cruz-Cunha, Goran D. Putnik, Antonio

Trigo,2010-10-08 This book constitutes the proceedings of the International Conference on ENTERprise information systems held Viana do Castelo Portugal in October 2010 **Shared Services as a New Organizational Form** Tanya

Bondarouk,2014-07-31 What do shared service models involve Which business processes can and or should be shared This ASM volume deals with such questions relating to the increasingly popular use of Shared Service Centers in organizations The volume intends to move beyond debating the relevance of shared services towards more systematic research action

Do the Right Deal, Do the Deal Right Barry Massoudi, 2006

Finance Bundling and Finance Transformation Frank Keuper, Kai-Eberhard Lueg, 2013-11-13 In managerial literature the challenges of ramping up growing and enhancing a Finance Shared Services Organization are regularly neglected Therefore the compilation will address two objectives First based on a generic phase model of an SSO s development frequently arising questions related to the management of SSOs shall be systematically discussed and practicable solutions derived Secondly a picture of the future of SSOs shall be elaborated resulting in new future management implications

Designing Effective Organizations Michael Goold, Andrew Campbell, 2002-06-03 Goold and Campbell leading thinkers on corporate level strategy have turned their attention to corporate level organization design They bring a rigor to this topic that will help managers wrestling with multiple reporting dimensions decentralization and cross unit co ordination Professor Gary Hamel London Business School Author of Competing for the Future and Leading the Revolution Campbell and Goold are renowned for discovering entirely new and useful dimensions to seemingly familiar business issues This book is another shining example It allows executives to replace politics and personality as the rationales for an organizational design with clear effective logic and experience Thomas H Davenport Director Accenture Institute for Strategic Change Author of Process Innovation and Working Knowledge A must read for managers and consultants Redesigning the organization is the most powerful and fastest means for aligning decisions and behavior with strategic objectives Goold and Campbell provide the best and most comprehensive framework for developing and testing the validity of an organizational structure I have seen in recent years Based on years of research and experience they offer clear principles and a process to guide managers in the many design decisions and trade offs involved in developing a more effective organization Professor Michael Beer Harvard Business School Author of The Critical Path to Corporate Renewal Books on organization design tend to fall into one of two categories those that provide interesting concepts but not help on how to implement them and those that are full of check lists on implementation based on sterile and over simplified ideas Michael Goold and Andrew Campbell have written perhaps the finest example of an exception I have ever seen a very practical book

with detailed guidelines on implementation yet based on a rich and sophisticated understanding of the real challenges of organization design It will be of immense use to all careful readers Professor Sumantra Ghoshal London Business School Author of The Individualized Corporation and Managing Across Borders As companies search for all sources of competitive advantage many are discovering that the ability to organize and execute complex strategies is an important one Campbell and Goold have again provided us with a good process through which leaders can give organizing its deserved focus Professor Jay Galbraith author of Designing the Global Corporation Campbell and Goold bring much needed clarity and precision to the language of organizational design and show how this can help managers avoid the misunderstandings and differing interpretations that frequently undermine new organization structures Paul Coombes Director Organization Practice Area McKinsey Company Organization change is close to the top of many companies agendas Goold and Campbell s book equips you with ideas and frameworks to take on the journey The real world examples help make it both pragmatic and readable Steve Russell Chief Executive The Boots Company plc An impressive work The taxonomy of organizational units and organigram symbols will be especially useful to managers working on structures Philip Sadler Patron The Centre for Tomorrow s Company Author of The Seamless Organization Incredibly relevant in helping to pull together a complicated structure based around the dimensions of channels products customers and geography immensely clear and valuable David Roberts Chief Executive Personal Financial Services Barclays plc A welcome breakthrough in designing more effective corporate organization structures The nine design tests of Goold and Campbell are a valuable addition to an otherwise sparse toolkit Jim Haymaker Vice President Strategy Business Development Cargill Inc Human Resources Business Process Outsourcing Edward E. Lawler, III, Dave Ulrich, Jac Fitz-enz, James Madden, V, 2004-07-29 In Human Resources Business Process Outsourcing Edward E Lawler III Dave Ulrich Jac Fitz enz the foremost experts in the human resource field and James C Madden V the CEO of the top HR outsourcing firm clearly show how outsourcing offers an effective low cost alternative to traditional administration and provides HR managers with new opportunities to contribute directly to their companies overall strategy and business performance Step by step the authors explore how the HR function in corporations is structured and include a template for analyzing a HR department s value value added and cost to serve In this important resource the authors explain new approaches organizations can take to improve HR administration and demonstrate how HR functions can be best organized **Technology, Outsourcing & Transforming HR** Graeme Martin, 2008-02-22 This book examines the progress made in e enabling the HR function and the relationship with outsourcing The editors will review and analyse recent developments in the application of outsourcing and ICT to the HR function and its overall contribution to organizational aims This text aims to fill the gap in current literature by providing accessible guidance on how to tackle the e enablement of the function and on the factors associated with successful outsourcing There is no single text that adequately deals with this increasingly important problem and which has been recognised by the CIPD as a key area of research for their

forward programme The contributors all have leading edge knowledge and practical experience and aim to provide practical guidance for organizations and HR professionals Public Shared Service Centers Gerd Schwarz,2014-06-20 Gerd Schwarz analyzes the pros and cons of shared service centers for the implementation of IT finance personnel and purchasing processes and make design suggestions on the empirical study of American public companies are based at 72 It describes how through the development of shared service centers achieved cost and quality improvements and shows based on the transaction cost approach to outsourcing to the differences in detail *Handbook of Research on Strategies for Local E-Government Adoption and Implementation: Comparative Studies* Reddick, Christopher G.,2009-03-31 This book provides examinations of the adoption and impact of e government Provided by publisher

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Shared Services Adding Value To The Business Units eBooks, including some popular titles.

FAQs About Shared Services Adding Value To The Business Units Books

What is a Shared Services Adding Value To The Business Units PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Shared Services Adding Value To The Business Units PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Shared Services Adding Value To The Business Units PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Shared Services Adding Value To The Business Units PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Shared Services Adding Value To The Business Units PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
