Shared Life The Trinity And The Fellowship Of Gods People:

Shared Life Donald Macleod, 2024-01-17 A 30th anniversary edition of a classic book on the Trinity by one of Britain's most prominent theologians Donald Macleod argues that our understanding of the Trinity matters because it is the model for the way we should live particularly in our relations with one another The relationship between Father Son and Spirit is laid out in Scripture and although fully grasping the concept of this divine mystery will always be beyond us we can understand it better It is critically important that we do for if our understanding of God is wrong it may lead to other wrong beliefs Donald Macleod's faithful insight into what Scripture has to say about the Godhead is priceless as relevant now as when it was first published This 30th anniversary edition has been newly typeset and has a new cover and will be an invaluable resource to a new generation of readers

The Joy of the Trinity Tara-Leigh Cobble, 2024-04-30 It's hard to know a God we don't understand and it's hard to love a God we don't know But our God wants to be known and loved and He's told us a lot about Himself in the pages of His Word particularly that He is a three in one God Although it is a crucial and classic Christian teaching understanding the Trinity can be intimidating at first But it doesn't have to be Join bestselling author Bible teacher and podcaster Tara Leigh Cobble as she walks you through the triune nature of God God the Father God the Son and God the Holy Spirit As you turn each page you'll discover a beautiful foundational view of the Trinity that will not only inform

Patrick Navas, 2011-07-07 In *Divine Truth or Human Tradition* the author critically examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including Dr James R White author of *The Forgotten Trinity* Dr John MacArthur President of The Master's Seminary Wayne Grudem author of the widely read *Systematic Theology* Robert Morey author of *The Trinity Evidence and Issues* Robert L Reymond author of *A New Systematic Theology of the Christian Faith* and others According to what has long been considered mainstream Christian orthodoxy the doctrine of the Trinity the idea that the one God of the Bible is a singular being made up of three coequal and coeternal persons is not only central to the Christian faith but even necessary for one to accept in order to be counted as a true Christian and be saved Such a demand on a Christian's faith has come across as strange and perplexing to many especially so in light of the fact pointed out by one respected Trinitarian The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a central doctrine indispensable to the Christian faith In this regard it goes contrary to what is virtually an axiom that is a given a self evident truth of biblical doctrine namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church Millard J Erickson *God in Three Persons* p 11 Emphasis added Understandably this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first articulated in the late 4th century Many Christians have wondered How can a doctrine that is not clearly or explicitly taught in the Bible be necessary to accept in order to be a true practitioner of the Christian faith **God With Us and Without Us, Volumes One and Two** Imad N. Shehadeh, 2020-09-30 God as Trinity is at the core of the mystery and otherness of the divine nature of God It has also been a frequent barrier to those who hold to the Absolute Oneness of God In this combined work Dr Imad Shehadeh demonstrates the inevitability of the Trinity by exposing the conflict that Absolute Oneness faced historically Dr Shehadeh presents the beautiful logic of the Trinity and explains how the display of God's attributes in creation derives from the self sustaining relationships in his triune nature as Father Spirit and Son The book climaxes in revealing the transforming power of the Trinity when applied to life Followers of Christ will find their worship and love of God enhanced through the rich truths this book contains followers of Islam will find confusion about the Triune God cleared up removing stumbling blocks to understanding the Bible's message *God With Us and Without Us, Volume One* Imad N. Shehadeh, 2018-09-30 The revelation of the Trinity establishes that the relationship of the one true God with us springs from the relationship within himself without us The Trinity is not a problem to be solved but a beauty to be discovered Dr Imad N Shehadeh uses careful exegetical and theological analysis to explore the presentation of the triune God in Scripture and expertly navigate the reader through the errors and pitfalls regarding the Trinity This book explains the essential role that the perfect truth of a three in one God plays in being able to know God and be sure of his character Dr Shehadeh doesn't fear to tread on controversial ground but instead addresses key issues in theology the study of God such as

the logic of the Trinity and whether the God of the Bible is the same as the god of other religions This first of two volumes is a valuable contribution to the theological academy but also is an accessible guide for anyone to encounter the perfect holy triune God

Delighting in the Trinity Tim Chester, 2010-11-01 Delighting in the Trinity looks at the wonderful and fundamental truth that our God is three in one How can there be three Gods and yet only one God Have you ever groaned inwardly at a question like this Many of us find the doctrine of the Trinity that God is three persons sharing one nature difficult to get our heads round and frankly a bit embarrassing What is more we seem to get by without thinking about it too deeply But in reality the Trinity is at the heart of all that Christians believe The nature of God as a Trinity gives shape to all Christian truth and to the gospel that we believe and proclaim And rather than be a source of embarrassment properly understood it should fill us with joy This book aims to help you see how the Trinity is fantastically good news Because the trinity means that God is not remote and uninvolved quite the opposite God sent His Son and His Spirit into our world to draw us into a wonderful relationship with Himself This is the God who gives meaning and joy to our lives And along the way we discover that the Trinity answers other big questions How can we know God What happened at the cross What does it mean to be human How can people live together with all their differences What does mission look like in a fragmented world Tim Chester will take us deeper into understanding the thrilling triune nature of God In short accessible chapters he takes us through the Bible's teaching on the Trinity gives us an overview of the important arguments over the trinity that have taken place throughout Christian history and lays out the practical implications for our Christian lives

