Main Challenges for Christian Theology Today Christophe Chalamet, Lit Verlag, 2020-10 In this volume on the basis of three consultations which took place in Seoul and Geneva 2016 2017 2018 theologians from Yonsei University's College of Theology in Seoul South Korea and from the Theological Faculty at the University of Geneva reflect together on three of the

main challenges facing Christian theology today First questions related to religious pluralism and multiple religious belonging are addressed Second the promise of an enhanced human being through technology and other means is discussed Third the reality of the threat humanity represents to our ecosystem is considered Each of these themes is examined from a Korean as well as from a Western European perspective for Christian theology in our day can no longer afford to remain limited to its own geographical context

**Clinical EFT Handbook Volume 2** Dawson Church, Stephanie Marohn, 2013-06-30 EFT Emotional Freedom Techniques is used by an estimated 10 million people worldwide Yet a lack of standardization has led to a field in which dozens of forms of EFT with varying degrees of fidelity to the original can be found This led to the establishment of Clinical EFT the form of EFT taught in the original EFT Manual and associated materials and validated in over 20 clinical trials In this volume the most noted scholars researchers and clinicians in the field compile a definitive outline of the EFT protocol as it is applied in medicine psychiatry psychotherapy and life coaching This volume covers Integrative Medical Settings Special Populations such as Children Veterans Addicts Sports and Business Performance Innovations in EFT These handbooks are essential reading for anyone wishing to understand EFT as validated in research science and best clinical practice

**Prayer in Counselling and Psychotherapy** Peter Madsen Gubi, 2008 Gubi argues that philosophically all counselling can be regarded as prayer particularly when working at relational depth that prayer plays an important part in maintaining many mainstream counsellors well being and with considered ethical awareness prayer can be integrated ethically into counselling when working with people of faith

**Exploring Therapy, Spirituality and Healing** William N. West, 2010-12-13 What place does spiritual need and healing have in the counselling room Denying the spiritual dimension of personal distress can be potentially hurtful to clients but the issue of spirituality is also fraught with professional and ethical issues for therapists This book draws on original research to move the debate about spiritual need forwards in relation to therapeutic practice supervision and training An international team of contributors offer a diverse range of perspectives to critically explore a wide spectrum of spiritual issues including prayer pastoral care and traditional healing Edited by a leading figure in the field this book Illuminates experiences of both clients and practitioners through detailed case vignettes Draws on cutting edge research in this growing field Invites readers to address their own therapeutic practice with hands on discussion points This measured and thoughtful approach provides a fascinating insight to an often complex and controversial topic As such the book is essential reading for trainees and practitioners of counselling and psychotherapy

What Counsellors and Spiritual Directors Can Learn from Each Other Peter Madsen Gubi, 2017-04-21 This new collection explores the intersection of spiritual direction and counselling It considers the ways in which they can enhance each other to provide better therapeutic and pastoral care

*International Perspectives on Pastoral Counseling* Richard L Dayringer, 2014-06-03 Gain fresh perspectives on pastoral care and counseling from international experts This informative book will show you how pastoral care and counseling are viewed and practiced in Africa India Korea Hong Kong

the Philippines Central America South America Germany and the United Kingdom You ll find new perspectives on theoretical and practical aspects of pastoral care and counseling as well as fascinating case studies and unique insights on how culture affects this type of ministry In his Preface Dr Howard Clinebell Professor Emeritus of Pastoral Psychology and Counseling at the Claremont School of Theology explains the need for this book In the radically new world of the 21st century pastoral counselors of all races and ethnic backgrounds will be challenged by a growing need to provide competent help to burdened individuals couples families and communities of different cultural backgrounds and worldviews than their own International Perspectives on Pastoral Counseling gives you an intimate view of counseling models from the United States that are being adapted to the realities of urban Korean life pastoral care and counseling in African and multicultural contexts counseling issues arising from urban realities in Pretoria South Africa the state of pastoral counseling and the impact of globalization and international markets on pastoral theology in Brazil care and counseling models from Holland and the United States that are being imported for use in Indonesia how the realities of life in Singapore relate to pastoral care and therapeutic conversations the needs of women and the historical development and meaning of pastoral care and counseling in the Philippines the meaning of forgiveness from an intercultural perspective spiritual philosophical and other perspectives on Chinese cultures the pitfalls of individualistic models of pastoral care and counseling in poverty stricken regions of Latin America the unique challenges of delivering care and counseling in Asian Pacific cultures     *Psychotherapy and Spiritual Direction* Lynette Harborne,2018-03-22 This book explores the similarities and differences between the practice of psychotherapy and spiritual direction and suggests that whilst there may be distinctions between the two activities the process is essentially the same The purpose of the book is to improve the understanding between therapists and spiritual directors to encourage dialogue and discussion between them as well as to offer challenges and learning to both In the process of exploring the interface between the practice of therapy and the practice of spiritual direction questions arise about how to address issues of spirituality in a psychological context and psychological issues in a spiritual context A brief overview of the historical background to spiritual direction is given and attention drawn to the links between this tradition and the development of psychotherapy Spiritual issues that may arise in therapy together with psychological issues that occur during spiritual direction are discussed leading on to a comparison between dark night of the soul experiences and clinical depression     **The Theory and Practice of Christian Psychology in Europe** Nicolene L. Joubert,2022-12-01 A view of human nature generally undergirds approaches to mental health and flourishing Spirituality is accepted by most cultures as an integral part of human nature and cannot be ignored when attempting to take care of our suffering and promoting flourishing The onset of the COVID 19 pandemic in December 2019 caused worldwide shock and ripped at the very fabric of society Everybody was affected by the threat of the illness and loss of lives The disastrous economic impact is still felt in many parts of the world In this book a combination of Christian faith and scientific knowledge is presented as an

answer to the question of human suffering Individual and collective suffering are addressed by various articles and therapeutic models The book further serves to deepen understanding of the value of spiritual knowledge and insight in therapy for both Christian and non Christian therapists in respect of both theory and practice The content covers a wide range of topics including collective suffering individual suffering due to abuse elements of Christian psychotherapy the role of conscience and faith in healing spiritual maturity and a Christian view of identity in a digital age

Shared Wisdom Pamela Cooper-White, 2024-11-19 For twenty years educators caregivers psychotherapists and theologians have turned to Pamela Cooper White's *Shared Wisdom* on the dynamics between caregivers and care seekers Now Cooper White updates her groundbreaking book to present new insights on how understanding one's own emotional reactions remains a core competency for ministry

*Psychology for Pastoral Contexts* Jessica Rose, 2013 Care for other human beings is at the heart of ministry and brings ministers in contact with whole of human life The focus of this handbook of psychology for pastoral contexts is on psychological insight into human relationships and mental health It can be read as a whole or used as a handbook for reference to particular problems At the same time it attempts to put psychological concepts into everyday language Jessica Osborne an experienced psychologist and teacher discusses areas such as attachment dependency and anxiety betrayal and reconciliation mental health issues such as depression eating disorders and addiction stress violence and abuse and suffering The book will be useful on pastoral care courses at all levels and suitable for practitioners and people in training for pastoral ministry lay or ordained

Intersections of Multiple Identities Miguel E. Gallardo, Brian W. McNeill, 2011-02-11 Over the past two decades there has been an increase in the need to prepare and train mental health personnel in working with diverse populations In order to fully understand individuals from different cultures and ethnic backgrounds practitioners need to begin to examine conceptualize and treat individuals according to the multiple ways in which they identify themselves The purpose of this casebook is to bridge the gap between the current practice of counseling with the newest theories and research on working with diverse clientele Each chapter is written by leading experts in the

field of multicultural counseling and includes a case presentation with a detailed analysis of each session a discussion of their theoretical orientation and how they have modified it to provide more culturally appropriate treatment and an explanation of how their own dimensions of diversity and worldviews enhance or potentially impede treatment This text is a significant contribution to the evolving area of multicultural counseling and will be a valuable resource to mental health practitioners working with diverse populations

The Space Between Us Chinedu Nnadi, 2025-07-08 The Space Between Us is a deeply moving story about love faith betrayal and the long road to healing Joshua had always believed in waiting for love for marriage for the one who shared his values When he met Becky her quiet strength and devotion to faith seemed like the answer to years of prayer But one lie small in its telling seismic in its consequence shattered the foundation of their marriage on the very night it began Heartbroken Joshua withdrew from intimacy maintaining a picture perfect image in public while growing colder behind closed doors Becky burdened with shame and guilt stayed silent desperate to win back the man she loved Bound by vows but separated by silence Joshua and Becky become strangers in their own home As tension simmers beneath polite smiles and quiet dinners their love story teeters on the edge of collapse But when Becky finally dares to speak the truth a painful yet necessary reckoning begins one that forces both to confront pride fear and the vulnerability that real love demands Tender honest and emotionally layered The Space Between Us is a poignant portrait of the damage silence can do and the grace that can heal even the deepest divide Perfect for readers of Christian fiction inspirational love stories and emotionally driven dramas