The Regeneration of the Christian and the Holy Spirit, **The Trinity, Practically Speaking** Frank D. Macchia, 2012-01-06 The Father the Son and the Holy Spirit in the Bible and in Christian experience are all vital to the reality of salvation But since the word Trinity does not appear in the Bible many people wonder whether the doctrine is anything more than an intellectual puzzle created by theologians This book leads readers step by step to a robust understanding of God as a Trinity

All That Is in God James E. Dolezal, 2017-07-13 Unknown to many increasing numbers of conservative evangelicals are denying basic tenets of classical Christian teaching about God with departures occurring even among those of the Calvinistic persuasion James E Dolezal's All That Is in God provides an exposition of the historic Christian position while engaging with these contemporary deviations His convincing critique of the newer position he styles theistic mutualism is philosophically robust systematically nuanced and biblically based It demonstrates the need to maintain the traditional viewpoint particularly on divine simplicity and spotlights the unfortunate implications for other important Christian doctrines such as divine eternity and the Trinity if it were to be abandoned Arguing carefully and cogently that all that is in God is God Himself the work is sure to stimulate debate on the issue in years to come

Shehadeh, 2019-10-31 While volume 1 stressed the inevitability of Oneness in Trinity this second volume of God With Us and Without Us demonstrates the beauty and life transforming power of Oneness in Trinity The nature of the eternal relationship between the Father Son and Holy Spirit stands in contrast with the nature of God in Absolute Oneness Dr Imad N Shehadeh elucidates through careful argumentation and detailed critical thinking why Oneness in Trinity is to be prized and what God would look like if He were not triune By addressing the beauty and power of Oneness in Trinity this book deepens our understanding of the Trinity as the solid foundation of all other doctrines Dr Shehadeh explains the eternal activity of God outside creation i e without us as the stimulus of His activity within creation i e with us Dr Shehadeh also addresses the theological debate concerning the eternal generation of the Son and the eternal procession of the Holy Spirit Most importantly however this book convinces us of and magnifies for us the life transforming power of the triune God Café Theology - Exploring Love, the Universe and Everything Michael Lloyd, 2008-08 In Cafe Theology Mike invites us to grab a cappuccino and travel with him on a mind stretching journey from Creation to New Creation offering a rich and human view of life and the Life Giver Whether you have been on the Christian Journey your whole life you are just starting out or haven't even bought a ticket this extraordinary book is applicable to our ordinary lives longings and in Mike's words our feeble and frustrated fumbblings after an understanding of who we are and what we are here for **Made for Friendship** Drew Hunter, 2018-09-20 God made you for friendship Friendship is one of the deepest pleasures of life But in our busy fast paced mobile world we've lost this rich view of friendship and instead settled for shallow acquaintances based on little more than similar tastes or shared interests Helping us recapture a vision of true friendship pastor Drew Hunter explores God's design for friendship and what it really looks like in practice giving us practical advice to cultivate the kinds of true friendships that lead to true and life giving joy

Cole,2019-04-12 Many believers struggle with assurance of salvation tending to approach obedience to God out of either guilt or legalism We exist to display God s glory declare God s gospel and disciple for God s Great Commission Instead of embracing these truths many Christians have believed the lie that their identity in Christ does not affect how they live their lives in obedience to him The gospel tells us that being identity comes before doing obedience This lack of understanding our gospel identity frequently results in either legalistic pride or frustrating guilt The purpose of this book is to help believers understand their identity in the three persons of the Trinity and then joyfully serve God with gospel obedience The gospel indicatives in the Bible serve as the fountain and power for obeying the moral imperatives in the Bible The gospel roots our assurance of salvation and motivation to obey God in our identity not in moralism which elevates our performance instead of exalting the finished work of Christ From Eternity to Here Frank Viola,2009 Presenting three remarkable stories spanning Genesis to Revelation this saga reveals nothing less than the meaning of life and offers an extraordinary glimpse into God s highest passion **A Grammar of Holy Mystery** Larry Hart,2023-03-10 A Grammar of Holy Mystery is about Christian spirituality It is about mysticism as a firsthand encounter with the presence of God unfathomable unnamable mysterious fulfilling It is about classical Christianity the way of transforming truth found in Christ taught in Scripture lived by saints sages and mystics and passed on as a sacred trust through the centuries Being neither liberal nor conservative but simply Christian it is ecumenical in spirit For those traumatized by harsh or shallow churches A Grammar of Holy Mystery points the way out and shows the way to a faith that renews the mind restores the spirit and gladdens the heart **The God Who Is Triune** Allan Coppedge,2007-10-01 The triunity of the Christian God is not just one isolated doctrine among others Allan Coppedge draws out the implications for our understanding of God s nature attributes roles relationship to creation and providence *The People of God's Presence* Terry L. Cross,2019-10-15 In an age when the church is sometimes viewed as irrelevant and inauthentic leading Pentecostal theologian Terry Cross calls the people of God to a radical change of structure and mission based on theological principles Cross whose work is respected by scholars from across the ecumenical landscape offers an introduction to ecclesiology that demonstrates how Pentecostals can contribute to and learn from the church catholic A forthcoming volume by the author *Serving the People of God s Presence* will focus on the role of leadership in the church
